-

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

*Departure of Principal Executive Officer*

On July 6, 2015, Axiall Corporation (the Company) announced that, at the direction of the Company's Board of Directors (the Board), Paul D. Carrico retired from his current position as the Company's President and Chief Executive Officer and resigned from his position as a member of the Board, effective July 5, 2015.

Mr. Carrico's departure from the Company will constitute a retirement for purposes of the Company's compensation arrangements and benefit plans, resulting in the vesting of certain outstanding equity awards, except that it will be treated as a qualifying termination entitling him to severance under the Company's executive officer and key employee severance plan (the Severance Plan). In connection with his departure, the Company entered into a separation and release agreement (the Separation Agreement) with Mr. Carrico confirming these arrangements and providing, among other things, that he will be entitled to receive a special bonus of \$500,000 in recognition of his efforts in support of the Company's transformation plan, including the recently announced joint venture with Lotte Chemical USA Corporation (Lotte). The Separation Agreement contains customary releases in connection with his departure.

The foregoing description of the Separation Agreement does not purport to be complete and is qualified in its entirety by reference to the Separation Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference. The Severance Plan has been previously filed with the Securities and Exchange Commission (SEC) as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the SEC on December 12, 2013, which Severance Plan is incorporated herein by reference.

*Appointment of Principal Executive Officer*

The Board has an active search process underway to select the next Chief Executive Officer. During the transition period, Timothy Mann, Jr., Executive Vice President, General Counsel and Secretary, will serve as the Company's interim President and Chief Executive Officer. Mr. Mann will also continue to serve as General Counsel and Corporate Secretary until his successor for these roles is identified.

Prior to his appointment as interim President and Chief Executive Officer, Mr. Mann, 49, served as Executive Vice President of the Company responsible for strategy, as well as General Counsel and Secretary. In this role, he led the Company's team that designed and negotiated the joint venture with Lotte to build an ethane cracker in Louisiana. For more than five years prior to joining the Company, he was a partner at the international law firm, Jones Day, where his practice focused primarily on public and private merger and acquisition activities and corporate governance, including executive compensation and general corporate counseling. Prior to his time at Jones Day, Mr. Mann also served as Chief Executive Officer of Acsys, Inc., a publicly traded business services company that he led from its founding through initial public offering and to a successful sale to a strategic acquirer.

The press release issued by the Company on July 6, 2015 announcing Mr. Carrico's departure and Mr. Mann's appointment is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
