Envision2017 Executive Update: Selection of Merger Integration Planning Partner

It s been several weeks since our last update on the proposed merger between Envision Healthcare and AMSURG and we would like to bring you up to date on our progress.

We completed our review of proposals from advisory firms to assist with the integration of our two companies and have selected PricewaterhouseCoopers (PwC) to conduct an initial assessment of our companies systems, processes and protocols. The PwC team has extensive knowledge of the healthcare sector and we look forward to working with them during this first phase of integration planning.

This initial step will focus on a functional current state assessment, including the development of potential future operating model options. The assessment is expected to begin in late August and take approximately five weeks to complete.

Edgar Filing: Envision Healthcare Holdings, Inc. - Form 425

We are excited to get started with the planning required to make this integration a success. We will continue to keep you updated as we embark on this journey and take the next step to realizing our shared vision.
