**Item 8.01 Other Events.**

As previously reported, on June 6, 2005, PNM Resources, Inc. ("PNMR") acquired all of the outstanding common shares of TNP Enterprises, Inc. and its subsidiaries, Texas-New Mexico Power Company and First Choice Power from the selling shareholder, SW Acquisition, L.P. ("SW Acquisition").

The agreed-upon purchase price was \$189.1 million, subject to certain adjustments which resulted in a payment at closing to SW Acquisition of the estimated purchase price of approximately \$175.0 million paid approximately half in cash and approximately half in common stock with the number of shares determined using a value of \$20.20 per common share, as provided for in the Stock Purchase Agreement ("SPA"), dated as of July 24, 2004, by and between PNMR and SW Acquisition. Pursuant to the SPA, PNMR provided SW Acquisition its proposed final purchase price, reflecting a reduction from the estimated purchase price of approximately \$37.0 million. SW Acquisition has objected to PNMR's proposed final purchase price.

There is a mechanism established in the SPA for resolving disputes regarding the final purchase price. However, on August 19, 2005, SW Acquisition notified PNMR that SW Acquisition had filed a petition in Texas state district court in Tarrant County, Texas, against PNMR, in which SW Acquisition alleged, among other things, that PNMR had breached the SPA. The petition seeks a declaration of the parties' rights and duties under the SPA, including the final purchase price, and also seeks damages in an unspecified amount. PNMR believes the suit to be without merit and intends to vigorously defend itself and otherwise protect its rights under the SPA.
