(“Greenbelt”), Greenway Partners, L.P. (“Greenway”), Greenhouse Partners, L.P. (“Greenhouse”), and Alfred D. Kingsley (collectively, the “Reporting Persons”). Unless otherwise defined herein, all capitalized terms used herein shall have the meanings previously ascribed to them in the previous filing of the Statement.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The information on each Reporting Person’s respective cover sheet and presented in response to Item 5(c) is incorporated by reference herein.

ITEM 4. PURPOSE OF TRANSACTION

- (a) The information presented in response to Item 5(c) is incorporated by reference herein.
- (b) No change.
- (c) No change.
- (d) No change.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) As of the date of this statement, each of the Reporting Persons beneficially owned the Shares and the percentage of the outstanding Shares of the Company shown on their respective cover page, which information is incorporated by reference herein by such Reporting Person. The percentages are based upon information provided by the Company as to the number of shares outstanding as of May 9, 2012, as reported by the Company in its Quarterly Report on Form 10-Q for the three months ended March 31, 2012.

The Reporting Persons may be deemed to have direct beneficial ownership of Shares as set forth in the following table. In such table, pursuant to Rule 13d-3, the Shares issuable upon the exercise of certain options owned by Mr. Kingsley are deemed outstanding for determining the percentage ownership of Shares by Mr. Kingsley, who is the direct beneficial owner thereof.

Name	Number of Shares	Approximate Percentage Of Outstanding Shares
Greenbelt	1,968,505	3.9%
Greenway	490,373	1.0%
Kingsley	7,512,394	14.9%

Greenbelt has direct beneficial ownership of 1,968,505 Shares. Each of Messrs. Kingsley and Duberstein, as executive officers and directors of Greenbelt, may be deemed to beneficially own the Shares that Greenbelt beneficially owns. Each of Messrs. Kingsley and Duberstein disclaims beneficial ownership of such Shares for all other purposes.

Greenway has direct beneficial ownership of 490,373 Shares. Mr. Kingsley, as the general partner of Greenway, may be deemed to beneficially own the Shares which Greenway beneficially owns.

(b) If Mr. Kingsley were to exercise the portions of the options he holds that are presently exercisable and that will become exercisable within the next 60 days, he would have the sole power to vote or direct the vote of 7,512,394 Shares and the sole power to dispose or direct the disposition of such Shares.

(c) During June 2012, Greenbelt donated 2,000 Shares to a charitable organization.

On July 1, 2012, Mr. Kingsley received a grant of options to purchase 50,000 Shares at an exercise price of \$4.60 per share as part of his regular annual compensation for serving on the Company's Board of Directors and as Chairman of the Board. The options will vest in four equal quarterly installments conditioned upon Mr. Kingsley's continued service on the Board of Directors for each applicable calendar quarter. The options will expire on June 30, 2017.

On July 24, 2012, Mr. Kingsley and Greenway entered into a Share Exchange and Contribution Agreement (the "LifeMap Agreement") with the Company's subsidiary LifeMap Sciences, Inc. ("LifeMap") pursuant to which Mr. Kingsley and Greenway agreed to contribute to LifeMap, in the aggregate, Shares having an aggregate value of not less than \$2,000,000 (the "Minimum Shares") and not more than \$3,000,000 (the "Maximum Shares"), determined as provided in the LifeMap Agreement, in exchange for shares of LifeMap common stock, no par value, at an initial price of \$1.75 per LifeMap share. On July 30, 2012, Mr. Kingsley contributed 140,000 Shares and Greenway contributed 280,000 Shares to LifeMap and will receive in exchange a number of shares of LifeMap common stock determined by multiplying the number of Company Shares contributed by \$4.7661, which was determined by calculating the highest weighted average closing price per share on the NYSE MKT for any ten trading days during the period from July 1, 2012 through July 31, 2012 (the "First Outside Date"), and dividing that amount by the Exchange Price Per Share of LifeMap common stock. The Exchange Price Per Share will initially be \$1.75, but that price may be reduced, and additional shares of LifeMap common stock may be issued in exchange for the BioTime Shares received by LifeMap, if LifeMap sells shares of its common stock or other securities exercisable or exchangeable for, or convertible into, its common stock for a price per share of common stock lower than \$1.75, other than pursuant to options granted under LifeMap's stock option plan, on or before December 31, 2012. In the case of a sale of preferred stock or other securities convertible into or exchangeable for LifeMap common stock (a "Convertible Security), or warrants or rights to purchase LifeMap common stock or any Convertible Security, the price per share of LifeMap common stock sold shall be the consideration paid for the warrant or Convertible Security plus any additional consideration paid or payable upon exercise, conversion or exchange, divided by the number of shares of

common stock issued or issuable upon exercise, conversion or exchange thereof.

Mr. Kingsley and Greenway may contribute additional Shares to LifeMap so that the total number of Shares so contributed will have a total value of up to \$3,000,000. Any additional Shares so contributed will be valued as of September 30, 2012 at the highest weighted average closing price per share on the NYSE MKT for any ten trading days during the period from August 1, 2012 through September 30, 2012.

The total number of shares of LifeMap common stock issuable to Mr. Kingsley and Greenway in exchange for Shares contributed to LifeMap is subject to change if the Exchange Price Per Share is adjusted downward on or before December 31, 2012. However, based on the 420,000 Shares contributed to date, Mr. Kingsley and Greenway will receive not less than 1,143,870 shares of LifeMap common stock, which will represent approximately 10.3% of the LifeMap common stock outstanding, if LifeMap does not issue any additional shares of its common stock. The Company's ownership interest in LifeMap will be reduced from 86.3% to approximately 77.4% as a result of the issuance of 1,143,870 of shares of LifeMap common stock to Mr. Kingsley and Greenway. The Company's ownership interest in LifeMap may be reduced to approximately 73.6%, and Mr. Kingsley's and Greenway's interest in LifeMap may increase to approximately 14.7%, if they contribute the Maximum Shares in exchange for LifeMap common stock, assuming that LifeMap does not issue any additional shares of its common stock.

The Company plans to register the Shares received by LifeMap for resale under the Securities Act of 1933, as amended, and LifeMap may then sell some or all of those Shares from time to time to finance its operations.

Mr. Kingsley is the Chairman of the Company's Board of Directors and is a member of the Board of Directors of LifeMap. The LifeMap Agreement has been approved by LifeMap's Board of Directors, without the vote of Mr. Kingsley, and by the Company's Audit Committee pursuant to the Company's Related Person Transaction Policy.

(d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares reported in this Statement.

(e) No change.

Any such excess Contributed Shares shall be returned to Investor not later than the second business day after the First Outside Date.

(c) If Investor contributes less than the Maximum Shares on or before the First Outside Date, and if during the period commencing on the date of this Agreement and ending on the Second Outside Date the Company has not received at least \$3,000,000 of equity capital, including the value of the Contributed Shares, the Company shall so notify Investor, and within two business days after such notice Investor shall contribute to the Company, as additional Contributed Shares, a number of additional BioTime Shares having a value (determined as of the Second Outside Date) equal to \$3,000,000 minus the total amount of equity capital received by the Company from the date of this Agreement to the Second Outside Date (including the value of Contributed Shares previously contributed valued at the greater of the Price Per Contributed Share determined as of the First Outside Date and the Price Per Contributed Share determined as of the Second Outside Date). If Investor has not previously contributed the Maximum Shares and the Company has not received at least \$5,000,000 of equity capital, including the Contributed Shares, from the date of this Agreement to the Second Outside Date, Investor may elect to contribute a number of additional Shares with a value equal to \$5,000,000 minus the total amount of equity capital so received by the Company; provided that for the purpose of this sentence (i) Investor shall not contribute more than the Maximum Shares, (ii) the amount of equity capital raised shall include the Shares previously contributed by Investor, (iii) the value of the Shares so contributed or to be contributed shall be valued at the greater of the Price Per Contributed Share determined as of the First Outside Date and the Price Per Contributed Share determined as of the Second Outside Date), and (iv) Investor shall contribute any additional Shares pursuant to this sentence within two business days after receipt of notice from the Company as to the amount of equity capital so received by the Company from the date of this Agreement through the Second Outside Date.

4. Issuance of Exchange Shares. Within two business days following the First Outside Date, the Company shall issue to Investor a number of Exchange Shares equal to (A) the Price Per Contributed Share multiplied by the number of Contributed Shares (excluding any Contributed Shares returned to Investor under Section 2(b)) contributed, divided by (B) the Exchange Price as then in effect. Within two business days following the Second Outside Date, the Company shall issue to Investor a number of Exchange Shares equal to (A) the Price Per Contributed Share multiplied by the number of Contributed Shares (excluding any Contributed Shares contributed after the First Outside Date pursuant to Section 2(a) or returned to Investor pursuant to Section 2(b)) contributed during the period commencing on the First Outside Date and ending on the Second Outside Date, divided by (B) the Exchange Price as then in effect.

(a) If after the date on which Exchange Shares are issued to Investor, the Exchange Price is lower than the lowest Exchange Price used to determine the number of Exchange Shares previously issued to Investor, the number of Exchange Shares shall be recalculated using such lower Exchange Price, and within two business days after such date, the Company shall issue to Investor a number of additional Exchange Shares equal to the excess of number of Exchange Shares as so recalculated over the total number of Exchange Shares previously issued to Investor.

(e) Investor is acquiring the Exchange Shares solely for its or his own account and for investment purposes, and not with a view to, or for sale in connection with, any distribution of the Exchange Shares, unless registered under the Securities Act.

(f) It has never been represented, guaranteed or warranted to Investor by the Company, or by any officer, director, employee, or agent of the Company, that Investor will realize any specific value, sale price, or profit as a result of acquiring the Exchange Shares.

#### 6. Resale Restrictions.

(a) Investor agrees that Investor will not sell, offer for sale, or transfer any of the Exchange Shares, unless those Exchange Shares have been registered under the Securities Act, or unless there is an exemption from such registration and an opinion of counsel reasonably acceptable to the Company has been rendered stating that such offer, sale, or transfer will not violate the Securities Act or any state securities laws.

(b) The certificates evidencing Exchange Shares will contain a legend to the effect that transfer is prohibited except pursuant to registration under the Securities Act, or pursuant to an available exemption from registration under the Securities Act.

10. Amendments; Waivers. Any amendment or modification of this Agreement shall be effective only if evidenced by a written instrument executed by the parties. Any waiver by a party of its rights hereunder shall be effective only if evidenced by a written instrument. In no event shall such waiver of any rights hereunder constitute the waiver of such rights in any future instance unless the waiver so specifies in writing.
