Additionally, Mr. Petit owns 5,010,020 shares of Common Stock and 400,000 currently exercisable warrants. The Trust owns 150,000 shares of Common Stock and Petit Investments LP owns 150,000 shares of Common Stock.
- (c) 3% Convertible Senior Secured Promissory Notes
In April 2009, the Issuer commenced a private placement to sell 3% convertible senior secured promissory notes (the "Senior Notes") to accredited investors. The Issuer completed the offering on June 17, 2009 and issued \$250,000 of Senior Notes sold to Mr. Petit. The Notes were convertible into shares of Common Stock at \$0.50 per share under certain circumstances. In March 2010, the Senior Notes were converted, pursuant to which Mr. Petit received 514,703 shares of Common Stock resulting from the \$250,000 in principal and \$7,352 in accrued interest.

October 2009 Private Placement

In October 2009, the Issuer commenced a private placement (the "October 2009 Private Placement") to sell Common Stock and warrants. Under the terms of the offering, for every two shares of Common Stock purchased, the holder received a five-year warrant to purchase one share of Common Stock at an exercise price of \$1.50 per share.

In April 2010, the Company offered investors in the October 2009 Private Placement a discount to their existing \$1.50 warrant exercise price to \$1.00 if they exercised their warrants to purchase Common Stock for cash by May 1, 2010. As a result of this offer, Mr. Petit exercised 833,000 warrants at an exercise price of \$1.00 per share and received 833,000 shares of Common Stock.

October 2010 Private Placement

In October 2010, the Issuer commenced a private placement (the "October 2010 Private Placement") to sell Common Stock and warrants. Under the terms of the offering, for every two shares of Common Stock purchased, the holder received a five-year warrant to purchase one share of Common Stock at an exercise price of \$1.50 per share. The warrant was callable by the Issuer at any time if the closing sale price of the Common

Stock exceeded \$1.75 for 15 or more consecutive trading days. The Issuer can redeem the callable warrant at a price of \$0.01 per share if the holder elects not to exercise the warrant.

Contingent warrants also were issued to each investor in the October 2010 Private Placement. The first contingent warrant to purchase 25% of the number of shares of Common Stock purchased in the offering, at an exercise price of \$0.01 per share, was only to become exercisable if the Issuer's Gross Revenues as reported in the Issuer's Audited Financial Statements for the year ended December 31, 2011, did not equal or exceed \$11,500,000 and further the warrant was to become null and void in the event that prior to issuance of such Audited Financial Statements the closing trading price of the Common Stock was at least \$1.50 per share for ten or more consecutive trading days. These contingent warrants vested in March 2012.

A second contingent warrant to purchase 25% of the number of shares of Common Stock purchased in the offering, at an exercise price of \$0.01 per share, was only exercisable if the Issuer's Gross Revenues as reported in the Issuer's Audited Financial Statements for the year ended December 31, 2012, did not equal or exceed \$31,150,000 and further the warrant was to become null and void in the event that prior to issuance of such Audited Financial Statements the closing trading price of the Common Stock was at least \$1.75 per share for ten or more consecutive trading days. The second contingent warrants became null and void in July 2012.

Through September 30, 2011, Mr. Petit purchased 600,000 shares of Common Stock and received 300,000 warrants for total consideration of \$600,000 under the terms of the October 2010 Private Placement. He was also issued 150,000 first contingent warrants, which vested in March 2012. He also received 150,000 second contingent warrants, which became null and void in July 2012.

In March 2012, Mr. Petit exercised his first contingent warrants at an exercise price of \$0.01 per share and received 150,000 shares of Common Stock. In July 2012, the Issuer exercised its right to call the callable warrants. Mr. Petit elected to exercise his callable warrants by paying the exercise price of \$450,000 and received 300,000 shares of Common Stock pursuant to the exercise.

October 2010 Bridge Financing

In October 2010, Mr. Petit provided bridge financing to the Issuer pending the closing of sales of securities in the October 2010 Private Placement. Mr. Petit advanced the Issuer \$150,000 through a subscription agreement ("Subscription Agreement") and, in connection therewith, was issued a 5% convertible promissory note ("Note") and a warrant to purchase Common Stock, which expires in [October 2013]. The Note was convertible into Common Stock and warrants on the same terms as were offered to investors in the October 2010 Private Placement. In November 2010, Mr. Petit advanced an additional \$250,000 under the same terms.

In connection with the Subscription Agreement and the Note, the Issuer issued to Mr. Petit one warrant for the number of shares of Common Stock computed by dividing the aggregate amount of the advances by the conversion price of \$1.00, resulting in the issuance of 400,000 warrants to Mr. Petit.

In December 2010, Mr. Petit agreed to extend the term of his Note until February 28, 2011, at which time the Note was repaid and the proceeds invested in the October 2010 Private Placement. As a result of the election to invest in the private placement, Mr. Petit received 406,664 shares of Common Stock representing the original Note principal of \$400,000 and accrued interest of \$6,664, 203,332 callable warrants which were subsequently exercised in August 2012 and 101,666 contingent warrants exercised in March 2012.

Line of Credit Note

On March 31, 2011, the Issuer and Mr. Petit entered into a subscription agreement for a 5% convertible senior secured promissory note and, in connection therewith, the Issuer agreed to issue a 5% convertible senior secured promissory note ("Line of Credit Note") in the amount borrowed by the Issuer, and certain contingent warrants to purchase Common Stock. The first borrowing in the amount of \$800,000 occurred on March 31,

2011, resulting in the issuance of 400,000 contingent warrants at an exercise price of \$0.01 per warrant. Additional borrowings in the amount of \$500,000 were drawn during the three months ended June 30, 2011, resulting in the issuance of 250,000 contingent warrants at an exercise price of \$0.01 per warrant.

At Mr. Petit's option, the Line of Credit Note is convertible into the number of shares of Common Stock of the Issuer equal to the quotient of the outstanding principal amount and accrued interest of the Note as of the date of such election divided by \$1.00 per share.

With each advance under the Line of Credit Note, the Issuer was obligated to issue contingent warrants. Upon borrowing under the Line of Credit Note, the Issuer was required to issue to Mr. Petit a warrant to purchase 25% of the shares of Common Stock that would be issuable upon conversion of the outstanding principal balance of the Line of Credit Note immediately after borrowing, less the aggregate number of shares of Common Stock subject to all first contingent warrants previously issued to Mr. Petit, at an exercise price of \$0.01 per share. On February 28, 2012, 325,000 first contingent warrants vested to Mr. Petit with an exercise price of \$0.01 per share. Mr. Petit exercised these warrants in March 2012.

Upon borrowing under the Line of Credit Note, the Issuer was required to issue to Mr. Petit an additional warrant to purchase 25% of the shares of Common Stock that would be issuable upon conversion of the outstanding principal balance of the Line of Credit Note immediately after borrowing, less the aggregate number of shares of Common Stock subject to all second contingent warrants previously issued Mr. Petit, at an exercise price of \$0.01 per share. On July 3, 2012, the second contingent warrants became null and void. In December 2012 Mr. Petit elected to convert the Line of Credit Note at a conversion rate of \$1.00 per share. As a result of the election, Mr. Petit received 1,403,633 shares of Common Stock representing the principal amount of \$1,300,000 and accrued interest of \$103,633.

Senior Secured Promissory Notes

In December 2011, Mr. Petit participated in the Issuer's private placement of 5% convertible senior secured promissory notes (the "Notes"), conversion warrants, first contingent warrants and second contingent warrants. Mr. Petit purchased Notes in an aggregate principal amount of \$500,000 based upon his commitment to lend the Issuer up to \$1,500,000 to the extent other lenders did not subscribe to the Issuer's offering of Notes. The Notes purchased by Mr. Petit are convertible into 500,000 shares of Common Stock at \$1.00 per share at any time prior to maturity upon Mr. Petit's election. The Notes bear interest at 5% per annum payable in cash on a quarterly basis, with all unpaid interest being due and payable upon maturity. At the holder's election, unpaid interest is convertible into shares of Common Stock at \$1.00 per share. Mr. Petit elected to convert the note at a conversion rate of \$1.00 per share on January 14, 2013.

Mr. Petit also received a conversion warrant to purchase that number of shares of Common Stock equal to the number of shares of Common Stock that would be issuable upon the conversion of the principal of Mr. Petit's Notes at a conversion price of \$1.00 per share, provided that such conversion warrants are only exercisable for the number of shares of Common Stock that would have been issued upon conversion of any portion of the principal of the Notes that is, in fact, prepaid prior to the maturity date. The conversion warrants will expire on December 31, 2013.

In addition, Mr. Petit also received a first contingent warrant to purchase 125,000 shares of Common Stock at an exercise price of \$0.01 per share provided that the Issuer's gross revenues did not equal or exceed \$11,500,000 for the year ended December 31, 2011, which he exercised in 2012. Mr. Petit further received a second contingent warrant which by the terms and conditions of such warrant was rendered null and void since the closing trading price of the Issuer's Common Stock traded at or above \$1.75 for 15 consecutive trading days.

Mr. Petit received 532,260 shares of Common Stock representing the principal amount of \$500,000 and accrued interest of \$32,260.
