#### FOOTNOTES

(1) As of December 31, 2016, the Summit Financial Group, Inc. Employee Stock Ownership Trust (“Trust”) created pursuant to the Summit Financial Group, Inc. Employee Stock Ownership Plan (the “ESOP”) was the beneficial owner, as that term is defined under Rule 13d-3 under the Securities Exchange Act of 1934, as amended, of a total of 575,622 shares of the Company’s common stock, or approximately 5.29% of the total outstanding shares of the Company’s common stock. As trustees of the Trust, Russell F. Ratliff, Jr. and Ronald F. Miller may be deemed to have shared investment power with respect to the Trust shares, under certain circumstances described below.

(2) Under the terms of the ESOP, participants in the ESOP have the right to direct Russell F. Ratliff, Jr. and Ronald F. Miller, as the Trustees of the Trust (the “Trustees”), in the voting of the Company’s common stock allocated to their accounts on all matters required to be submitted to a vote of shareholders. As of December 31, 2016, 393,800 shares have been allocated to participants’ accounts. Under the applicable trust agreement, the Trustees are to vote shares with respect to which no voting instructions are received from plan participants in proportion to the shares voted by plan participants who do submit voting instructions. As a result, the Trustees may theoretically be deemed to share, at least temporarily, voting power as to all shares reported on this Schedule. The Trustees also have limited dispositive power with respect to all shares reported on this Schedule, reflecting a requirement that the assets of the ESOP must primarily consist of shares of the Issuer’s stock. The Trustees disclaim beneficial ownership of the shares attributed to the Trustees in their capacity as Trustees of the Trust.
