### **Item 3.03 Material Modification to Rights of Security Holders.**

On July 1, 2005, the Company entered into an agreement (the “Exchange Agreement”) with investors party to that certain Securities Purchase Agreement, dated February 22, 2005 (the “Purchase Agreement”), to amend the terms and conditions of the warrants to purchase 1,597,529 shares of the Company’s common stock (the “Warrants”) issued to the investors pursuant to the Purchase Agreement. Pursuant to the Exchange Agreement, the exercise price of the Warrants was adjusted from \$1.27 per share to \$0.1425 per share. The investors agreed to waive any anti-dilution rights they may have as a result of the reduction in the exercise price of the Warrants pursuant to the Exchange Agreement.

In addition to the amendment to the exercise price, and in order to encourage timely exercise of the Warrants, the Company agreed to issue 3.5 shares of the Company’s restricted common stock (“Restricted Shares”) to the investors for each share of common stock issuable upon conversion of \$1,425,000 aggregate principal amount 8% senior secured convertible promissory notes issued to such investors pursuant to the Purchase Agreement.

The Company agreed to include these Restricted Shares on the next resale registration statement filed by the Company or to give the investors a one-time demand registration right six months from the date of issue of the Restricted Shares. The Company has agreed, in any case, to register the Restricted Shares as soon as practicable as the law allows and will memorialize the registration rights by executing a basic form agreement subsequent to the exercise of the Warrants and issuance of the Restricted Shares.

On July 1, 2005, the Company issued 5,591,355 of its Restricted Shares as disclosed under Item 3.03 hereof. The Company received no monetary consideration in connection with this transaction. The Company relied, as applicable, upon the representations made by the purchasers of such securities in determining that such exemptions were available.
