This Amendment No. 3 to the Current Report on Form 8-K/A is being filed for the purpose of amending the Current Report on Form 8-K filed on February 22, 2006. Amendment No. 1 to the Current Report on Form 8-K/A was filed on August 8, 2006 and was further amended on Form 8-K/A filed on November 6, 2006.

Item 8.01

On February 22, 2006, Gran Tierra Energy Inc. (the "Company") filed a Current Report on Form 8-K disclosing that the Company had made an offer to acquire participation interests in a total of eight properties in Argentina from Compañía General de Combustibles S.A. ("CGC"). On October 24, 2006, the Company filed a Current Report on Form 8-K disclosing that the Company had received court approval in Argentina to acquire the properties from CGC.

On November 6, 2006, the Company filed a Current Report on Form 8-K disclosing that the Company had closed on the purchase of interests in four of those properties for a total purchase price of \$2.1 million. The assets purchased include a 93.18% participation interest in the Valle Morado block, a 100% interest in the Santa Victoria block and the remaining 50% interests in the Nacatimbay and Ipaguazu blocks (in which the Company currently holds 50% interests).

On December 1, 2006, the Company closed on the purchase of interests in two other properties from CGC including a 75% interest in the El Chivil block and a 75% participation interest in the Surubi block, each located in the Noroeste Basin of Argentina, for a total purchase price of \$2.5 million. The Company also purchased the remaining 25% minority interest in each property from the joint venture partner for a total purchase price of \$280,000.

The total purchase price for the acquisition of CGC's interests in all six properties acquired to date is equal to \$4.6 million. Post-closing adjustments which reflect original values assigned to the properties, amended terms, revenues and costs from the effective date of January 1, 2006 are expected to amount to a net cash outlay of approximately \$3.5 million.

On November 30, 2006, in connection with the closing of the transactions described above, the Company's board of directors reached a final determination not to pursue the acquisition of either CGC's 17.85% interest in the Palmar Largo joint venture or CGC's 5% participation interest in the Aguarague joint venture, and to allow its option to acquire these interest to expire by its terms on December 5, 2006. The offer to purchase those properties was subject to rights of first refusal and certain third party consents.
