PROXY STATEMENT
2008 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send Me this Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2008 annual meeting of stockholders and any adjournments or postponements of the meeting to be held at 10:00 a.m. on Tuesday, December 2, 2008, at 7226 Lee DeForest Drive, Suite 203, Columbia, Maryland 21046. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarize the purposes of the meeting and the information you need to know to vote at the annual meeting.

On October 30, 2008, we will begin sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, we are also sending along with this proxy statement, our 2007 annual report, which includes our financial statements for the fiscal year ended December 31, 2007. You can also find a copy of our 2007 Annual Report on Form 10-K, as amended, on the Internet through the SEC's electronic data system called EDGAR at www.sec.gov or through the Investor Relations section of our website at www.thefigi.com.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on October 21, 2008 are entitled to vote at the annual meeting. On this record date, there were 12,557,669 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by providing a signed statement of revocation or a duly executed proxy card bearing a later date to us at 7226 Lee DeForest Drive, Suite 203, Columbia, Maryland 21046, Attention: Thomas P. Rosato, Chief Executive Officer. Any stockholder who has executed a proxy card but attends the meeting in person may revoke the proxy and vote at the meeting.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, NY 10004, or you have stock certificates, you may vote:

• **By mail.** Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

• **In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

• **By mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares.

• **In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

“**FOR**” the election of Messrs. C. Thomas McMillen, Thomas P. Rosato and John Morton, III, as Class III directors;

“**FOR**” ratification of the selection of independent registered public accounting firm for our fiscal year ending December 31, 2008.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the meeting. You may revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it, as instructed above;

notifying us at 7226 Lee DeForest Drive, Suite 203, Columbia, Maryland 21046, Attention: Thomas P. Rosato, Chief Executive Officer, in writing before the annual meeting that you have revoked your proxy; or

- attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy, unless you specifically request it.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under "How Do I Vote?"

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under "How Do I Vote?," the bank, broker or other nominee has the authority to vote your unvoted shares on both Proposals 1 and 2, even if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a "broker non-vote".

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: The affirmative vote of a plurality of the shares of common stock cast by stockholders present in person or represented by proxy at the annual meeting is required to elect Messrs. C. Thomas McMillen, Elect Three Thomas P. Rosato and John Morton, III, the nominees for election as Class III directors. You may vote Class III Directors either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote for the election of directors. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

Proposal 2: The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of independent registered public accounting firm. Ratify Selection of Auditors Abstentions will be treated as votes against this proposal. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of Grant Thornton LLP as our independent registered public accounting firm for 2008, our Audit Committee of our Board of Directors will reconsider its selection.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, Continental Stock Transfer & Trust Company, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m. on Tuesday, December 2, 2008, at our corporate offices at 7226 Lee DeForest Drive, Suite 203, Columbia, Maryland 21046. When you arrive at our offices, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us, or your broker, to send a single set of our annual report and proxy statement to any household at which two or more of our shareholders reside, if we or your broker believe that the shareholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "householded," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Continental Stock Transfer & Trust Company by calling 212.509.4000 ext. 206, or by e-mail at cstmail@continentalstock.com.

If you do not wish to participate in "householding" and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another shareholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

- If your shares are registered in your own name, please contact our transfer agent, Continental Stock Transfer & Trust Company, and inform them of your request by calling them at 212.509.4000 ext. 206, or by e-mail at cstmail@continentalstock.com, or writing them at 17 Battery Place, New York, NY 10004.
- If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of October 21, 2008 for (a) the executive officers named in the Summary Compensation Table on page 16 of this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group, and (d) each stockholder known by us to own beneficially more than 5% of our common stock. We deem shares of common stock that may be acquired by an individual or group within 60 days of October 21, 2008, pursuant to the exercise of options or warrants to be outstanding for the purpose of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Percentage of ownership is based on 12,557,669 shares of common stock outstanding on October 21, 2008. COMPENSATION DISCUSSION AND ANALYSIS

Overview

On January 19, 2007, we consummated the acquisition of TSS/Vortech. Our Compensation Committee has developed a comprehensive executive compensation program and philosophy with respect to our executive officers. The Compensation Committee has not selected or hired a compensation consulting firm to assist in the development of a comprehensive executive compensation program and philosophy, but may consider doing so in the future.

The Compensation Committee of our Board makes all decisions regarding the compensation of our executive officers, which decisions are subject to ratification by our Board. On March 7, 2007, we established a Compensation Committee consisting of Donald Nickles and Asa Hutchinson, and on April 24, 2007, John Morton, III, was appointed to the Committee. Our Board has determined that each of these directors is an "independent director" within the meaning of the rules of the Nasdaq Stock Market and Rule 10A-3 promulgated under the Securities and Exchange Act of 1934, as amended. The Compensation Committee has the responsibility to:

- review, modify and approve our overall compensation strategy;
- recommend to the Board the compensation and terms of employment of our executive officers, including Thomas P. Rosato, our Chief Executive Officer, Gerard J. Gallagher, our President and Chief Operating Officer, and Timothy C. Dec, our Chief Financial Officer, and to evaluate their respective performance in light of relevant goals and objectives;
- review and recommend to our board the type and amount of compensation to be paid or awarded to the members of our Board;
- recommend to our Board the adoption, amendment and termination of any bonus, equity and other deferred compensation plans, including the 2006 Omnibus Incentive Compensation Plan ("2006 Stock Plan");
- determine appropriate insurance coverage for our executive officers and directors; and
- review, discuss and assess its own performance at least annually.

General Compensation Philosophy

We recognize the importance of maintaining sound principles for the development and administration of our compensation and benefits programs. The overall compensation philosophy of our company is primarily driven by our business environment and our desire to align the interest of the employees with the interests of our company. It is also based on the principles of competitive and fair compensation, as well as our goal to attract, retain and motivate qualified employees.

The compensation and benefit plans are designed to enable us to meet our corporate goals and performance. The objectives of our compensation structure are to:

- enable the company to attract, engage and retain key executives and employees critical to future success;
 - motivate and inspire employee behavior which fosters a high performance culture; and
- support the overall business objectives and ensure that a significant component of the compensation opportunity will be related to factors that both directly and indirectly influence shareholder value.

We measure the success of our compensation plans on overall business performance and our ability to attract and retain key talent which, in turn, will minimize risk and optimize return for our shareholders.

To this end, the Compensation Committee affirms that the total compensation plan should consist of:

-

Edgar Filing: Fortress International Group, Inc. - Form DEF 14A

Annual salary. Designed to reward the core competence in the executive role relative to the skills, experience and contribution to our company.

Annual cash incentive/bonus awards. Designed to reward the executive for specific contributions to our company aligned to both corporate and individual objectives.

- *Long-term equity compensation.* Designed to align the executives' interests with those of the shareholders.
 - Certain other benefits, including retirement and welfare plans.

The use of the above components of our overall compensation plan enables us to reinforce our pay for performance philosophy and strengthen our ability to attract and retain high caliber and experienced executives. We believe that our combination of programs provides an appropriate mix of fixed and variable pay, balances short-term operational performance with longer-term shareholder value and facilitates effective executive recruitment and retention.

We will seek to target both short and long-term compensation levels competitively among a peer group of similar companies based on available survey data. The companies that will comprise our peer group to benchmark executive compensation levels against companies that have executive positions with responsibilities similar in breadth and scope to ours and have businesses which compete with us for executive talent.

Compensation Components

Base Salary

The salaries of our executive officers are the only non-variable element of our compensation and are reviewed on an annual basis. The salaries reflect each executive's responsibilities, the importance and impact of the executive's role, and the contribution each executive delivers to us. Salary revisions are based on an evaluation of the individual's performance, as part of our Annual Performance Review process. Performance-related increases generally take effect as of April 1 of each year.

Bonuses

Our Compensation Committee will be responsible for establishing and implementing pre-established quantitative and qualitative performance standards for executive bonuses as well as guidelines and requirements for the distribution of such bonuses. To the extent that our employment agreements contain qualitative standards for discretionary bonuses, our Board intends to take the following steps to ensure direct correlation between executive compensation and performance:

- initiate a practice of periodically reviewing the performance of all senior executives at Board meetings; and
 - establish annual reviews of compensation reports for the named executive officers.

Long-Term Equity Compensation

We believe that long-term incentive compensation, primarily in the form of restricted stock awards, ensures that our executive officers have an ongoing stake in the long-term success of the company, as well as giving our employees the opportunity to share in any appreciation in the value of our common stock. Under the 2006 Stock Plan, stock options and stock appreciation rights may be granted; however, we currently have no plans or intentions of using these as a form of compensation.

The Compensation Committee supports the belief that equity participation aligns employees' interests with those of the shareholders. However, we have not yet instituted stock ownership or retention guidelines for our executive officers.

Other Benefits

We provide a number of benefits as part of our overall remuneration package to all eligible employees including the named executive officers.

We operate a defined contribution retirement plan — a qualified 401(k) Plan which allows each of our employees to contribute up to the limits imposed by the Internal Revenue Code (US), on a pre-tax basis. We provide for matching payments up to 50% of the first six percent of employee contributions.

We also provide other benefits such as medical, dental, life insurance and short and long-term disability coverage to each named executive officer, as well as to all of our full-time employees. In addition, we provide paid time off and other paid holidays to all employees, including our named executive officers, which we believe are in line with our peers in the industry.

Tax Considerations

The Compensation Committee's compensation strategy is to be cost and tax effective. Therefore, the Compensation Committee's policy is to preserve corporate tax deductions, while maintaining the flexibility to approve compensation arrangements that it deems to be in the best interests of our company and our stockholders, even if such arrangements do not always qualify for full tax deductibility.

Employment Agreements

Descriptions of the employment agreements with Messrs. Rosato, Gallagher, Dec and Weiss are set forth below. The terms and conditions of Messrs. Rosato's and Gallagher's employment agreements were negotiated with the sellers of TSS/Vortech as well as with such executives as part of the negotiation of the overall terms and conditions of the acquisition. We expect that the Compensation Committee will, in connection with the development of a comprehensive executive compensation program and philosophy, recommend to our Board the compensation and terms of employment for our other executive officers whereupon we may enter into appropriate employment agreements with them.

Change in Control and Severance

As described below, the employment agreements of Messrs. Rosato, Gallagher, Dec and Weiss provide for severance benefits. We have not yet developed any comprehensive severance policies for our executive officers but expect to do so in connection with the development of our comprehensive executive compensation program and philosophy.

Role of Executive Officers in Executive Compensation

We expect that our Compensation Committee will approve and make recommendations to our Board with respect to the compensation for our executive officers, other than Mr. Rosato, with the advice of Mr. Rosato and/or one or more other executive officers designated by Mr. Rosato. We expect Mr. Rosato and any such other executive officers to play no role in the Compensation Committee's determination of their respective compensation. However, to the extent we enter into employment agreements with our executive officers, such agreements would be subject to negotiation between us and the applicable executive officer.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of our Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, which appears elsewhere in this annual report, with our management. Based on this review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this annual report.

Pursuant to the terms of the employment agreement, if we terminate Mr. Rosato's employment for reasons other than "Cause" or Mr. Rosato terminates his employment for "Good Reason" (as those terms are defined in the employment agreement), Mr. Rosato is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Rosato's employment, then Mr. Rosato shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

Share performance bonus. Up to \$5.0 million in additional shares of our common stock will be issuable to Mr. Rosato if during the period from the closing of the acquisition (January 19, 2007) through July 13, 2008, certain share performance thresholds (alternative and not cumulative) set forth below are satisfied:

The Compensation Committee elected to leave their base pay unchanged during the first half of 2008, and agreed to reevaluate it in the second half of the 2008 and determined that no bonuses would be paid to the individuals for fiscal year 2007. In addition, on August 26, 2008, each of our executive officers entered into an amendment to his respective employment agreement with us, as discussed above.

All of the shares of our common stock outstanding prior to our initial public offering (“initial shares”) and held by the above stockholders (“initial stockholders”) were placed in escrow with Continental Transfer & Trust Company, as escrow agent, until the earliest of: July 13, 2008; our dissolution and liquidation; or the consummation of a liquidation, merger, stock exchange or other similar transaction which results in all of our stockholders having the right to exchange their shares of common stock for cash, securities or other property subsequent to our consummating a business combination with a target business.

During the escrow period, the initial stockholders will not be able to sell or transfer their securities except to their spouses and children or trusts established for their benefit or otherwise as provided in the stock escrow agreement, but will retain all other rights as our stockholders, including, without limitation, the right to vote their shares of common stock and the right to receive cash dividends, if declared. If dividends are declared and payable in shares of common stock, such dividends will also be placed in escrow.

Registration Rights. The holders of the majority of the initial shares are entitled to make up to two demands that we register the initial shares. The holders of the majority of the initial shares may elect to exercise these registration rights at any time after the date on which the initial shares are released from escrow, which, except in limited circumstances, is not before July 13, 2008. In addition, the initial stockholders have certain “piggyback” registration rights on registration statements filed subsequent to the date on which these shares of common stock are released from escrow. We will bear the expenses incurred in connection with the filing of any such registration statements. On October 10, 2008, we filed a registration statement on Form S-3 for the resale of the initial shares, pursuant to a demand of the holders of the initial shares.

Washington Capital Advisors, LLC. We paid Washington Capital Advisors, LLC (“Washington Capital Advisors”), of which Mr. C. Thomas McMillen , our vice chairman and a director, is the principal equity owner and officer, \$7,500 per month for office space and general administrative services. This arrangement was agreed to by Washington Capital Advisors, the successor-in-interest to Global Defense Corporation, also an affiliate of Mr. McMillen, for our benefit and was not intended to provide Mr. McMillen compensation in lieu of salary. Upon completion of the acquisition of TSS/Vortech, we were no longer required to pay this monthly fee. We paid an aggregate of \$97,500 pursuant to this agreement, of which \$7,500 was paid during the fiscal year ended December 31, 2007.

Consulting Agreement with C. Thomas McMillen

On January 19, 2007, we entered into a consulting agreement with Washington Capital Advisors, of which Mr. C. Thomas McMillen , our vice chairman and a director, is the principal equity owner and officer, pursuant to which Washington Capital Advisors is engaged to serve as a consultant for a period of three years. Under the terms of the Consulting Agreement, Washington Capital Advisors provides advisory services relating to strategic, financial, marketing and business development matters and will also provide mergers and acquisitions assistance. The Board of Directors currently consists of nine members, classified into three classes as follows:

Messrs. C. Thomas McMillen, Thomas P. Rosato and John Morton, III, constitute a class with a term ending at the 2008 annual meeting of stockholders; and

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Registered Public Accounting Firm

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, the Audit Committee has responsibility, pursuant to its written charter, for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. The Audit Committee's policy is to approve all audit and non-audit services provided by our independent registered public accounting firm prior to the commencement of the services using a combination of pre-approvals for certain engagements up to predetermined dollar thresholds in accordance with the pre-approval policy and specific approvals for certain engagements on a case-by-case basis. The Audit Committee has delegated authority to the committee's chairman to pre-approve between committee meetings those services that have not already been pre-approved by the committee. The Chairman of the Audit Committee is required to report any such pre-approval decisions to the full committee at its next scheduled meeting.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the 2008 Annual Meeting is required to ratify the appointment of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE SELECTION OF GRANT THORNTON LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.
