November 16, 2012

The accompanying proxy and this proxy statement have been prepared by our management for the board of directors. Your proxy is being solicited by the board of directors for use at the 2012 Annual Meeting of Shareholders to be held at our office, located at Room 1703, 17/F., Tower 1, Enterprise Square, 9 Sheung Yuet Road, Kowloon Bay, Kowloon, Hong Kong, on Friday, November 16, 2012 at 4:00 P.M., local time, or at any adjournment thereof. This proxy statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being mailed to shareholders, on or about October 19, 2012.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting for:

- The election of six directors to serve until the next annual meeting of shareholders and until their successors are elected and qualified;
- The approval of the amendment to our Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc.; and
- The transaction of such other business as may properly come before the meeting.

Who is soliciting your proxy?

Your proxy is being solicited by our board of directors.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on October 10, 2012, which is the record date for determining who is eligible to vote at the annual meeting. Each share of common stock is entitled to one vote.

How do I vote?

You can vote either by attending the meeting and voting at the meeting or by completing, signing and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the polls close at the meeting. You can change your vote by signing another proxy with a later date and returning it to us prior to the meeting or by voting again at the meeting. If your stock is held in a brokerage account, you must provide your broker with instructions as to any changes in the voting instructions which you previously provided to your broker.

What if I sign and return my proxy card but I do not include voting instructions?

If you sign your proxy card and return it to us but you do not include voting instructions as to any proposal, your proxy will be voted FOR the election of the board of directors' nominees for directors and FOR the approval of the amendment to our Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer, American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, NY 11219.

Will my shares be voted if I do not provide my proxy?

If your shares are held in a brokerage account, they may be voted if you provide your broker with instructions as to how you want your shares voted. Your broker will send you instructions as to how you can vote shares that are held in your brokerage account. If you do not give your broker instructions as to how you want your shares to be voted, then your shares will not be voted either for the election of directors or for the approval of the amendment to our Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc.

If you hold your shares directly in your own name, they will only be voted if you either sign and deliver a proxy or attend and vote at the meeting.

How many votes must be present to hold the meeting?

In order for us to conduct our meeting, we must have a quorum. We will have a quorum, and be able to conduct the meeting, if a majority of our outstanding shares as of October 10, 2012, are present at the meeting. Your shares will be counted as being present at the meeting if you attend the meeting or if you properly return a proxy by mail or if you give your broker voting instructions and the broker votes your shares.

On the record date, October 10, 2012, we had 34,830,495 shares of common stock outstanding. This number of shares does not include treasury stock. We will have a quorum if 17,415,248 shares of common stock are present and voting at the annual meeting.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast, which means that, as long as a quorum is present, the six nominees for director who receive the most votes will be elected. Abstentions will have no effect on the voting outcome with respect to the election of directors.

What vote is required for the approval of the amendment to our Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc.?

The approval of the proposed amendment to our Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc. requires the affirmative vote of a majority of our outstanding shares of common stock.

How are broker non-votes treated at the meeting?

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. The re-election of Company's Directors is not considered a "routine" matter. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to the amendment of Company's Certificate of Incorporation to change our corporate name from ACL Semiconductors Inc. to USmart Mobile Device Inc.

Who is paying the cost of the meeting?

We will pay for preparing, printing and mailing this proxy statement. Proxies may be solicited on our behalf by our directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission. We will reimburse banks, brokers and other custodians, nominees and fiduciaries for their out-of-pocket costs of sending the proxy materials to our beneficial owners. We estimate our costs at approximately \$10,000.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, six individuals will be elected to serve as directors until the next annual meeting or until their successors are duly elected, appointed and qualified. The Company's Board of Directors currently consists of seven persons,. Five of seven individuals who are nominated for re-election to the Board of Directors are existing directors of the Company. Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated Proxy will be voted "FOR ALL" of the six persons named below to serve as directors, unless the Proxy contains contrary instructions. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the election, unless the shareholder WITHHOLDS AUTHORITY from voting, the proxies will be voted "FOR" any nominee who shall be designated by the present Board of Directors to fill such vacancy.

The six Directors to be considered for election are Chung-Lun Yang, Kenneth Lap Yin Chan, Man Sing Lai, Ho Man Yeung, Wing Sun Leung and Ben Wong.

Each of our Directors will generally serve one-year terms and shall hold office until the 2013 annual meeting of shareholders and until his successor has been duly elected, appointed and qualified. If all the nominees are elected, the Board of Directors will consist of six Directors.

Unless Proxy Cards are otherwise marked, the persons named as proxies will vote all proxies received FOR the re-election of each nominee named in this section.

At each annual meeting of shareholders, directors will be elected by the holders of Common Stock to succeed those directors whose terms are expiring. Directors will be elected annually and will serve until their successors are duly elected and qualified or until a director's earlier death, resignation or removal. Our bylaws provide that the authorized number of directors may be changed by action of the majority of the Board of Directors or by a vote of the shareholders of our Company. Vacancies in our Board of Directors may be filled by a majority vote of the Board of Directors with such newly appointed director to serve until the next annual meeting of shareholders, unless sooner removed or replaced.

As a matter of regular practice, and as part of its oversight function, our Board of Directors undertakes a review of the significant risks in respect to our business. Such review is supplemented as necessary by outside professionals with expertise in substantive areas germane to our business. With our current governance structure, our Board of Directors and senior executives, there is not a significant division of oversight and operational responsibilities in managing the material risks facing the Company.

PROPOSAL 2

APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO CHANGE OUR CORPORATE NAME TO USMART MOBILE DEVICE INC.

Our board of directors has proposed that we amend our certificate of incorporation to change our corporate name to USmart Mobile Device Inc. As previously disclosed in our current report in Form 8-K filed with the SEC on September 28, 2012, we have acquired 100% of the outstanding equity of Jussey Investments Limited, which owns (i) 100% equity interest in eVision Telecom Limited, a Hong Kong based solution house that specializes in CDMA2000 (also known as Evolution-Data Optimized or “EV-DO”) platform, and (ii) 80% equity interest in USmart Electronic Products Limited, a provider of ODM (Original Design Manufacturing) and OEM (Original Equipment Manufacturing) services for various electronic products. The board believes that the new name reflects the direction that we have taken as we would like to become a stronger and more involving participant in the telecom market with our own R&D capacities and brands. So far we have taken steps to broaden our business by pursuing acquisitions of companies in the telecom industry. In connection with the change of name, our common stock will receive a new CUSIP number. However, it will not be necessary for you to exchange your stock certificates. Certificates issued with our current corporate name will continue to be valid.

Our Certificate of Incorporation will be amended to change Article FIRST to read as follows:

“FIRST: The name of the corporation is USmart Mobile Device Inc. (the “Corporation”)”.

Vote Required

The approval of the amendment to our certificate of incorporation requires the affirmative vote of a majority of our outstanding shares of common stock.

COMPENSATION DISCUSSION AND ANALYSIS

Summary

Our approach to executive compensation is influenced by our belief in rewarding people for consistently strong execution and performance. We believe that the ability to attract and retain qualified executive officers and other key employees is essential to our long term success.

Named Executive Officers

The named executive officers for the fiscal year ended December 31, 2011 are: Chung-Lun Yang, our Chief Executive Officer; Kun Lin Lee, our Chief Financial Officer; Kenneth Lap Yin Chan, our Chief Operating Officer; and Ming Yan Leung, our Chief Technology Officer. These individuals are referred to collectively herein as the “Named Executive Officers.”

OUR EXECUTIVE COMPENSATION PROGRAM

Overview

The primary elements of our executive compensation program are base salary, incentive cash and stock bonus opportunities and equity incentives typically in the form of stock option grants. Although we provide other types of compensation, these three elements are the principal means by which we provide the Named Executive Officers with compensation opportunities.

The emphasis on the annual bonus opportunity and equity compensation components of the executive compensation program reflect our belief that a large portion of an executive's compensation should be performance-based. This compensation is performance-based because payment is tied to the achievement of corporate performance goals. To the extent that performance goals are not achieved, executives will receive a lesser amount of total compensation. We have entered into employment agreements with four of our Named Executive Officers. Such employment agreements set forth base salaries, bonuses and stock option grants. Such stock option grants are predicated on our achievement of corporate performance goals as set forth in such agreements.

ELEMENTS OF OUR EXECUTIVE COMPENSATION PROGRAM

Base Salary

We pay a base salary to certain of the Named Executive Officers. In general, base salaries for the Named Executive Officers are determined by evaluating the responsibilities of the executive's position, the executive's experience and the competitiveness of the marketplace. Base salary adjustments are considered and take into account changes in the executive's responsibilities, the executive's performance and changes in the competitiveness of the marketplace. We believe that the base salaries of the Named Executive Officers are appropriate within the context of the compensation elements provided to the executives and because they are at a level which remains competitive in the marketplace.

Bonuses

The Board of Directors may authorize us to give discretionary bonuses, payable in cash or shares of Common Stock, to the Named Executive Officers and other key employees. Such bonuses are designed to motivate the Named Executive Officers and other employees to achieve specified corporate, business unit and/or individual, strategic, operational and other performance objectives.

Stock Options

Stock options constitute performance-based compensation because they have value to the recipient only if the price of our Common Stock increases. We have not granted any stock options to any of our Named Executive Officers and the grant of stock options to Named Executive Officers is not a material factor in making compensation determinations with respect to our Named Executive Officers. However, we have in the past used stock options as incentives for our other employees. Stock options generally vest over time, with obtainment of a corporate goal, or a combination of the two. The grant of stock options is designed to motivate our employees to achieve our short term and long term corporate goals.

Retirement and Deferred Compensation Benefits

We do not have any arrangements with the Named Executive Officers to provide them with retirement and/or deferred compensation benefits.

Perquisites

There were no perquisites provided to the Named Executive Officers.

Post-Termination/Change of Control Compensation

We do not have any arrangements with the Named Executive Officers to provide them with compensation following termination of employment.

Tax Implications of Executive Compensation

Our aggregate deductions for each Named Executive Officer compensation are potentially limited by Section 162(m) of the Internal Revenue Code to the extent the aggregate amount paid to an executive officer exceeds \$1 million, unless it is paid under a predetermined objective performance plan meeting certain requirements, or satisfies one of various other exceptions specified in the Internal Revenue Code. At our 2011 Named Executive Officer compensation levels, we did not believe that Section 162(m) of the Internal Revenue Code would be applicable, and accordingly, we did not consider its impact in determining compensation levels for our Named Executive Officers in 2011.

Hedging Policy

We do not permit the Named Executive Officers to “hedge” ownership by engaging in short sales or trading in any options contracts involving our securities.

Option Exercises and Stock Vested

No options have been exercised by our Named Executive Officers during the fiscal year ended December 31, 2011.

Pension Benefits

Under the Mandatory Provident Fund (“MPF”) Scheme Ordinance in Hong Kong, the Company is required to set up or participate in an MPF scheme to which both the Company and employees must make continuous contributions throughout their employment based on 5% of the employees’ earnings, subject to maximum and minimum level of income. For those earning less than the minimum level of income, they are not required to contribute but may elect to do so. However, regardless of the employees’ election, their employers must contribute 5% of the employees’ income. Contributions in excess of the maximum level of income are voluntary. All contributions to the MPF scheme are fully and immediately vested with the employees’ accounts. The contributions must be invested and accumulated until the employees’ retirement.

Nonqualified Deferred Compensation

We do not have any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

Employment Agreements

We have entered into employment agreements with our Mr. Yang, which sets the base salary as set forth in our summary compensation table.

The Board of Directors takes into account, among other factors it deems appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction. The Board of Directors may also impose such conditions as it deems necessary and appropriate on us or the related person in connection with the transaction.
