Section 8 — Other Events

Item 8.01 Other Events.

On January 24, 2013, Wabash National Corporation entered into a definitive agreement to acquire certain assets of the tank and trailer business of Beall Corporation, a Portland, Oregon-based manufacturer of aluminum tank trailers and related equipment, for approximately \$15 million in cash. The transaction is expected to close during the first quarter of 2013.

Beall Corporation began Chapter 11 reorganization proceedings in September of 2012, followed by a bankruptcy-court approved auction of its assets in December. Wabash National was the winning bidder for certain assets of Beall’s tank and trailer business, including its Portland, Oregon manufacturing facility, as well as equipment, inventory, certain product designs, intellectual property and other related assets. The closing of the transaction is subject to customary closing conditions for a sale of this type, including the Bankruptcy Court for the District of Oregon entering a final order approving the acquisition by Wabash National pursuant to and in accordance with the definitive agreement.
