Item 1. Security and Issuer

This Schedule 13D relates to the common stock, \$0.001 per share par value (the “Common Stock”), of Accelerate Diagnostics, Inc., a Delaware corporation formerly known as Accelr8 Technology Corporation (the “Company”). The Company’s principal executive offices are located at 3950 South Country Club, Suite 470, Tucson, Arizona 85714.

Item 2. Identity and Background

- (a) The person filing this Section 13D is Lawrence Mehren, a citizen of the United States (“Mehren”).
- (b) Mehren’s business address is c/o Accelerate Diagnostics, Inc., 3950 South Country Club, Suite 470, Tucson, Arizona 85714.
- (c) Mehren is President and Chief Executive Officer of the Company, and a member of the Company’s board of directors.
- (d) During the past five years, Mehren has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).
- (e) During the past five years, Mehren has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction (1) as a result of which he or it was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or (2) which found any violation with respect to federal or state securities laws.
- (f) Mehren is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration

As previously disclosed, on June 26, 2012, Abeja Ventures, LLC (“Abeja”), a Delaware limited liability company in which Mehren is a member and a manager, purchased 14,000,000 shares of Common Stock directly from the Company in a private placement transaction for an aggregate cash purchase price of \$14,420,000. Abeja also acquired a warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$1.03 per share, and a warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$2.00 per share, with each such warrant exercisable prior to the fifth anniversary of the closing of the transaction. No additional consideration was paid for the warrants. The cash purchase price for the shares was paid out of Abeja’s general working capital (which was funded by the members of Abeja, including Mehren, on a pro rata basis in accordance with their membership interests), and none of the purchase price was represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities.

On March 6, 2013, Abeja exercised its warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$1.03 per share. Shares issuable upon exercise of the \$1.03 warrant were issued directly to members of Abeja on a pro rata basis in accordance with their membership interests. On March 6, 2013, Abeja also partially exercised its warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$2.00 per share in the amount of 6,428,840 exercised shares. Shares issuable upon exercise of the \$2.00 warrant in the amount of 6,428,840 shares were issued directly to members of Abeja on a pro rata basis in accordance with their membership interests. The remaining 571,160 unexercised warrants at an exercise price of \$2.00 per share were assigned to Abeja’s members that did not desire to exercise such warrant to the full extent of their membership interests. The cash purchase price for the shares issuable upon exercise of the warrants was paid out of Abeja’s general working capital (which was funded by the members of Abeja, including Mehren, on a pro rata basis in accordance with their membership interests), and none of the purchase price was represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities.

CUSIP No. 00430H 102

Finally, on March 6, 2013, Abeja distributed all other shares of Common Stock held by it to its members on a pro rata basis in accordance with their membership interests. Following March 6, 2013, Abeja no longer holds any warrants or shares of Common Stock.

As a result of the above warrant exercises and share distributions, Mehren now beneficially owns 4,302,389 shares of Common Stock, representing 10.4% of the issued and outstanding Common Stock (assuming the number of issued and outstanding shares of Common Stock is increased by the number of options and warrants beneficially owned by Mehren, as described below). The shares beneficially owned by Mehren include 1,576,792 shares held by MAB, LLC, options to purchase 2,200,000 shares of Common Stock that are exercisable within 60 days, and warrants to purchase 525,597 shares of Common Stock that are exercisable within 60 days and are also held by MAB, LLC. Mehren is the manager of MAB, LLC and in that capacity has sole voting and dispositive power with respect to the shares held by it. Mehren disclaims beneficial ownership of these securities except to the extent of his pecuniary interest therein, and the inclusion of these shares in this report shall not be deemed an admission of beneficial ownership of all of the reported shares for purposes of Section 16 or for any other purpose.

Item 4. Purpose of Transaction

Abeja purchased the securities referenced in Item 3 above to acquire a controlling interest in the Company, and to provide sufficient capital to support the Company's research and development, product development and marketing initiatives.

Except for the foregoing, Mehren has no present plans or proposals which relate to or would result in: (1) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (2) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (3) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (4) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (5) any material change in the present capitalization or dividend policy of the Company; (6) any other material change in the Company's business or corporate structure; (7) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (8) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (9) a class of equity securities of the Company becoming eligible for termination of registration pursuant to section 12(g)(4) of the Act; or (10) any action similar to any of those enumerated above.

Item 5. Interest in Securities of Issuer

(a) Following the warrant exercises and other transactions described in Item 3 above, there were 38,832,209 shares of Common Stock issued and outstanding based on information provided to the reporting person by the Company. After giving effect to such transactions, Mehren now beneficially owns 4,302,389 shares of Common Stock, representing 10.4% of the issued and outstanding Common Stock (assuming the number of issued and outstanding shares of Common Stock is increased by the number of options and warrants beneficially owned by Mehren, as described below). The shares beneficially owned by Mehren include 1,576,792 shares held by MAB, LLC, options to purchase 2,200,000 shares of Common Stock that are exercisable within 60 days, and warrants to purchase 525,597 shares of Common Stock that are exercisable within 60 days and are also held by MAB, LLC. Mehren is the manager of MAB, LLC and in that capacity has sole voting and dispositive power with respect to the shares held by it. Mehren disclaims beneficial ownership of these securities except to the extent of his pecuniary interest therein, and the inclusion of these shares in this report shall not be deemed an admission of beneficial ownership of all of the reported shares for purposes of Section 16 or for any other purpose.

CUSIP No. 00430H 102

(b) See Item 5(a) above.

(c) See Item 3 above. Other than as set forth therein, no transactions in shares of Common Stock have been effected by Mehren within the past 60 days.

(d) See Item 5(a) above.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The members and managers of Abeja, including Mehren, have entered into a customary Limited Liability Company Agreement that governs the management and operations of Abeja. Among other things, Abeja's Limited Liability Company Agreement contains certain rights and obligations of the managers with respect to the voting and disposition of the securities held by Abeja, as well as limitations on the members' ability to transfer their membership interests in Abeja.

Except as otherwise described in this Schedule 13D, no contracts, arrangements, understandings or relationships (legal or otherwise) exist between Mehren and any other person with respect to any securities of the Company, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies. The securities referenced herein have not been pledged and are not otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over any securities.

Item 7. Material to be Filed as Exhibits

Not applicable.
