PROXY STATEMENT

2005 ANNUAL MEETING OF STOCKHOLDERS

China Automotive Systems, Inc. (the "Company") is furnishing this proxy statement and the enclosed proxy in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on June 28, 2005, at 10 am local time, at Conference Room 3106-3108, Heller Ehrman LLP, 333 Bush Street, San Francisco, California 94104, and at any adjournments thereof (the "Annual Meeting"). These materials are being mailed to stockholders on or about June 2, 2005.

Only holders of the Company's common stock as of the close of business on May 31, 2005 (the "Record Date") are entitled to vote at the Annual Meeting. Stockholders who hold shares of the Company in "street name" may vote at the Annual Meeting only if they hold a valid proxy from their broker. As of the Record Date, there were 22,574,542 shares of common stock outstanding.

A majority of the outstanding shares of common stock entitled to vote at the Annual Meeting must be present in person or by proxy in order for there to be a quorum at the meeting. Stockholders of record who are present at the meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

meeting, will be included in the number of stockholders present at the meeting for purposes of determining whether a quorum is present.

Each stockholder of record is entitled to one vote at the Annual Meeting for each share of common stock held by such stockholder on the Record Date. Stockholders do not have cumulative voting rights. Stockholders may vote their shares by using the proxy card enclosed with this proxy statement. All proxy cards received by the Company which are properly signed and have not been revoked will be voted in accordance with the instructions contained in the proxy cards. If a signed proxy card is received which does not specify a vote or an abstention, the shares represented by that proxy card will be voted for the nominees to the Board of Directors listed on the proxy card and in this proxy statement, for approval of the adoption of the 2004 Stock Option Plan (the "Plan"), including prior stock option grants to certain outside directors, and for the ratification of the appointment of Schwartz Levitsky Feldman LLP as the Company's independent auditors for the fiscal year ending December 31, 2005. The Company is not aware, as of the date hereof, of any matters to be voted upon at the Annual Meeting other than those stated in this proxy statement and the accompanying Notice of Annual Meeting of Stockholders. If any other matters are properly brought before the Annual Meeting, the enclosed proxy card gives discretionary authority to the persons named as proxies to vote the shares represented by the proxy card in their discretion.

Under Delaware law and the Company's Certificate of Incorporation and Bylaws, if a quorum exists at the meeting, the affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For shares held in "street name" through a broker or other nominee, the broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if stockholders do not give their broker or nominee specific instructions, their shares may not be voted on those matters and will not be

C-1

counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

A stockholder of record may revoke a proxy at any time before it is voted at the Annual Meeting by (a) delivering a proxy revocation or another duly executed proxy bearing a later date to the Secretary of the Company at No. 1 Henglong Road, Yu Qiao Development Zone, Shashi District, Jing Zhou City, Hubei Province, People's Republic of China, or (b) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not revoke a proxy unless the stockholder actually votes in person at the meeting.

The proxy card accompanying this proxy statement is solicited by the Board of Directors of the Company. The Company will pay all of the costs of soliciting proxies. In addition to solicitation by mail, officers, directors and

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

employees of the Company may solicit proxies personally, or by telephone, without receiving additional compensation. The Company, if requested, will also pay brokers, banks and other fiduciaries who hold shares of Common Stock for beneficial owners for their reasonable out-of-pocket expenses of forwarding these materials to stockholders.

DIRECTOR NOMINATION

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the nominating/corporate governance committee (the "nominating/corporate governance committee") considers the appropriate balance

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

of experience, skills and characteristics required of the Board of Directors, and seeks to insure that at least three directors are independent under the rules of the Nasdaq Stock Market, and that members of the Company's audit committee meet the financial literacy and sophistication requirements under the rules of the Nasdaq Stock Market and at least one of them qualifies as an "audit committee financial expert" under the rules of the Securities and Exchange Commission. Nominees for director are selected on the basis of their depth and breadth

C-3

of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties.

Stockholder Nominees. The nominating/corporate governance committee will consider written proposals from stockholders for nominees for director. Any such nominations should be submitted to the nominating/corporate governance committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, "Stockholder Proposals for 2005 Annual Meeting" below.

Process for Identifying and Evaluating Nominees. The nominating/corporate governance committee believes the company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the nominating/corporate governance committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual stockholder meetings, the nominating/corporate governance committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, senior management of the company and, if the nominating/corporate governance committee deems appropriate, a third-party search firm. The nominating/corporate governance committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the nominating/corporate governance committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the nominating/corporate governance committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate.

The Company has never received a proposal from a stockholder to nominate a director. Although the nominating/corporate governance committee has not adopted a formal policy with respect to stockholder nominees, the committee expects that the evaluation process for a stockholder nominee would be similar to the process outlined above.

Board Nominees for the 2005 Annual Meeting. Each of the nominees listed

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

in this proxy statement are current directors standing for re-election.

DIRECTOR COMPENSATION

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective August 2, 2003, the Company entered into a five-year License and Technical Assistance Agreement (the "License Agreement") with Sino-American, Inc. ("Sino-American"), a United States company controlled by the Company's chairman and controlling shareholder. The License Agreement provided for total

C-6

payments of \$6,000,000 to enable Sino-American to purchase technical assistance and equipment for use in the Company's business operations in China. During November 2003, \$2,000,000 was paid by the Company to Sino-American, which has been classified as advance payments in the consolidated balance sheet at December 31, 2003 and 2004, net of amounts expended through such date. The License Agreement also allowed the Company to transfer funds from China to the United States to fund normal corporate general and administrative expenses. Through December 31, 2004, Sino-American had paid, on behalf of or for the

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

benefit of the Company, a total of \$1,931,105, including a \$250,000 initial investment in a joint venture with an unrelated party, \$255,000 for equipment and \$180,000 for software to unrelated third parties, \$250,000 to the Company's chairman and controlling shareholder as reimbursement for costs incurred by him related to the March 2003 recapitalization, and \$996,105 for selling, general and administrative expenses for the benefit of or on behalf of the Company. As the License Agreement was terminated effective April 1, 2004, the unexpended funds were repaid to the Company subsequent to that date or continue to be used to pay normal operating expenses on behalf of the Company. The \$250,000 reimbursement to the chairman and controlling shareholder was recorded as a charge to operations during the three months ended March 31, 2003.

Effective August 31, 2004, in order to concentrate on its main products, namely steering and automotive parts, the Company disposed of its 51% interest in Jingzhou by entering into an equity exchange agreement (the "Exchange Agreement") with Hubei Wanlong Investment Co., Ltd ("Hubei Wanlong"), which is controlled by the Company's chairman and controlling shareholder. Pursuant to the Exchange Agreement, the 51% equity interest in Jingzhou owned by Ji Long was exchanged for 2.5% of Hubei Wanlong's equity interests in Henglong based on their respective fair market values as determined by an independent appraisal firm. The difference between the fair value and the book value resulting from the disposition of the joint venture interest in Jingzhou was debited to additional paid-in capital. With respect to consideration paid by the Company in excess of the chairman and controlling shareholder's basis in his investment, such excess has been charged to additional paid-in capital as a distribution to the chairman and controlling shareholder, resulting in the acquired 2.5% equity interests in Henglong being recorded by the Company at the chairman and controlling shareholder's original cost basis. The Company paid approximately \$90,000 to Hubei Wanlong in conjunction with this transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and SEC rules, the Company's directors, executive officers and beneficial owners of more than 10% of any class of equity security are required to file periodic reports of their ownership, and changes in that ownership, with the SEC. Based solely on its review of copies of these reports and representations of such reporting persons, the Company believes that during fiscal year 2004, such SEC filing requirements were satisfied.

AUDIT COMMITTEE'S PRE-APPROVAL POLICY

During fiscal years ended December 31, 2003 and 2004, the Audit Committee of the Board of Directors adopted policies and procedures for the pre-approval of all audit and non-audit services to be provided by the

Company's independent auditor and for the prohibition of certain services from being provided by the independent auditor. The Company may not engage the Company's independent auditor to render any audit or non-audit service unless the service is approved in advance by the Audit Committee or the engagement to render the service is entered into pursuant to the Audit Committee's pre-approval policies and procedures. On an annual basis, the Audit Committee may pre-approve services that are expected to be provided to the Company by the independent auditor during the fiscal year. At the time such pre-approval is granted, the Audit Committee specifies the pre-approved services and establishes a monetary limit with respect to each particular pre-approved service, which limit may not be exceeded without obtaining further pre-approval under the policy. For any pre-approval, the Audit Committee considers whether such services are consistent with the rules of the Securities and Exchange Commission on auditor independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE ADOPTION OF THE 2004 STOCK OPTION PLAN, INCLUDING THE PRIOR STOCK OPTION GRANTS TO CERTAIN OUTSIDE DIRECTORS.

SUMMARY OF THE 2004 STOCK OPTION PLAN

A copy of the Plan is attached to this proxy statement as Appendix A. The following is a summary of the principal provisions of the plan. The summary is not necessarily complete, and reference is made to the full text of the Plan attached as an exhibit to this proxy statement. Capitalized terms used, but not defined herein, shall have the same meaning as set forth in the Plan.

General. A total of 2,200,000 shares of Common Stock has been reserved for issuance under the Plan. The Plan provides for grants to Employees and Consultants of the Company (including officers and directors) and any subsidiary of the Company. The purposes of the Plan are to attract and retain the best available personnel, to give Employees and Consultants (including officers and directors) of the Company a personal stake in the success of the Company's business, to provide additional incentive to the Employees and Consultants (including officers and directors) of the Company and to promote the success of the Company's business.

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

Administration. The Plan shall be administered by the Board or a committee of the Board to which administration is delegated. Such Administrator has broad authority to determine the terms of the options granted, including the exercise price, the number of shares subject to each option and the exercisability of the option. The Administrator also has the full power to select the individuals to whom options will be granted and to make any combination of grants to any participants.

Securities to be Purchased. The security to be purchased under the Plan is Common Stock, US\$0.0001 par value, of the Company.

Eligibility. The Plan provides that incentive stock options may be granted only to Employees (including officers and employee Directors) of the Company or any subsidiary of the Company, while nonstatutory stock options may be granted not only to Employees (including officers and employee Directors), but also Consultants (including non-employee Directors) of the Company or any Subsidiary of the Company.

Terms and Conditions of Options. Each option is evidenced by a stock option agreement between the Company and the optionee, and is subject to the following terms and conditions:

Exercise of the Option. The Administrator determines when options may be exercised. Generally, options may be exercised as to shares subject thereto only as the optionee vests in such shares. An option is exercised by giving written notice of exercise to the Company specifying the number of full shares of Common Stock to be purchased and by tendering of payment of the purchase price. The purchase price of the shares purchased upon exercise of an option shall be paid in consideration of such form as is determined by the Administrator.

Exercise Price and Consideration. The exercise price for ISOs granted under the Plan may not be less than 100% of the fair market value of the Common Stock on the date of grant. The exercise price of NQO's granted under the Plan may not be less than 85% of the fair market value on the date the option is granted. In the case of an

C-11

ISO granted to a person who at the time of the grant owns stock representing more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary, the option exercise price for each share covered by such option may not be less than 110% of the fair market value of a share of Common Stock on the date of grant of such option. The Administrator of the 2004 Stock Option Plan determines the fair market value of the Common Stock.

Term of Options. The term of an option is determined by the specific option agreement. No option granted under the Plan may have a term of more than 10 years. Furthermore, the maximum term for an ISO granted to an optionee who immediately before the grant of such option owns more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary is five years. No option may be exercised by any person after its term expires.

Option Not Transferable. Generally, options are not nontransferable by the optionee other than by will or the laws of descent and distribution and an option is exercisable during the optionee's lifetime only by the optionee and in the event of the optionee's death, by a person who acquires the right to exercise the option by bequest or inheritance or by reason of the death of the optionee.

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

Corporate Transaction. In the event of a Corporate Transaction, an outstanding option will be assumed or an equivalent option substituted by the successor corporation to the Company or its business, unless such successor corporation refuses to assume or substitute the option, in which case the option shall terminate.

Other Provisions. The option agreement may contain other terms, provisions and conditions as may be determined by the Administrator as long as they are consistent with the Plan.

Adjustments upon Changes in Capitalization; Liquidation or Dissolution of Company. In the event any change such as a stock split or dividend is made in the Company's capitalization (or any other similar transaction occurs) that results in an increase or decrease in the number of outstanding shares of Common Stock without receipt of consideration by the Company, appropriate adjustment shall be made in the exercise price and in the number of shares subject to each option, as well as in the number of shares available for issuance under the Plan. In the event of the proposed dissolution or liquidation of the Company, each option will terminate immediately prior to the consummation of such proposed action unless otherwise provided by the Administrator.

Amendment and Termination of the Plan. The Board may amend the Plan at any time or may terminate it without approval of the stockholders, except that stockholder approval will be obtained in connection with any amendment if required by the Applicable Laws (including any approval obtained to ensure that options granted under the Plan qualify as ISOs). However, no action by the Board or stockholders may materially and adversely affect any option previously granted under the Plan, unless mutually agreed otherwise between the optionee and the Board in a writing signed by the optionee and the Company. The Plan shall terminate after ten years from the date of adoption of the Plan. Any options outstanding at that time under the Plan shall remain outstanding until they expire under their own terms.

Condition Upon Issuance of Shares. The Company is under no obligation, and will incur no liability for failure, to issue any shares under the Plan if it cannot do so in compliance with all applicable laws (including applicable securities laws). The Company is also under no obligation, and will incur no liability for failure, to issue any shares under the Plan unless the optionee has satisfied all applicable tax withholding obligations arising in connection with the grant, vesting or exercise of the option, or disposition of option shares following exercise.

Material U.S. Federal Income Tax Consequences. The following is a brief summary of the U.S. federal income tax consequences of transactions under the Plan based on U.S. federal securities and income tax laws in effect as of the date of this proxy statement (which laws could change at any time hereafter). This summary assumes that all options granted under the Plan have a per-share exercise price equal to 100% of the fair market value of the Common Stock on the date the option is granted, and that all options may be exercised only as to already-vested shares. This summary is not intended to be exhaustive or complete.

C-12

Options granted under Plan may be either "incentive stock options," as defined in Section 422 of the Code, or nonstatutory options.

If an option granted under the Plan is an incentive stock option, the optionee will recognize no income upon grant of the incentive stock option and incur no regular tax liability upon its exercise, although the exercise of an

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

incentive stock option may give rise to alternative minimum tax. The Company will not be allowed a deduction for federal income tax purposes as result of the exercise of an incentive stock option regardless of the applicability of the alternative minimum tax. Upon the sale or exchange of the shares more than two years after grant of the option and more than one year after exercise of the shares by the optionee, any gain will be treated as long-term capital gain. If both of these holding periods are not satisfied (a "disqualifying disposition"), the optionee will recognize ordinary income equal to the (i) the lesser of the fair market value of the shares at the time of exercise or the sale price, over (ii) the exercise price for the shares. In the event of a disqualifying disposition of ISO shares, the Company will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain recognized on such a disqualifying disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term capital gain if the sale occurs more than one year after exercise of the option or as short-term capital gain if the sale is made earlier.

All other options which do not qualify as incentive stock options are referred to as nonstatutory stock options. An optionee will not recognize any taxable income under U.S. tax laws at the time he or she is granted a nonstatutory stock option. However, upon its exercise, under U.S. tax laws the optionee will recognize ordinary income for tax purposes measured by the excess of the then fair market value of the shares over the exercise price. The income recognized by an optionee who is also an employee of the Company will be subject to income and employment tax withholding by the Company by payment in cash or out of the current earnings paid to the optionee. The optionee is required to satisfy any applicable withholding tax obligations incurred in connection with such exercise. Upon sale of such shares by the optionee, any difference between the sales price and the exercise price, to the extent not recognized as ordinary income as provided above, will be treated as capital gain or loss, and will qualify for long-term capital gain or loss treatment if the shares have been held for more than one year.

Prior to the first quarter of fiscal 2006, options granted to employees under the Plan that have fixed exercise prices that are equal to or greater than the fair value per share on the grant date and that have a fixed number of shares associated with the option will generally not result in any direct charge to the Company's reported earnings under current accounting rules. However, the fair value of those options is required to be disclosed in the notes to the Company's financial statements, and the Company also must disclose, in the notes to its financial statements, the pro forma impact those options would have upon the Company's reported earnings and earnings per share were the fair value of those options at the time of grant treated as a compensation expense over the life of the option.

Beginning with the first quarter of fiscal 2006 (assuming that the stated effective date for FAS 123R is not amended), the Company will generally be required to recognize compensation expense in an amount equal to the fair value on the date of grant of all stock options that are unvested as of or after such period. The fair value of an option will be based on the number of shares subject to the option that are expected to vest. The Company will use either Black-Scholes or a binomial valuation model to measure fair value of option grants. In addition, the Company will be required to recognize compensation expense for options as they vest, as adjusted for actual forfeitures that occur before vesting but not adjusted for any previously recognized compensation cost if an option lapses unexercised.

(b) TYPE OF OPTION. Each Option shall be designated in the Option Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option.

(c) ISO \$100,000 LIMITATION. Notwithstanding any designation under Section 5(b), to the extent that the aggregate Fair Market Value of Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Optionee during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 5(c), Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares subject to an Incentive Stock Option shall be determined as of the date of the grant of such Option.

(d) NO EMPLOYMENT RIGHTS. The Plan shall not confer upon any Participant any right with respect to continuation of an employment or consulting relationship with the Company, nor shall it interfere in any way with such Participant's right or the Company's right to terminate the employment or consulting relationship at any time, for any reason.

6. TERM OF PLAN. The Plan shall become effective upon its adoption by the Board of Directors. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 15 of the Plan.

7. TERM OF OPTION. The term of each Option shall be the term stated in the Option Agreement; provided that the term shall be no more than ten years from the date of grant thereof or such shorter term as may be provided in the Option Agreement and provided further that, in the case of an Incentive Stock Option granted to a person who at the time of such grant is a Ten Percent Holder, the term of the Option shall be five years from the date of grant thereof or such shorter term as may be provided in the Option Agreement.

9. OPTION EXERCISE PRICE AND CONSIDERATION.

(a) EXERCISE PRICE. The per Share exercise price for the Shares to be issued pursuant to exercise of an Option shall be such price as is determined by the Administrator and set forth in the Option Agreement, but shall be subject to the following:

(i) In the case of an Incentive Stock Option

A) granted to an Employee who at the time of grant is a Ten Percent Holder, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant; or

(b) granted to any other Employee, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(c) In the case of a Nonstatutory Stock Option, the per Share exercise price shall be no less than 85% of the Fair Market Value per Share on the date of grant.

(d) Notwithstanding the foregoing, Options may be granted with a per Share exercise price other than as required above pursuant to a merger or other corporate transaction.

(b) PERMISSIBLE CONSIDERATION. The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant) and may consist entirely of (1) cash; (2) check; (3) cancellation of indebtedness; (4) other Shares that have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which the Option is exercised, provided that in the case of Shares acquired, directly or indirectly, from the Company, such Shares must have been owned by the Optionee for more than six months on the date of surrender (or such other period as may be required to avoid the Company's incurring an adverse accounting charge); (5) if, as of the date of exercise of an Option the Company then is permitting employees to engage in a "same-day sale" cashless brokered exercise program involving one or more brokers, through such a program that complies with the Applicable Laws (including without limitation the requirements of Regulation T and other applicable regulations promulgated by the Federal Reserve Board) and that ensures prompt delivery to the company of the amount required to pay the exercise price and any applicable withholding taxes; or (6) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit the Company and the Administrator may, in its

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

sole discretion, refuse to accept a particular form of consideration at the time of any Option exercise.

10. EXERCISE OF OPTION.

(a) GENERAL.

(i) EXERCISABILITY. Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Administrator, consistent with the term of the Plan and reflected in the Option Agreement, including vesting requirements and/or performance criteria with respect to the Company and/or the Optionee.

(ii) LEAVE OF ABSENCE. The Administrator shall have the discretion to determine whether and to what extent the vesting of Options shall be tolled during any unpaid leave of absence; provided, however, that in the absence of such determination, vesting of Options shall be tolled during any such unpaid leave (unless otherwise required by the Applicable Laws). In the event of military leave, vesting shall toll during any unpaid portion of such leave, provided that, upon a Participant's returning from military leave (under conditions that would entitle him or her to protection upon such return under the Uniform Services Employment and Reemployment Rights Act), he or she shall be given vesting credit with respect to Options to the same extent as would have applied had the Participant continued to provide services to the Company throughout the leave on the same terms as he or she was providing services immediately prior to such leave.

-7-

(iii) MINIMUM EXERCISE REQUIREMENTS. An Option may not be exercised for a fraction of a Share. The Administrator may require that an Option be exercised as to a minimum number of Shares, provided that such requirement shall not prevent an Optionee from exercising the full number of Shares as to which the Option is then exercisable.

(iv) PROCEDURES FOR AND RESULTS OF EXERCISE. An Option shall be deemed exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and the Company has received full payment for the Shares with respect to which the Option is exercised. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Section 9(b) of the Plan, provided that the Administrator may, in its sole discretion, refuse to accept any form of consideration at the time of any Option exercise. Exercise of an Option in any manner shall result in a decrease in the number of Shares that thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(v) RIGHTS AS STOCKHOLDER. Until the issuance of the Shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 13 of the Plan.

(b) TERMINATION OF EMPLOYMENT OR CONSULTING RELATIONSHIP. Except as otherwise set forth in this Section 10(b), the Administrator shall establish and set forth in the applicable Option Agreement the terms and conditions upon which an Option shall remain exercisable, if at all, following termination of an

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

Optionee's Continuous Service Status, which provisions may be waived or modified by the Administrator at any time. Unless the Administrator otherwise provides in the Option Agreement, to the extent that the Optionee is not vested in Optioned Stock at the date of termination of his or her Continuous Service Status, or if the Optionee (or other person entitled to exercise the Option) does not exercise the Option to the extent so entitled within the time specified in the Option Agreement or below (as applicable), the Option shall terminate and the Optioned Stock underlying the unexercised portion of the Option shall revert to the Plan. In no event may any Option be exercised after the expiration of the Option term as set forth in the Option Agreement (and subject to Section 7).

The following provisions (1) shall apply to the extent an Option Agreement does not specify the terms and conditions upon which an Option shall terminate upon termination of an Optionee's Continuous Service Status, and (2) establish the minimum post-termination exercise periods that may be set forth in an Option Agreement:

(i) TERMINATION OTHER THAN UPON DISABILITY OR DEATH. In the event of termination of Optionee's Continuous Service Status other than under the circumstances set forth in subsections (ii) through (iv) below, such Optionee may exercise an Option for 30 days following such termination to the extent the Optionee was vested in the Optioned Stock as of the date of such termination. No termination shall be deemed to occur and this Section 10(b)(i) shall not apply if (i) the Optionee is a Consultant who becomes an Employee, or (ii) the Optionee is an Employee who becomes a Consultant.

(ii) DISABILITY OF OPTIONEE. In the event of termination of an Optionee's Continuous Service Status as a result of his or her disability (including a disability within the meaning of Section 22(e)(3) of the Code), such Optionee may exercise an Option at any time within six months following such termination to the extent the Optionee was vested in the Optioned Stock as of the date of such termination.

(iii) DEATH OF OPTIONEE. In the event of the death of an Optionee during the period of Continuous Service Status since the date of grant of the Option, or within thirty days following termination of Optionee's Continuous Service Status, the Option may be exercised by Optionee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance at any time within twelve months following the date of death, but only to the extent the Optionee was vested in the Optioned Stock as of the date of death or, if earlier, the date the Optionee's Continuous Service Status terminated.

-8-

(c) BUYOUT PROVISIONS. The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted under the Plan based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

11. TAXES.

(a) As a condition of the grant, vesting or exercise of an Option granted under the Plan, the Participant (or in the case of the Participant's death, the person exercising the Option) shall make such arrangements as the Administrator may require for the satisfaction of any applicable federal, state, local or foreign withholding tax obligations that may arise in connection with such grant, vesting or exercise of the Option or the issuance of Shares. The Company shall not be required to issue any Shares under the Plan until such obligations are satisfied. If the Administrator allows the withholding or surrender of Shares to satisfy a Participant's tax withholding obligations under

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

this Section 11 (whether pursuant to Section 11(c), (d) or (e), or otherwise), the Administrator shall not allow Shares to be withheld in an amount that exceeds the minimum statutory withholding rates for federal and state tax purposes, including payroll taxes.

(b) In the case of an Employee and in the absence of any other arrangement, the Employee shall be deemed to have directed the Company to withhold or collect from his or her compensation an amount sufficient to satisfy such tax obligations from the next payroll payment otherwise payable after the date of an exercise of the Option.

(c) In the case of Participant other than an Employee (or in the case of an Employee where the next payroll payment is not sufficient to satisfy such tax obligations, with respect to any remaining tax obligations), in the absence of any other arrangement and to the extent permitted under the Applicable Laws, the Participant shall be deemed to have elected to have the Company withhold from the Shares to be issued upon exercise of the Option that number of Shares having a Fair Market Value determined as of the applicable Tax Date (as defined below) equal to the amount required to be withheld. For purposes of this Section 11, the Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined under the Applicable Laws (the "Tax Date").

(d) If permitted by the Administrator, in its discretion, a Participant may satisfy his or her tax withholding obligations upon exercise of an Option by surrendering to the Company Shares that have a Fair Market Value determined as of the applicable Tax Date equal to the amount required to be withheld. In the case of shares previously acquired from the Company that are surrendered under this Section 11(d), such Shares must have been owned by the Participant for more than six (6) months on the date of surrender (or such other period of time as is required for the Company to avoid adverse accounting charges).

(e) Any election or deemed election by a Participant to have Shares withheld to satisfy tax withholding obligations under Section 11(c) or (d) above shall be irrevocable as to the particular Shares as to which the election is made and shall be subject to the consent or disapproval of the Administrator. Any election by a Participant under Section 11(d) above must be made on or prior to the applicable Tax Date.

(f) In the event an election to have Shares withheld is made by a Participant and the Tax Date is deferred under Section 83 of the Code because no election is filed under Section 83(b) of the Code, the Participant shall receive the full number of Shares with respect to which the Option is exercised but such Participant shall be unconditionally obligated to tender back to the Company the proper number of Shares on the Tax Date.

12. NON-TRANSFERABILITY OF OPTIONS.

(a) GENERAL. Except as set forth in this Section 12, Options may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution. The designation of a beneficiary by an Optionee will not constitute a transfer. An Option may be exercised, during the lifetime of the holder of an Option, only by such holder or a transferee permitted by this Section 12.

(b) LIMITED TRANSFERABILITY RIGHTS. Notwithstanding anything else in this Section 12, the Administrator may in its discretion grant Nonstatutory Stock Options that may be transferred by instrument to an inter vivos or testamentary trust in which the Options are to be passed to beneficiaries upon the death of

-9-

the trustor (settlor) or by gift or pursuant to domestic relations orders to "Immediate Family Members" (as defined below) of the Optionee. "Immediate Family" means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law (including adoptive relationships), a trust in which these persons have more than fifty percent of the beneficial interest, a foundation in which these persons (or the Optionee) control the management of assets, and any other entity in which these persons (or the Optionee) own more than fifty percent of the voting interests.

13. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, MERGER OR CERTAIN OTHER TRANSACTIONS.

(a) CHANGES IN CAPITALIZATION. Subject to any action required under Applicable Laws by the stockholders of the Company, the number of Shares of Common Stock covered by each outstanding Option, and the number of Shares of Common Stock that have been authorized for issuance under the Plan but as to which no Options have yet been granted or that have been returned to the Plan upon cancellation or expiration of an Option, as well as the price per Share of Common Stock covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued Shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination, recapitalization or reclassification of the Common Stock, or any other increase or decrease in the number of issued Shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares of Common Stock subject to an Option.

(b) DISSOLUTION OR LIQUIDATION. In the event of the dissolution or liquidation of the Company, each Option will terminate immediately prior to the consummation of such action, unless otherwise determined by the Administrator.

(c) CORPORATE TRANSACTION. In the event of a Corporate Transaction (including without limitation a Change of Control), each outstanding Option shall be assumed or an equivalent option or right shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation (the "Successor Corporation"), unless the Successor Corporation does not agree to assume the award or to substitute an equivalent option or right, in which case such Option shall terminate upon the consummation of the transaction.

For purposes of this Section 13(c), an Option shall be considered assumed, without limitation, if, at the time of issuance of the stock or other consideration upon a Corporate Transaction or a Change of Control, as the case may be, each holder of an Option would be entitled to receive upon exercise of the award the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the transaction if the holder had been, immediately prior to such transaction, the holder of the number of Shares of Common Stock covered by the award at such time (after giving effect to any adjustments in the number of Shares covered by the Option as provided for in this Section 13); provided that if such consideration received in the transaction is not solely common stock of the Successor Corporation, the Administrator may, with the consent of

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

the Successor Corporation, provide for the consideration to be received upon exercise of the award to be solely common stock of the Successor Corporation equal to the Fair Market Value of the per Share consideration received by holders of Common Stock in the transaction.

(d) CERTAIN DISTRIBUTIONS. In the event of any distribution to the Company's stockholders of securities of any other entity or other assets (other than dividends payable in cash or stock of the Company) without receipt of consideration by the Company, the Administrator may, in its discretion, appropriately adjust the price per Share of Common Stock covered by each outstanding Option to reflect the effect of such distribution.

14. TIME OF GRANTING OPTIONS. The date of grant of an Option shall, for all purposes, be the date on which the Administrator makes the determination granting such Option, or such other date as is determined by the Administrator, provided that in the case of any Incentive Stock Option, the grant date shall be the later of

-10-

the date on which the Administrator makes the determination granting such Incentive Stock Option or the date of commencement of the Optionee's employment relationship with the Company. Notice of the determination shall be given to each Employee or Consultant to whom an Option is so granted within a reasonable time after the date of such grant.

15. AMENDMENT AND TERMINATION OF THE PLAN.

(a) AUTHORITY TO AMEND OR TERMINATE. The Board may at any time amend, alter, suspend or discontinue the Plan, but no amendment, alteration, suspension or discontinuation (other than an adjustment pursuant to Section 13 above) shall be made that would materially and adversely affect the rights of any Optionee under any outstanding grant, without his or her consent. In addition, to the extent necessary and desirable to comply with the Applicable Laws, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) EFFECT OF AMENDMENT OR TERMINATION. Except as to amendments which the Administrator has the authority under the Plan to make unilaterally, no amendment or termination of the Plan shall materially and adversely affect Options already granted, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee or holder and the Company.

16. CONDITIONS UPON ISSUANCE OF SHARES. Notwithstanding any other provision of the Plan or any agreement entered into by the Company pursuant to the Plan, the Company shall not be obligated, and shall have no liability for failure, to issue or deliver any Shares under the Plan unless such issuance or delivery would comply with the Applicable Laws, with such compliance determined by the Company in consultation with its legal counsel. As a condition to the exercise of an Option, the Company may require the person exercising the award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by law.

17. RESERVATION OF SHARES. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

18. AGREEMENTS. Options shall be evidenced by Option Agreements in such form(s) as the Administrator shall from time to time approve.

19. STOCKHOLDER APPROVAL. If required by the Applicable Laws, continuance of the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under the Applicable Laws.

STOCK OPTION PLAN

STOCK OPTION AGREEMENT

1. GRANT OF OPTION. China Automotive Systems, Inc., a Delaware corporation (the "Company"), hereby grants to "Merge Record #" ("Optionee"), an option (the "Option") to purchase the total number of shares of Common Stock (the "Shares") set forth in the Notice of Stock Option Grant (the "Notice"), at the exercise price per Share set forth in the Notice (the "Exercise Price") subject to the terms, definitions and provisions of the China Automotive Systems, Inc. Stock Option Plan (the "Plan") adopted by the Company, which is incorporated in this Agreement by reference. Unless otherwise defined in this Agreement, the terms used in this Agreement shall have the meanings defined in the Plan. This Stock Option Agreement shall be deemed executed by the Company and Optionee upon execution by such parties of the Notice.

2. DESIGNATION OF OPTION. This Option is intended to be an Incentive Stock Option as defined in Section 422 of the Code only to the extent so designated in the Notice, and to the extent it is not so designated or to the

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

extent the Option does not qualify as an Incentive Stock Option, it is intended to be a Nonstatutory Stock Option.

Notwithstanding the above, if designated as an Incentive Stock Option, in the event that the Shares subject to this Option (and all other Incentive Stock Options granted to Optionee by the Company or any Parent or Subsidiary, including under other plans of the Company) that first become exercisable in any calendar year have an aggregate fair market value (determined for each Share as of the date of grant of the option covering such Share) in excess of \$100,000, the Shares in excess of \$100,000 shall be treated as subject to a Nonstatutory Stock Option, in accordance with Section 5(c) of the Plan.

3. EXERCISE OF OPTION. This Option shall be exercisable during its term in accordance with the Vesting/Exercise Schedule set out in the Notice and with the provisions of Section 10 of the Plan as follows:

(a) RIGHT TO EXERCISE.

(i) This Option may not be exercised for a fraction of a share.

(ii) In the event of Optionee's death, disability or other termination of employment, the exercisability of the Option is governed by Section 5 below, subject to the limitations contained in this Section 3.

(iii) In no event may this Option be exercised after the Expiration Date of the Option as set forth in the Notice.

(b) METHOD OF EXERCISE.

(i) This Option shall be exercisable by delivering to the Company a written notice of exercise (in the form attached as Exhibit A or in any other form of notice approved by the Plan Administrator) which shall state Optionee's election to exercise the Option, the number of Shares in respect of which the Option is being exercised, and such other representations and agreements as to the holder's investment intent with respect to such Shares as may be required by the Company pursuant to the provisions of the Plan. Such written notice shall be signed by Optionee and shall be delivered to the Company by such means as are determined by the Plan Administrator in its discretion to constitute adequate delivery. The written notice shall be accompanied by payment of the Exercise Price. This Option shall be deemed to be exercised upon receipt by the Company of such written notice accompanied by the Exercise Price.

(ii) As a condition to the exercise of this Option and as further set forth in Section 12 of the Plan, Optionee agrees to make adequate provision for federal, state or other tax withholding obligations, if any, which arise upon the vesting or exercise of the Option, or disposition of Shares, whether by withholding, direct payment to the Company, or otherwise.

(iii) The Company is not obligated, and will have no liability for failure, to issue or deliver any Shares upon exercise of the Option unless such issuance or delivery would comply with the Applicable Laws, with such compliance determined by the Company in consultation with its legal counsel. This Option may not be exercised until such time as the Plan has been approved by the stockholders of the Company, or if the issuance of such Shares upon such exercise or the method of payment of consideration for such shares would constitute a violation of any applicable federal or state securities or other law or regulation, including any rule under Part 221 of Title 12 of the Code of Federal Regulations as promulgated by the Federal Reserve Board. As a condition to the exercise of this Option, the Company may require Optionee to make any

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

representation and warranty to the Company as may be required by the Applicable Laws. Assuming such compliance, for income tax purposes the Shares shall be considered transferred to Optionee on the date on which the Option is exercised with respect to such Shares.

4. METHOD OF PAYMENT. Payment of the Exercise Price shall be by any of the following, or a combination of the following, at the election of Optionee:

(a) cash or check; or

(b) delivery of a properly executed exercise notice together with irrevocable instructions to a broker approved by the Company to deliver promptly to the Company the amount of sale or loan proceeds required to pay the exercise price.

5. TERMINATION OF RELATIONSHIP. Following the date of termination of Optionee's Continuous Service Status for any reason (the "Termination Date"), Optionee may exercise the Option only as set forth in the Notice and this Section 5. To the extent that Optionee is not entitled to exercise this Option as of the Termination Date, or if Optionee does not exercise this Option within the Termination Period set forth in the Notice or the termination periods set forth below, the Option shall terminate in its entirety. In no event, may any Option be exercised after the Expiration Date of the Option as set forth in the Notice.

(a) TERMINATION. In the event of termination of Optionee's Continuous Service Status other than as a result of Optionee's disability or death, Optionee may, to the extent otherwise so entitled at the date of such termination (the "Termination Date"), exercise this Option during the Termination Period set forth in the Notice.

(b) OTHER TERMINATIONS. In connection with any termination other than a termination covered by Section 5(a), Optionee may exercise the Option only as described below:

(i) TERMINATION UPON DISABILITY OF OPTIONEE. In the event of termination of Optionee's Continuous Service Status as a result of Optionee's disability, Optionee may, but only within twelve months from the Termination Date, exercise this Option to the extent Optionee was entitled to exercise it as of such Termination Date.

(ii) DEATH OF OPTIONEE. In the event of the death of Optionee (a) during the term of this Option and while an Employee or Consultant of the Company and having been in Continuous Service Status since the date of grant of the Option, or (b) within thirty (30) days after Optionee's Termination Date, the Option may be exercised at any time within twelve months following the date of death by Optionee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent Optionee was entitled to exercise the Option as of the Termination Date.

6. NON-TRANSFERABILITY OF OPTION. [EXCEPT AS OTHERWISE SET FORTH IN THE NOTICE,] [T]his Option may not be transferred in any manner otherwise than by will or by the laws of descent or distribution and may be exercised during the lifetime of Optionee only by him or her. The terms of this Option shall be binding upon the executors, administrators, heirs, successors and assigns of Optionee.

7 EFFECT OF AGREEMENT. Optionee acknowledges receipt of a copy of the Plan and represents that he or she is familiar with the terms and provisions thereof (and has had an opportunity to consult counsel regarding the Option terms), and hereby accepts this Option and agrees to be bound by its contractual terms as set forth herein and in the Plan. Optionee hereby agrees to accept as

Edgar Filing: CHINA AUTOMOTIVE SYSTEMS INC - Form DEF 14A

binding, conclusive and final all decisions and interpretations of the Plan Administrator regarding any questions relating to the Option. In the event of a conflict between the terms and provisions of the Plan and the terms and provisions of the Notice and this Agreement, the Plan terms and provisions shall prevail. The Option, including the Plan, constitutes the entire

agreement between Optionee and the Company on the subject matter hereof and supersedes all proposals, written or oral, and all other communications between the parties relating to such subject matter.
