## Slide #1 Forward-Looking Statement

-----

This presentation includes written and oral forward-looking statements that reflect Simmons First's current views with respect to future events and financial performance. Such forward looking statements are subject to certain uncertainties and other factors that may cause actual results to differ materially from the views, beliefs, and projections expressed in such statements. These uncertainties and other factors include, but are not limited to, uncertainties relating to business and economic conditions, the financial services industry, and Simmons First. The words "believe", "expect", "anticipate", "project", and similar expressions signify forward-looking statements. Readers are cautioned not to place undue reliance on any forward-looking statements made by or on behalf of Simmons First. Any such statement speaks only as of the date the statement was made. Simmons First undertakes no obligation to update or revise any forward-looking statements. Additional information with respect to factors that may cause results to differ materially from those contemplated by such forward-looking statements will be included in subsequent filings with the SEC.
