EVOLVE ONE, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

A. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Evolve One, Inc. (the "Company" or "EONE") is a diversified holding company that develops and operates Internet and direct retail marketing companies. The EONE group of companies includes wholly-owned subsidiaries, StogiesOnline.com, Inc. ("Stogies") (www.CigarCigar.com), AlDiscount Perfume, Inc. ("Al Discount Perfume") (WWW.ALDISCOUNTPRODUCTS.COM), and International Internet Venture I, LLC ("Ventures"). The Company previously had majority interests in The BroadcastWeb.com, Inc. ("BroadcastWeb") (www.thebroadcastweb.com) which it sold in 2001 (Note E) and Mr. Cigar, Inc. EONE, through its Ventures division, owns an equity interest in several companies, some of which are classified as trading securities and some of which are classified as available-for-sale securities.

Edgar Filing: EVOLVE ONE INC - Form 10QSB

EONE was incorporated in Delaware on June 21, 1994.

Stogies became an online distributor and retailer of brand name premium cigars within the United States on November 18, 1998. Stogies' products consist of premium cigars, factory brand name seconds and mass market cigars, which are distributed online to retail and wholesale customers.

On September 28, 2001, the Company created a new subsidiary named AlDiscount Perfume, Inc. and in October 2001, launched a new e-commerce site specializing in men's and women's fragrances. The site named AlDiscountProducts.com . is a competitor of other discount as well as full price online retailers of perfume and cologne, and has recently expanded into yoga products, office accessories, and cigar accessories. The site employs the Microsoft / Great Plains eEnterprise system the Company purchased which permits customers to benefit by having direct access to up-to-the-minute information about inventory, pricing, "hot deals" as well as order information. The eEnterprise system allows Al Discount Perfume to inexpensively reach customers anywhere, around the clock.

The financial statements included in this report have been prepared by the Company pursuant to the rules and regulations of the Securities and Exchange Commission for interim reporting and include all adjustments (consisting only of normal recurring adjustments) that are, in the opinion of management, necessary for a fair presentation. These financial statements have not been audited.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations for interim reporting. The Company believes that the disclosures contained herein are adequate to make the information presented not misleading. However, these financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report for the year ended December 31, 2001, which is included in the Company's Form 10-KSB for the year ended December 31, 2001. The financial data for the interim periods presented may not necessarily reflect the results to be anticipated for the complete year. Certain reclassifications of the amounts presented for the comparative period have been made to conform to the current presentation.

New accounting standards

In July 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 141, "Business Combinations." SFAS No. 141 requires the purchase method of accounting for business combinations initiated after June 30, 2001 and eliminates the pooling-of-interests method. The Company believes that the adoption of SFAS No. 141 will not have a significant impact on its financial statements.

In July 2001, the FASB issued SFAS No. 142, "Goodwill and Other Intangible Assets", which is effective for fiscal years beginning after December 15, 2001. SFAS No. 142 requires, among other things, the discontinuance of goodwill amortization. In addition, the standard includes provisions upon adoption for the reclassification of certain existing recognized intangibles such as goodwill, reassessment of the useful lives of existing recognized intangibles, reclassification of certain intangibles out of previously reported goodwill and the testing for impairment of existing goodwill and other intangibles.

In June 2001, the Emerging Issues Task Force ("EITF") issued EITF Issue No. 00-25, "Vendor Income Statement Characterization of Consideration Paid to a Reseller of the Vendor's Products." EITF Issue No. 00-25 addresses whether consideration from a vendor to a reseller is (a) an adjustment of the selling

Edgar Filing: EVOLVE ONE INC - Form 10QSB

prices of the vendor's products and, therefore, should be deducted from revenue when recognized in the vendor's income statement or (b) a cost incurred by the vendor for assets or services received from the reseller and, therefore, should be included as a cost or expense when recognized in the vendor's income statement. The Company adopted EITF Issue No. 00-25 effective January 1, 2002. The adoption of EITF Issue No. 00-25 did not have a material impact on the Company's financial statements.

In August 2001, the FASB issued SFAS No. 143, "Accounting for Asset Retirement Obligations", which provides the accounting requirements for retirement obligations associated with tangible long-lived assets. This statement requires entities to record the fair value of a liability for an asset retirement obligation in the period in which it occurred. This statement is effective for the Company's 2003 fiscal year, and early adoption is permitted. The adoption of SFAS 143 is not expected to have a material impact on the Company's consolidated results of operations, financial position or cash flows.

In October 2001, the FASB issued SFAS No. 144, "Accounting for the Impairment or Disposal of Long Lived Assets", which excludes from the definition of long-lived assets goodwill and other intangibles that are not amortized in accordance with SFAS 142. SFAS 144 requires that long-lived assets to be disposed of by sale be measured at the lower of carrying amount or fair value less cost to sell, whether reported in continuing operations or in discontinued operations. SFAS 144 also expands the reporting of discontinued operations to include components of an entity that have been or will be disposed of rather than limiting such discontinuance to a segment of a business. This statement is effective for the Company's 2003 fiscal year, and early adoption is permitted. The Company is currently evaluating the impact of SFAS 144 to determine the effect, if any, it may have on the Company's consolidated results of operations, financial position or cash flows.

9

In April 2002, the FASB issued Statement No. 145, "Rescission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Correction". This statement eliminates extraordinary accounting treatment for reporting gain or loss on debt extinguishments, and amends other existing authoritative pronouncements to make various technical corrections, clarify meanings, or describe their applicability under changed conditions. The provisions of this statement are effective for the Company with the beginning of fiscal year 2003; however, early application of the statement is encouraged. Debt extinguishments reported as extraordinary items prior to scheduled or early adoption of this statement would be reclassified in most cases following adoption. The Company does not anticipate a significant impact on its results of operations from adopting this statement.

In June 2002, the FASB issued Statement No. 146, "Accounting for Costs Associated with Exit or Disposal Activities". This statement requires recording costs associated with exit or disposal activities at their fair values when a liability has been incurred. Under previous guidance, certain exit costs were accrued upon management's commitment to an exit plan, which is generally before an actual liability has been incurred. Adoption of this statement is required with the beginning of fiscal year 2003. This statement will impact the timing of exit or disposal activities reported by the Company after adoption.

B. MARKETABLE INVESTMENT SECURITIES

SFAS No. 115 "Accounting for Certain Investments in Debt and Equity Securities," requires that all applicable investments be classified as trading securities, available-for-sale securities or held-to-maturity securities. The Company has classified certain of its investments as trading securities, which are reported

Edgar Filing: EVOLVE ONE INC - Form 10QSB

at fair value, which is defined to be the last closing price for the listed securities. The unrealized gains and losses, which the Company recognizes from its trading securities, are included in earnings. The Company also has investments classified as available-for-sale, which are also required to be reported at fair value, with unrealized gains and losses excluded from earnings and reported as a separate component of stockholders' equity (net of the effect of income taxes). Fair value is also defined to be the last closing price for the listed security. Due to the size of certain of the Company's investments and their limited trading volume, there can be no assurance that the Company will realize the value which is required to be used by SFAS No. 115.

The amortized cost of investment securities as shown in the accompanying balance sheet and their estimated market value at September 30, 2002 are as follows:

	2002
Trading securities:	
Cost	\$ 10,572

Edgar Filing: EVOLVE ONE INC - Form 10QSB

known as Goldonline International, Inc. ("SGD"), a holding company primarily engaged in acquiring and developing jewelry related businesses, with a cost of \$108,854 and a closing value on September 30, 2002 of \$1,010,000 (\$.10 per share). The Company's investment represents approximately 10.4% of the outstanding stock of SGD and accordingly the Company is subject to certain restrictions on the number of shares it can sell. The Company classifies 6,159,000 shares of SGD as non-current and 3,941,000 shares of SGD as current, which is approximately the maximum number of shares it could sell within the next 12 months.

12

The Company has provided a valuation allowance on the deferred tax assets because of uncertainty regarding its realization. The increase in the valuation account during the nine months ended September 30, 2002 was \$686,800. Management utilizes tax planning strategies and projected future taxable income in assessing these assets.

E. DISCONTINUED OPERATIONS

On December 14, 2001 the Company entered into a stock purchase agreement with NYCLE Acquisition Corp ("the Purchaser") to sell the Company's interest in BroadcastWeb (an aggregator and broadcaster of streaming media programming on the Web). The Company sold, transferred and assigned to the Purchaser all of its shares of the common stock of BroadcastWeb, represent 1,350 shares of the 1,500 outstanding shares of the common stock of BroadcastWeb. Pursuant to the stock purchase agreement, the Company assumed liability for the outstanding intercompany payable, the Purchaser is not responsible for any outstanding debt, federal, state, and local taxes but is responsible for all vendor payables.

Pursuant to Accounting Principles Board Opinion No. 30, "Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions" ("APB 30"), the Consolidated Financial Statements of EONE have been reclassified to reflect the sale of BroadcastWeb. Accordingly, the revenues, costs and expenses, assets and liabilities, and cash flows of BroadcastWeb have been segregated in the Consolidated Statements of Income, Consolidated Balance Sheets and Consolidated Statements of Cash Flows. The net operating results, net assets and net cash flows of this business have been reported as "Discontinued Operations."

H. SEC COMMUNICATIONS

In a letter dated September 5, 2002, the staff of the Southeast Regional Office (the "Staff") of the Securities and Exchange Commission ("SEC") informed EONE that the Staff intends to recommend that the SEC pursue a federal injunctive action against the Company for violations of the antifraud provisions of the federal securities laws. Since receiving the letter, which did not explain the basis for the Staff's recommendation, the Company has met with the Staff twice to discuss the matter, and has been informed that the potential charges relate to two press releases issued by the Company in March 2000. The Staff has indicated that the Company may submit a written statement explaining why it believes the SEC should not accept the Staff's recommendation, but the Company has determined not to submit such a statement at this time.

The Company has also been informed that the Staff intends to recommend similar charges against EONE's principal shareholders, Herb Tabin and Gary Schultheis, based on the same press releases and transactions in the securities of other companies.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

The following discussion and analysis of the Company's financial condition and results of operations should be read with the condensed consolidated financial statements and related notes contained in this quarterly report on Form 10-QSB ("Form 10-QSB"). All statements other than statements of historical fact included in this Form 10-QSB are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and

Edgar Filing: EVOLVE ONE INC - Form 10QSB

Section 21E of the Securities Exchange Act of 1934. These statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, levels of activity, performance or achievements to be materially different than any expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "continue," or the negative of these terms or other comparable terminology. Important factors that could cause actual results to differ materially from those discussed in such forward-looking statements include: 1. General economic factors including, but not limited to, changes in interest rates and trends in disposable income; 2. Information and technological advances; 3. Cost of products sold; 4. Competition; and 5. Success of marketing, advertising and promotional campaigns. The Company is subject to specific risks and uncertainties related to its business model, strategies, markets and legal and regulatory environment. For a detailed discussion of some of these risks, please see the risk factors included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2001, as filed with the SEC in April 2002. You should carefully review the risks described in this Form

15

10-QSB and in other documents the Company files from time to time with the SEC. You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date of this Form 10-QSB. The Company undertakes no obligation to publicly release any revisions to the forward-looking statements to reflect events or circumstances after the date of this document.

The Company's continuing operations consist of two Internet based businesses Stogies and AlDiscount Perfume. Stogies is an online distributor and retailer of brand name premium cigars within the United States. AlDiscount Perfume is a online retailer of premium perfumes and colognes Stogies became operational in November 1998 and its accounts for substantially all of the sales revenue.

The following discussion and analysis has been restated to reflect the discontinued operation of BroadcastWeb.

CRITICAL ACCOUNTING POLICIES

The Company has identified the policies outlined below as critical to its business operations and an understanding of its results of operations. The listing is not intended to be a comprehensive list of all of the Company's accounting policies. In many cases, the accounting treatment of a particular transaction is specifically dictated by accounting principles generally accepted in the United States, with no need for management's judgment in their application. The impact and any associated risks related to these policies on the Company's business operations is discussed throughout Management's Discussion and Analysis or plan of operations where such policies affect the Company's reported and expected financial results. For a detailed discussion on the application of these and other accounting policies, see the Notes to Consolidated Financial Statements. The Company's preparation of the financial statements requires it to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the Company's financial statements, and the reported amounts of revenue and expenses during the reporting period. There can be no assurance that actual results will not differ from those estimates.

PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is recorded at cost and is depreciated on a straight-line basis over the estimated useful lives of such assets. Changes in circumstances such as technological advances, changes to the Company's business

Edgar Filing: EVOLVE ONE INC - Form 10QSB

model or changes in the Company's capital strategy could result in the actual useful lives differing from the Company's estimates. In those cases where the Company determines that the useful life of property, plant and equipment should be shortened, the Company will depreciate the net book value in excess of the estimated salvage value over its revised remaining useful life.

DEFERRED TAX ASSETS

The Company records a valuation allowance to reduce the carrying value of its deferred tax assets to an amount that is more likely than not to be realized. While the Company has considered future taxable income and prudent and feasible tax planning strategies in assessing the need for the valuation allowance, should the Company determine that it would not be able to realize all or part of its net deferred tax assets in the future, an adjustment to the carrying value of the deferred tax assets would be charged to income in the period in which such determination was made.

16

INVESTMENTS

Investments are classified as either available-for-sale or trading securities and are held for resale in anticipation of short-term market movements or until such securities are registered or are otherwise unrestricted. At September 30, 2002, investments consisted entirely of common stock held for resale. Trading account assets, consisting of marketable equity securities, are stated at fair value. Unrealized gains or losses on trading securities are recognized in the statement of operations on a monthly basis based on changes in the fair value of the security as quoted on national or inter-dealer stock exchanges. Net unrealized losses related to investments held for trading as of September 30, 2002, aggregated (\$4,625).

Available-for-sale assets, which are also required to be reported at fair value, with unrealized gains and losses excluded from earnings are reported as a separate component of stockholders' equity (net of the effect of income taxes).

Liquidity and Capital Resources

The Company decreased its working capital from \$3,746,452 at December 31, 2001 to \$2,392,671 at September 30, 2002. The working capital decrease in the amount of \$1,353,781 consists primarily of decreases in cash in the amount of \$556,756, and marketable securities in the amount of \$612,289, and a decrease in current and deferred income taxes in the amount of \$207,600.

During the nine months ended September 30, 2002 stockholders' equity decreased \$1,920,898, which includes decreases in other comprehensive income in the amount of \$632,263, the net loss for the year of \$1,199,095, and \$89,540 for the repurchase of 12,220,251 shares of common stock (See Other Comprehensive Income below).

Results of Operations

Sales

Sales increased 14.8% from \$284,568 for the three months ended September 30, 2001 to \$326,643 for the three months ended September 30, 2002. Sales decreased 5.6% from \$900,360 for the nine months ended September 30, 2001 to \$850,086 for the nine months ended September 30, 2002. The increase in sales for the three months ended September 30, 2002 compared to the same period in 2001 is attributable to a number of factors, including the Company's efforts to concentrate more on internet and retail sales and less on wholesale sales,

Edgar Filing: EVOLVE ONE INC - Form 10QSB

expanded product lines, better promotions and expanded name recognition. The decrease in sales for the nine months ended September 30, 2002 compared to the same period in 2001 is attributable to a number of factors, including lower wholesale sales due to loss of wholesale salesmen and more concentration on internet sales with higher margins.

Internet and retail sales for the nine months ended September 30, 2002 compared to the same period in 2001 increased 23% due to the Company's effort to expand its potential customer market. During the nine months ended September 30, 2002, the Company added wine accessories (including books, corkscrews, decanters and racks) and cigar accessories (including ashtrays, books, cutters, humidors and lighters) to its list of products carried on its CigarCigar.com website. Since employing the Microsoft/Great Plains eEnterprise system the Company's Stogies segment improved its gross profit percentage of approximately 19.8% during the nine months ended September 30, 2001 to 32.8% during the nine months ended September 30, 2002, resulting in a consolidated increase of 56% (\$101,024) in gross profit for the nine months ending September 30, 2002 compared to September 30, 2001.

17

On September 28, 2001, the Company created a new subsidiary named AlDiscountPerfume Inc. and in October 2001, launched a new e-commerce site specializing in men's and women's fragrances. The site named AlDiscountProducts.com is a competitor of other discount as well as full price online retailers of perfume and cologne, as well as exercise and yoga equipment. For the nine months ended September 30, 2002, Al Discount Perfume has had sales of \$22,723 and a gross profit percentage of 35.3%. The site employs the Microsoft / Great Plains eEnterprise system the Company purchased which permits customers to benefit by having direct access to up-to-the-minute information about inventory, pricing, "hot deals" as well as order information. The eEnterprise system allows AlDiscountProducts.com to inexpensively reach customers anywhere, around the clock.

Selling, General and Administrative Expenses

Selling, general and administrative expenses decreased \$19,079 from \$396,643 in the three months ended September 30, 2001 to \$377,564 in the three month ended September 30, 2002. The decrease in selling, general and administrative expense for the three months ended September 30, 2002 consists primarily of decreases in: salaries and wages (\$34,600), depreciation (\$17,730), legal and professional (\$20,500), offset by increases in accrued Officer's salaries as per employment contract signed in January 2002, bad debt \$14,700, and insurance \$10,600.

Selling, general and administrative expenses decreased \$164,849 from \$1,238,127 in the nine months ended September 30, 2001 to \$1,073,278 in the nine month period ended September 30, 2002 as compared to the same period of the prior year. The decrease in selling, general and administrative expense for the nine months ended September 30, 2002 consists primarily of decreases in: salaries and wages - (\$67,721); advertising - (\$50,260); consulting - (\$22,431); legal and professional - (\$21,472); and postage - (\$11,303) and increases in - insurance - \$36,449 and bad debt - \$28,101. The decrease in salaries and wages includes a decrease due to the resignation of a corporate officer, the reduction of staff in the Stogies division, including one wholesale representative, one computer personnel and four administrative staff, offset by \$75,000 in accrued officer salaries as per an employment contract signed in January 2002. Advertising decreased due to more efficient placement and use of internal advertising. Consulting decreased due to bringing the public relations position in house. The increase in insurance cost is due in part to the directors and officers liability insurance premium increasing, as well as an additional property insurance policy starting in February 2001. The increase in bad debt is primarily due to the write off of the note receivable from IBD vending

Edgar Filing: EVOLVE ONE INC - Form 10QSB

(\$14,945), and the write off of uncollectable wholesale accounts receivable on the Stogies division.

Marketable Investment Securities

The Company sold marketable equity securities and recorded realized (losses) of (\$39,910) during the three month period ended September 30, 2002 and \$0 during the three month period ended September 30, 2001.

The Company sold marketable equity securities and recognized realized gain(loss) of (\$12,058) during the nine month period ended September 30, 2002 and \$2,300 during the nine month period ended September 30, 2001.

18

The Company recorded unrealized losses in the amount of (\$1,322) during the three month period ended September 30, 2002 and unrealized losses in the amount of (\$46,254) during the same period of the prior year. Available-for-sale securities are described in Other Comprehensive Income (below).

The Company recorded unrealized losses in the amount of (\$4,625) during the nine month period ended September 30, 2002 and unrealized losses in the amount of (\$48,069) during the same period of the prior year. Available-for-sale securities are described in Other Comprehensive Income (below).

Investment Income

The Company had income of \$3,804 and \$16,470 from interest and dividends in the three month period ended September 30, 2002 and 2001, respectively. The Company had income of \$12,283 and \$71,198 from interest and dividends in the nine month period ended September 30, 2002 and 2001, respectively. The decrease is due primarily to lower interest rates and lower balances in interest bearing money market accounts in 2002.

Income Taxes

The Company had a income tax benefit of \$466,300 for the nine month period ended September 30, 2001 resulting primarily from the net operating loss incurred. The deferred tax expense of \$381,500 for the nine months ended September 30, 2002 consists primarily of a change in the deferred tax valuation allowance.

Discontinued Operations

On December 14, 2001, the Company entered into a stock purchase agreement with NYCLE Acquisition Corp to sell its 90% investment in BroadcastWeb. The 2001 discontinued operations have been restated to segregate the net loss of BroadcastWeb of (\$161,820) for the nine months ended September 30, 2001 and (\$54,875) for the three months ended September 30, 2002.

Other Comprehensive Income

The decrease consisted of a decline in market value of \$1,055,763 plus a reclassification adjustment of \$42,000 and a decrease in related deferred tax liability \$381,500. Available-for-sale securities consist primarily of securities of SGD Limited Holdings (SGD), a holding company principally engaged in acquiring and developing jewelry related businesses. The Company's investment represents approximately 10.4% of the outstanding stock of SGD and accordingly, the Company is subject to certain restrictions on the shares it can sell. Of the 10,100,000 shares of SGD stock held by the Company, 3,941,000 shares valued at

Edgar Filing: EVOLVE ONE INC - Form 10QSB

\$394,100 have been classified as current. The securities of SGD significantly decreased in value over the past year as a reflection of the overall market conditions. Due to the size of the Company's investment and the limited trading volume of SGD as well as other available-for-sale securities, there can be no assurance that the Company will realize the value assigned, under Statement of Accounting Standards #115 (Accounting for Certain Investments in Debt and Equity Securities), to these securities.

19

ITEM 3. CONTROLS AND PROCEDURES

The Company's President and Principal Financial and Accounting Officer and Controller have concluded, based on their evaluation within 90 days of the filing date of this report, that the Company's disclosure controls and procedures (as defined in Exchange Act Rules 13a -14(c) and 15d-14(c)) were adequate and designed to ensure that material information relating to the Company and its consolidated subsidiaries would be made known to them by others within those entities. PART II. OTHER INFORMATION

ITEM 5. OTHER INFORMATION

Since receiving the letter, which did not explain the basis for the Staff's recommendation, the Company has met with the Staff twice to discuss the matter, and has been informed that the potential charges relate to two press releases issued by the Company in March 2000. The Staff has indicated that the Company may submit a written statement explaining why it believes the SEC should not accept the Staff's recommendation, but the Company has determined not to submit such a statement at this time. The Company has also been informed that the Staff intends to recommend similar charges against EONE's principal shareholders, Herb Tabin and Gary Schultheis, based on the same press releases and transactions in the securities of other companies.

The Company also announced that, effective Monday, October 7, 2002, it has ceased the stock repurchase plan previously disclosed in its Form 10-QSB for the period ended June 30, 2002.
