GEN/RX, INC.

Notes to Financial Statements

Note 1. Financial Statements:

In the opinion of management, the accompanying unaudited, consolidated, condensed financial statements contain all adjustments necessary to present fairly the financial position of the Company and its results of operations and cash flows for the interim periods presented. Such financial statements have been condensed in accordance with the applicable regulations of the Securities and Exchange Commission ("SEC") and therefore, do not include all disclosures required by generally accepted accounting principles. These financial statements should be read in conjunction with the Company's audited financial statements for the year ended December 31, 1998 included in the Company's annual report filed on Form 10-K.

The results of operations for the three and nine months ended September 30, 1999 are not necessarily indicative of the results to be expected for the entire fiscal year.

Note 2. Basis of presentation:

On July 1, 1996, the Company adopted the liquidation basis of accounting. Accordingly, the net assets of the Company are stated at liquidation value, whereby assets are stated at their estimated net realizable values and liabilities, which include estimated liquidation expenses to be incurred through the date of final dissolution of the Company, are stated at their anticipated settlement amounts

Edgar Filing: GEN RX INC - Form 10-Q

3

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

GEN/Rx, Inc. ("GEN/Rx" or the "Company") effectively ceased operations June 30, 1996. Prior to June 30, 1996, GEN/Rx was a holding company which, through its subsidiaries, was in the business of developing, manufacturing and distributing generic injectable drugs. GEN/Rx had three wholly-owned subsidiaries: AUSA, Inc. ("AUSA"), which was sold to the Company's major shareholder, Apotex Corp. (formerly known as Apotex USA, Inc.) ("Apotex"), in June 1996; American Veterinary Products, Inc. ("AVP"), which discontinued operations in December 1995; and Collins Laboratories, Inc. ("Collins"), which has been inactive since its inception. The Company experienced significant operating losses from its inception in July 1994, resulting in a deficit equity position.

On June 27, 2002, the Company was dissolved by proclamation of the secretary of state of the state of New York for failure to file franchise tax reports or pay franchise taxes. The Company is currently seeking reinstatement. See "Legal Proceedings."

With respect to the Company's financial information set forth in this Quarterly Report for the three months ended March 31, 1997, the financial statements are presented on a liquidation basis. The Company has not conducted any business operations since the sale of AUSA on June 30, 1996. All activities of the Company after such date related principally to the liquidation of the AVP assets by the receiver and the sale of the Ft. Collins plant. All of the operations of AVP and AUSA are treated as discontinued operations.

No comparison is made in this report for the nine months ended September 30, 1999 and September 30, 1998 because there were no operations in 1998 and 1999.

While the Company was engaged in operations, it was dependent on Apotex for financing. At September 1996, after the sale of AUSA to Apotex, the Company was indebted to Apotex in the amount of approximately \$4,400,000. Since 1996, the Company has not made any payments to Apotex on this debt. Apotex has not charged interest on the indebtedness and has not instituted any legal proceedings for collection. It is not expected that Apotex will advance any additional funding to the Company and the Company presently has no available financing alternatives.

The Company has virtually no assets and no capital resources and lacks the liquidity to carry on any business activities. Apotex is currently considering various business alternatives relating to the Company, including, but not limited to, commencing new business operations, dissolving the Company or seeking an interested investor for a sale of its stock holdings in the Company. There can be no assurance that Apotex will pursue any of these or other alternatives relating to the Company, or if it does, that any such efforts will be successful.

4

PART II. OTHER INFORMATION

Item 1. Legal Proceedings.

As a result of the failure to timely file reports under the Exchange Act

Edgar Filing: GEN RX INC - Form 10-Q

relating to the Company, the Securities and Exchange Commission may, in its discretion, institute one or more actions against the Company and/or its officers and directors (and former officers and directors) seeking monetary or other penalties that may be imposed under the Exchange Act. Any such penalties could have a material adverse effect on the Company.

The Company has not filed all required tax returns or paid all taxes due since 1995. As a result of its failure to file franchise tax reports and pay franchise taxes in New York for 1995 and 1997 through 2002, the Company was dissolved by proclamation of the secretary of state of the state of New York on June 27, 2002. Under New York's Tax Law, a company dissolved by proclamation may file in the department of state a certificate of consent of the commissioner of taxation and finance and, if the commissioner finds that all fees, taxes, penalties and interest charges have been paid, the commissioner may grant such consent and the dissolution is thereby effectively annulled. The Company is in the process of making all required filings and paying all fees, taxes, penalties and interest charges due to the state of New York in order to reinstate the Company. In addition, while the Company does not believe that any federal income taxes were due for the years 1996 to 2001, the Company intends to file the required federal income tax returns for such years and pay any amounts that may be found to be owing for such periods.

Item 3. Defaults Upon Senior Securities

The Company has been in default on its indebtedness in favor of Apotex since 1996. The entire amount of indebtedness is due and payable. At September 30, 1999, the Company was indebted to Apotex in the amount of approximately \$4,400,000.

Item 6. Exhibits and Reports on Form 8-K

(a) Exhibits

99.1 Certification

(b) Reports on Form 8-K.

None.
