In addition, 3,412,500 Ordinary Shares, representing approximately 3.38% of the outstanding Ordinary Shares, are held by two shareholders whose voting rights in respect of these shares are vested in Koor and whose dispositive power in respect of these shares is subject to certain rights of Koor. DIC may be deemed to share the power to vote and the other rights of Koor with respect to such 3,412,500 Ordinary Shares. In addition, DIC and Koor may be deemed beneficial owner of, and to share the power to vote, of the 5,052,228 Ordinary Shares, representing 5% of the outstanding Ordinary shares, held by the Israeli Shareholders due to a lending agreement with Koor. See Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer.

Each of Wior Communications and Blejer Communications is the direct owner of 2,526,114 Ordinary Shares, constituting 2.5% of the Ordinary Shares then outstanding, and each of Wior Communications (and its sole shareholder, Mauricio Wior) and Blejer Communications (and its sole shareholder, Mario Blejer) may be deemed beneficial owner of, and to share the power to vote, the 2,526,114 Ordinary Shares held by the other by virtue of the voting agreement which is part of the agreement described in Item 6.

CIEH is a majority owned subsidiary of IDB Development. However, IDB Development disclaims beneficial ownership of the CIEH Shareholdings because, among other things, the Israeli Supervisor of Capital Markets, Insurance and Savings appointed a trustee to hold IDB Development's means of control in CIEH, including the voting power, except for 5% which remains held by IDB Development, and instructed IDB Development to dispose of its interest in CIEH. In addition, 5,392,358 of the CIEH Shareholdings are held for members of the public through pension funds and insurance policies, which are managed by subsidiaries of subsidiaries of CIEH.

Each of Mr. Elsztain and DIC may each be deemed the beneficial owners of, and to share the power to vote and dispose of, an aggregate of 45,926,502 Ordinary Shares held by DIC, Koor and DIC Communication (which includes 5,052,228 Ordinary Shares, constituting 5% of the Ordinary Shares then outstanding, held by the Israeli Shareholders by virtue of the agreement between Koor and the Israeli Shareholders described in Item 6), constituting in the aggregate approximately 45.45% of the Ordinary Shares then outstanding and, in addition, be deemed to share the power to vote and the other rights of Koor with respect to the aforementioned 3,412,500 Ordinary Shares held by two shareholders, constituting approximately 3.38% of the Ordinary Shares then outstanding. Each of the Israeli Shareholders, Wior Communications and Blejer Communications may be deemed beneficial owner of, and to share the power to vote, an aggregate of 5,052,228 Ordinary Shares, constituting 5% of the Ordinary Shares then outstanding. This Statement shall not be construed as an admission by DIC and Mr. Elsztain that they are the beneficial owners of any of the Ordinary Shares covered by this Statement.

The Issuer advised the Reporting Persons that as of February 6, 2018 there were 101,044,557 Ordinary Shares outstanding, and the percentages of Shares outstanding set forth above in this section are based on this number.

Information provided to the Reporting Persons indicates that none of the executive officers and directors of IDB Development, DIC and DIC Communication owned as of October 11, 2015, or purchased or sold from December 4, 2017 through February 6, 2018, any Ordinary Shares.

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer

In January and February 2018, Koor entered into a lending transaction under which 5,052,228 Ordinary Shares, constituting 5% of our outstanding share capital held by Koor was transferred (in January 31, 2018 and in February 6, 2018) to two Israeli Shareholders (2.5% to each), or the Transferred Shares. One of them, Wior Communications, is controlled by Mr. Mauricio Wior, the vice chairman of the Issuer, and the other, Blejer Communications, is controlled by Mr. Mario Blejer, an officer of IDB Development, a company controlled by the Company's controlling shareholder (the "Koor Lending Transaction"). The agreement was entered into to satisfy a requirement of the Israeli Ministry of Communication that citizens and residents among the Issuer's founding shareholders (or their approved transferees) must own at least 5% of the Issuer's outstanding share capital and each of the Issuer's other "means of control" (defined under Israeli Companies Law to include voting rights), which requirement is included in the Issuer's general license to provide cellular services.

Page 13 of 18 pages

The main terms of the agreement are:

The agreement will be in force until December 31, 2018 and will be automatically extended by a one year term until terminated according to its terms.

Koor will have the right to terminate the agreement at any time and receive all or part of the Transferred Shares. The Israeli Shareholders will not be able to transfer the Transferred Shares without Koor's approval and subject to additional terms, including the transferees assuming the Israeli Shareholder's obligation towards Koor pursuant to the Agreement, the transferees being "Israeli Shareholders" under the Company's cellular license and the Israeli Ministry of Communication's ("MOC") prior approval of such transfer, if required.

As long as such requirement exists in Cellcom's cellular license, the Israeli Shareholders will have the right, jointly and not severally, by a majority decision among themselves, to appoint 10% of the Company's directors (currently – one director). The Israeli Shareholders will vote with Koor in all shareholders resolutions (including the nomination of directors suggested by Koor).

The Transferred Shares (including all rights or income therefrom) will be pledged by a first-degree pledge in favor of Koor, and any realization of such pledge will be subject to the receipt of the MOC's approval, if required.

In case of any dividend or other distribution (including rights by way of a rights offering), these will be transferred by the Israeli Shareholders to Koor. In case of other corporate actions, including conversion, sub-division, consolidation etc., Koor may notify the Israeli Shareholders, at its sole discretion, if such rights will be part of the Transferred Shares or shall be transferred to Koor.
