Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On April 26, 2011, the shareholders of CH Energy Group, Inc. ("CH Energy Group"), upon recommendation of our Board of Directors, approved the CH Energy Group, Inc. 2011 Long-Term Equity Incentive Plan (the "2011 Plan"). The Plan replaces the CH Energy Group, Inc. Long-Term Equity Incentive Plan, as amended (the "2006 Plan"). No further awards will be made under the 2006 Plan; however, awards granted under the 2006 Plan prior to shareholder approval of the 2011 Plan will remain outstanding in accordance with their terms.

A brief description of the 2011 Plan follows, but it is subject to the full text of the plan attached as Appendix A to our 2011 Proxy Statement, incorporated herein by reference.

The 2011 Plan authorizes the grant of equity-based compensation to our key employees and non-employee directors in the form of incentive stock options, nonqualified stock options, stock appreciation rights, restricted shares, restricted share units, performance shares, dividend equivalents and other awards relating to our shares of Common Stock, along with certain cash-based awards.

CH Energy Group has reserved 400,000 shares for delivery under the 2011 Plan, plus (i) any shares remaining available for issuance or delivery under the 2006 Plan as of April 26, 2011, and (ii) any shares that are subject to awards granted under the 2006 Plan that are forfeited, canceled, surrendered or otherwise terminated without the issuance of shares on or after that date. The shares delivered under the 2011 Plan may be unissued or treasury shares. This share limit is subject to adjustment for reorganizations, recapitalizations, stock splits, stock dividends, and other similar events.

The 2011 Plan is administered by the Compensation Committee of the Board of Directors, which has authority to, among other things: construe and interpret the 2011 Plan, select participants and the types of awards to be granted, and establish the terms and conditions of awards.

Our Compensation Committee may designate any award under the 2011 Plan as a qualified performance-based award in order to make the award fully deductible for federal income tax purposes without regard to the \$1 million executive compensation limit imposed by Section 162(m) of the Internal Revenue Code. If an award other than a stock option or stock appreciation right is so designated, the Compensation Committee must establish objectively determinable performance objectives for the award within certain time limits. Performance objectives for such awards will be based on one or more of the following criteria: earnings per share, earnings per share from continuing operations, operating income, revenues, operating margin, profit margin, return on assets, return on equity, return on invested capital, financing, credit ratings, redeployment of capital, cash flow, shareholder value, dividend yield on book value, economic value added, stock price, shareholder return (measured in terms of stock price appreciation) and/or total shareholder return (measured in terms of stock price appreciation, dividend growth and/or dividends paid), new customers, cost controls, operating efficiencies, product development, strategic partnering, research and development, market penetration, geographic business expansion, cost targets, productivity, employee satisfaction, management of employment practices and employee benefits, supervision of litigation or labor negotiations, dealings with regulatory bodies, acquisitions or divestitures, delivery cost per kilowatt hour or delivery cost per millions of cubic feet of natural gas, or delivery cost per gallon of petroleum product, customer satisfaction ratings, program development, frequency or duration of electric or gas service interruptions, number of or severity of gas leaks, avoidance of environmental, public or employee safety problems, or realization of the regulated return on equity.

The 2011 Plan became effective as of February 10, 2011, the date of approval of the Board of Directors, and will continue in effect until February 9, 2021, unless sooner terminated by the Board of Directors. Termination will not affect grants and awards then outstanding.
