## **Terms of the Board of Directors**

Our Board of Directors is divided into three classes (Class A, Class B and Class C) with only one class of directors being elected in each year and each class serving a three-year term. The term of office of the Class A directors, consisting of Mr. Nathani and Mr. Shenoy, will expire at our first annual meeting of stockholders. The term of office of the Class B directors, consisting of Mr. Prins and Dr. Krishna, will expire at the second annual meeting of stockholders. The term of office of the Class C directors, consisting of Mr. Mukunda, will expire at the third annual meeting of stockholders.

## **Board of Directors – Committees**

Our Board of Directors has established an Audit Committee currently composed of two (2) independent directors who report to the Board of Directors. Messrs. Krishna and Shenoy, each of whom is an independent director under the American Stock Exchange's listing standards, serve as members of our Audit Committee. In addition, we have determined that Mr. Shenoy is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-B of the Securities Exchange Act of 1934, as amended. The Audit Committee is responsible for meeting with our independent accountants regarding, among other issues, audits and adequacy of our accounting and control systems. We intend to locate and appoint at least one additional independent director to our Audit Committee to increase the size of the Audit Committee to three (3) members.

In addition, the Audit Committee will monitor compliance on a quarterly basis with the terms of our initial public offering. If any noncompliance is identified, then the Audit Committee is charged with the responsibility to take immediately all action necessary to rectify such noncompliance or otherwise cause compliance with our initial public offering. The Board currently does not have a compensation committee or nominating and corporate governance committee.

## **Audit Committee Financial Expert**

The Audit Committee will at all times be composed exclusively of "independent directors" who are "financially literate" as defined under the American Stock Exchange listing standards. The American Stock Exchange listing standards define "financially literate" as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

In addition, we must certify to the American Stock Exchange that the Audit Committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The Board of Directors has determined that Mr. Shenoy satisfies the American Stock Exchange's definition of financial sophistication and qualifies as an "audit committee financial expert," as defined under rules and regulations of the Securities and Exchange Commission.

## **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the directors and executive officers of the Company and persons who beneficially own more than 10% of the Company's common stock to file reports of their ownership of shares of the Company with the Securities and Exchange Commission (the "SEC"). Such executive officers, directors and shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon review of the copies of such reports received by the Company, the Company's senior management believes that all reports required to be filed under Section 16(a) for the fiscal year ended March 31, 2007 were filed in a timely manner.

## **Code of Conduct and Ethics**

We have adopted a code of conduct and ethics applicable to our directors, officers and employees in accordance with applicable federal securities laws and the rules of the American Stock Exchange. The Company has filed the code of conduct and ethics as Exhibit 99.1 to the Company's Registration Statement on Form S-1/A, filed with the Securities and Exchange Commission on March 2, 2006.

## **Item 10. Executive Compensation**

Other than payments made to Integrated Global Networks, LLC, an affiliate of Mr. Mukunda, our Chief Executive Officer and President, and SJS Associates, an affiliate of Mr. Selvaraj, our Treasurer, no executive officer or any affiliate of an executive officer received any cash compensation for services rendered during the fiscal year ended March 31, 2007. We pay Integrated Global Networks, LLC, a monthly fee of \$4,000 for general and administrative services including office space, utilities and secretarial support. This arrangement was for our benefit and was not intended to provide Mr. Mukunda, a stockholder of Integrated Global Networks, LLC with compensation in lieu of salary. We believe that the fee charged by Integrated Global Networks, LLC was at least as favorable as we could have obtained from an unaffiliated third party, based on rents and fees for similar services in the Washington, DC metropolitan area. However, because our directors at the time this transaction was entered into were not deemed "independent," we did not have the benefit of disinterested directors approving the transaction.

Following the resignation of our Chief Financial Officer in November 2006, the Company retained SJS Associates, a privately held company wholly owned by John Selvaraj. We agreed to pay SJS Associates \$5,000 a month until the consummation of a business combination for services rendered by John Selvaraj as Treasurer of the Company. From inception to June 30, 2007, the Company has paid SJS Associates an aggregate of \$30,000.

As of our fiscal year ended March 31, 2007, other than the \$4,000 per month fee paid to Integrated Global Networks, LLC and \$5,000 per month fee paid to SJS Associates, no compensation of any kind, including finder's and consulting fees, was paid to any of our existing stockholders, including our officers, directors and special advisors, or any of their respective affiliates, for services rendered prior to or in connection with a business combination. However, these individuals will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. There is no limit on the amount of these out-of-pocket expenses and there will be no review of the reasonableness of the expenses by anyone other than our board of directors, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. If all of our directors are not deemed "independent," we will not have the benefit of independent directors examining the propriety of expenses incurred on our behalf and subject to reimbursement.

## Director Compensation

Directors receive no compensation for service as members of the Board of Directors or committees thereof.

## Item 11. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table sets forth information regarding the beneficial ownership of our common stock as of August 17, 2007 by:

- each person known by us to be the beneficial owner of more than 5% of our outstanding shares of common stock;
- each of our executive officers, directors and our special advisors; and
- all of our officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and does not necessarily indicate beneficial ownership for any other purpose. Under these rules, beneficial ownership includes those shares of common stock over which the stockholder has sole or shared voting or investment power. It also includes shares of common stock that the stockholder has a right to acquire within 60 days through the exercise of any option, warrant or other right. The percentage ownership of the outstanding common stock, which is based upon 13,974,500 shares of common stock outstanding as of August 17, 2007, is based on the assumption, expressly required by the rules of the Securities and Exchange Commission, that only the person or entity whose ownership is being reported has converted options or warrants into shares of our common stock.

Unless otherwise indicated, we believe that all persons named in the table have sole voting and investment power with respect to all shares of common stock beneficially owned by them.

**Item 14. Principal Accountant Fees and Services**

The firm of Goldstein Golub Kessler LLP (“GGK”) acts as our principal accountant. Through September 30, 2005, GGK had a continuing relationship with American Express Tax and Business Services Inc. (TBS), from which it leased auditing staff who were full time, permanent employees of TBS and through which its partners provide non-audit services. Subsequent to September 30, 2005, this relationship ceased and the firm established a similar relationship with RSM McGladrey, Inc. (RSM). GGK has no full time employees and therefore, none of the audit services performed were provided by permanent full-time employees of GGK. GGK manages and supervises the audit and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination. The following is a summary of fees paid or to be paid to GGK and RSM for services rendered.
