Asure Software, Inc. (the “Company”) is unable to file, without unreasonable effort and expense, its Annual Report on Form 10-K for the year ended December 31, 2018 by the due date of March 18, 2019. The principal reason for the delay is that additional time is needed to finalize management’s assessment and the audit of the effectiveness of the Company’s internal control over financial reporting as of December 31, 2018. Accordingly, the Company’s independent registered accounting firm has not yet completed its integrated audit. The Company currently does not expect to report any changes to its financial results, including those previously included in its press release furnished as Exhibit 99.1 to the Company’s Current Report on Form 8-K filed with the SEC on March 14, 2019.
