PROXY STATEMENT
OF
MALVERN FEDERAL BANCORP, INC.

ABOUT THE ANNUAL MEETING OF SHAREHOLDERS

This proxy statement is furnished to holders of common stock of Malvern Federal Bancorp, Inc. the ("Company"), the "mid-tier" holding company of Malvern Federal Savings Bank (the "Bank"). Our Board of Directors is soliciting proxies to be used at the annual meeting of shareholders to be held at the Sheraton Great Valley Hotel, located at 707 East Lancaster Avenue, Frazer, Pennsylvania, on Thursday, February 9, 2012 at 10:00 a.m., Eastern Time, and any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders. This proxy statement is first being mailed to shareholders on or about January 11, 2012.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on February 9, 2012. This proxy statement and our Annual Report on Form 10-K for the year ended September 30, 2011 as well as driving directions to the annual meeting are available on our website at www.malvernfederal.com under the "Investor Relations" tab.

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting, consisting of the election of directors and the ratification of our independent registered public accounting firm.

Who is entitled to vote?

Only Malvern Federal Bancorp shareholders of record as of the close of business on the record date for the meeting, December 27, 2011, are entitled to vote at the meeting. On the record date, we had 6,102,500 shares of common stock issued and outstanding and no other class of equity securities outstanding. For each issued and outstanding share of common stock you own on the record date, you will be entitled to one vote on each matter to be voted on at the meeting, in person or by proxy.

How do I submit my proxy?

After you have carefully read this proxy statement, indicate on your proxy card how you want your shares to be voted. Then sign, date and mail your proxy card in the enclosed prepaid return envelope as soon as possible. This will enable your shares to be represented and voted at the annual meeting even if you do not attend the meeting.

If my shares are held in "street name" by my broker, could my broker automatically vote my shares for me?

Your broker may not vote on the election of directors. You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered "broker non-votes."

Broker non-votes are shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares and the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers. Under these rules, the proposal to elect directors, is not an item on which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days of the annual meeting.

Your broker may vote in his or her discretion on the ratification of the appointment of our independent registered public accounting firm if you do not furnish instructions.

Can I attend the meeting and vote my shares in person?

All shareholders are invited to attend the annual meeting. Shareholders of record can vote in person at the annual meeting. If your shares are held in street name, then you are not the shareholder of record and you must ask your broker or other nominee how you can vote at the annual meeting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to our Corporate Secretary, Ms. Shirley Stanke, Malvern Federal Bancorp, Inc., 42 East Lancaster Avenue, Paoli, Pennsylvania 19301, in advance of the meeting stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy card before the annual meeting. Any earlier proxies will be revoked automatically.

Third, you may attend the annual meeting and vote in person. Any earlier proxy will be revoked. However, attending the annual meeting without voting in person will not revoke your proxy.

If your shares are held in "street name" and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of outstanding shares that all shareholders are entitled to vote on a particular matter will constitute a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

What are the Board of Directors' recommendations?

The recommendations of the Board of Directors are set forth under the description of each proposal in this proxy statement. In summary, the Board of Directors recommends that you vote FOR the nominees for director described herein, and FOR the ratification of the appointment of ParenteBeard LLC for fiscal 2012.

The proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the Board of Directors and, upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the annual meeting and any adjournment of the annual meeting and will not be used for any other meeting.

What vote is required to approve each item?

The election of directors will be determined by a plurality of the votes cast at the annual meeting. The three nominees for director receiving the most "for" votes will be elected directors. The affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting is required to ratify the appointment of ParenteBeard LLC for fiscal 2012. Abstentions are considered in determining the presence of a quorum and will count as a vote against the proposal to ratify the appointment of the independent registered public accounting firm.

As indicated below under "Beneficial Ownership of Common Stock by Certain Beneficial Owners and Management," Malvern Federal Mutual Holding Company owns a majority of our outstanding common stock. The Mutual Holding Company intends to vote all of the shares it owns for the nominees for director and for the ratification of the appointment of ParenteBeard LLC, thereby ensuring a quorum at the annual meeting, and that each of such proposals will be adopted.

INFORMATION WITH RESPECT TO NOMINEES FOR DIRECTOR, CONTINUING DIRECTORS AND EXECUTIVE OFFICERS

Election of Directors (Proposal One)

Our Bylaws provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible. The directors are elected by our shareholders for staggered terms and until their successors are elected and qualified. One class shall be elected annually. At this meeting, you will be asked to elect one class of directors, consisting of three directors, for a three-year term expiring in 2015, and until their successors are elected and qualified.

Our Board of Directors has recommended the re-election of Ms. Woodman and Messrs. Palmer and Yerkes as directors. No director or nominee for director is related to any other director or executive officer by blood, marriage or adoption. Shareholders are not permitted to use cumulative voting for the election of directors. Our Board of Directors has determined that Messrs. Hughes, Scartozzi, Steinmetz, Palmer and Yerkes and Ms. Camp and Ms. Woodman are independent directors, as defined in the Nasdaq listing standards.

Unless otherwise directed, each proxy signed and returned by a shareholder will be voted for the election of the nominees for director listed below. If any person named as a nominee should be unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for any replacement nominee or nominees recommended by our Board of Directors. At this time, the Board of Directors knows of no reason why any of the nominees listed below may not be able to serve as a director if elected.

The following tables present information concerning the nominees for director and our continuing directors. All of our current directors also serve as directors of Malvern Federal Savings Bank. All of our directors participate in the consideration of director nominees and will consider candidates for director suggested by other directors, as well as our management and shareholders. A shareholder who

desires to recommend a prospective nominee for the Board should notify our Secretary in writing with whatever supporting material the shareholder considers appropriate. Any shareholder wishing to make a nomination must follow our procedures for shareholder nominations, which are described under "Shareholder Proposals, Nominations and Communications with the Board of Directors."

The charter of the Nominating and Corporate Governance Committee sets forth certain criteria the committee may consider when recommending individuals for nomination as a director including: (a) ensuring that the board of directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought and an ability to work collegially. Board Leadership Structure and the Board's Role in Risk Oversight

Ronald Anderson serves as our President and Chief Executive Officer and F. Claire Hughes, Jr. serves as Chairman of the Board. The Board of Directors has determined that that separation of the offices of Chairman of the Board and President enhances Board independence and oversight. Further, the separation of the Chairman of the Board permits the President and Chief Executive Officer to better focus on his responsibilities on managing the daily operations of Malvern Federal Bancorp, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman to lead the Board of Directors in its fundamental role of providing independent oversight and advice to management. Mr. Hughes is an independent director under the rules of the Nasdaq Stock Market.

Risk is inherent with every business, particularly financial institutions. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputational risk. Management is responsible for the day-to-day management of the risks Malvern Federal Bancorp faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to ensure that the risk management processes designed and implemented by management are adequate and functioning as designed. In this regard, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the company. Members of senior management regularly attend the Board meetings and are available to address any questions or concerns raised by the Board on risk management or other matters. The Chairman of the Board and independent directors work together to provide strong, independent oversight of Malvern Federal Bancorp's management and affairs through its committees and meetings of independent directors.

On August 11, 2008, the Company and the Bank entered into Employment Agreements with Mr. Anderson. The agreements have a three-year term. On the annual anniversary date of the agreements in August 2009, the Agreements were extended for an additional year and are scheduled to expire on August 2012 unless they are further extended (any such further extension would require the approval or non-objection of the FDIC and the OCC or FRB, as the case may be). If the Agreements were terminated by the Company and/or the Bank without cause or if Mr. Anderson terminates the agreement because the Company and/or the Bank have materially breached the agreement or he otherwise has "good reason," as defined, to terminate, then he will be entitled to a cash severance payment equal to two times his then current base salary plus continued participation in all group insurance, life insurance, health and accident insurance and disability insurance for 24 months, unless Mr. Anderson receives substantially similar benefits with another employer prior thereto. In the event of termination in connection with a "change in control," as defined, Mr. Anderson will be entitled to a severance payment in an amount equal to three times his then current base salary plus his cash bonus received in the immediately preceding year, plus continuation of health insurance and certain other benefits for up to 36 months. As a result of the supervisory factors which led to the execution of the supervisory agreements by the Company and the Bank in October 2010, the payment of any severance benefits to Mr. Anderson currently requires the approval or non-objection of the FDIC and the OCC or FRB.

Supplemental Executive Retirement Agreements

In September and October 2004, Malvern Federal Savings Bank entered into Supplemental Executive Retirement Agreements ("SERPs") with Messrs. Boyle, Anderson and Hughes, respectively. The Bank also has entered into SERPs with another executive officer and three non-executive officers. Under the terms of the SERPs, the officer will be entitled to an annual retirement benefit payable over 15 years. The annual benefit at normal retirement age, defined as 65 years, is \$61,000, \$50,000 and \$45,000 in the case of Messrs. Anderson, Boyle and Hughes, respectively. Such normal retirement benefits under the SERPs can be increased by 3.5% for each year that the executive's separation of service from the Bank is delayed beyond age 65, up to age 70. The SERPs also provide for reduced benefits upon early retirement and for benefits upon the executive's death or disability or upon the executive's separation of service following a change-in-control, as defined, of the Bank. The SERPs also provide that in the event any of the payments to be made thereunder are deemed to constitute "parachute payments" within the meaning of Section 280G of the Code, then such payments and benefits received thereunder shall be reduced by the minimum amount necessary to result in no portion of the payments and benefits being non-deductible by Malvern Federal Savings Bank for federal income tax purposes. In order not to forfeit the payment of benefits under the SERPs, the officers must honor the non-compete provisions of such agreements.

Employees' Savings & Profit Sharing Plan

Malvern Federal Savings Bank maintains an Employees' Savings & Profit Sharing Plan (the "401(k) Plan"), for its employees including executive officers. Eligible employees may defer up to 6% of their salaries, with a matching contribution made by the Bank up to a specified limit determined annually by the Board of Directors. The Bank also may make additional discretionary contributions. We made 401(k) Plan matching contributions of \$54,000 and \$116,000, respectively, in fiscal 2011 and 2010.

Employee Stock Ownership Plan

In 2008, the Company established an employee stock ownership plan (the “ESOP”) for all eligible employees. As part of the Bank’s mutual holding company reorganization, the ESOP purchased 241,178 shares of common stock of Malvern Federal Bancorp utilizing a \$2.6 million loan from the Company. The loan to the ESOP is being repaid over its term of 18 years and shares are released for allocation to employees’ accounts as debt service payments are made. Shares released from the suspense account are allocated to each eligible participant’s plan account pro rata based on compensation. Forfeitures may be used for the payment of expenses or be reallocated among the remaining participants. Participants become 100% vested after three years of service. Participants also become fully vested in their account balances upon a change in control (as defined), death, disability or retirement. Benefits are payable upon retirement or separation from service. The current ESOP trustees are Messrs. Anderson, Steinmetz and Boyle.

Endorsement Split Dollar Insurance Agreements

Malvern Federal Savings Bank has purchased insurance policies on the lives of its executive officers, and has entered into Split Dollar Insurance Agreements with each of those officers. The policies are owned by Malvern Federal Savings Bank which pays each premium due on the policies. Under the agreements with the named executive officers, upon an officer’s death while he remains employed by Malvern Federal Savings Bank the executive’s beneficiary shall receive proceeds in the amount of three times the executive’s base salary at the time of death. In the case of the officer’s death after termination of employment with Malvern Federal Savings Bank, provided he reached age 65 before such termination, the officer’s beneficiary shall receive proceeds in the amount of two times the executive’s base salary. Malvern Federal Savings Bank is entitled to receive the amount of the death benefits less those paid to the officer’s beneficiary, which is expected to reimburse Malvern Federal Savings Bank in full for its life insurance investment.

The Split Dollar Insurance Agreements may be terminated at any time by Malvern Federal Savings Bank or the officer, by written notice to the other. The Split Dollar Insurance Agreements will also terminate upon cancellation of the insurance policy by Malvern Federal Savings Bank, cessation of Malvern Federal Savings Bank’s business or upon bankruptcy, receivership or dissolution or by Malvern Federal Savings Bank upon the officer’s termination of service to Malvern Federal Savings Bank. Upon termination, the officer forfeits any right in the death benefit and Malvern Federal Savings Bank may retain or terminate the insurance policy in its sole discretion.

Related Party Transactions

Loans and Extensions of Credit. Malvern Federal Savings Bank offers mortgage loans to its directors, officers and employees as well as members of their immediate families for the financing of their primary residences and certain other loans. These loans are generally made on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons except Malvern Federal Savings Bank waives the origination fees on real estate loans made to all employees. It is the belief of management that these loans neither involve more than the normal risk of collectibility nor present other unfavorable features to Malvern Federal Savings Bank.

The table below list all outstanding loans made by Malvern Federal Savings Bank to related persons, where the amount involved exceeds \$120,000 and loan origination fees were waived. In each case, the loans listed are loans to executive officers secured by real estate where, consistent with our policy for all employees, the typical 3.0% loan origination fee was waived.

Name	Loan Origination Date	Amount of Fees Waived at Time of Origination	Largest Principal Amount Outstanding during Year Ended September 30, 2011	Amounts Paid During Fiscal 2011			
				Amount Outstanding at September 30, 2011	Principal	Interest	Interest Rate
William E. Hughes, Jr.	2006	\$7,700	\$226,079	\$216,240	\$9,840	\$12,419	5.610%

Section 22(h) of the Federal Reserve Act generally provides that any credit extended by a savings institution, such as Malvern Federal Savings Bank, to its executive officers, directors and, to the extent otherwise permitted, principal stockholder(s), or any related interest of the foregoing, must be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the savings institution with non-affiliated parties; unless the loans are made pursuant to a benefit or compensation program that (i) is widely available to employees of the institution and (ii) does not give preference to any director, executive officer or principal stockholder, or certain affiliated interests of either, over other employees of the savings institution, and must not involve more than the normal risk of repayment or present other unfavorable features.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the officers and directors, and persons who own more than 10% of Malvern Federal Bancorp's common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by regulation to furnish Malvern Federal Bancorp with copies of all Section 16(a) forms they file. We know of no person who owns 10% or more of our common stock other than Malvern Federal Mutual Holding Company.

Based solely on our review of the copies of such forms furnished to us, or written representations from our officers and directors, we believe that during, and with respect to, the fiscal year ended September 30, 2011, our officers and directors complied in all respects with the reporting requirements promulgated under Section 16(a) of the Securities Exchange Act of 1934.

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (PROPOSAL TWO)

The Audit Committee of the Board of Directors of Malvern Federal Bancorp has appointed ParenteBeard LLC, independent registered public accounting firm, to perform the audit of our financial statements for the year ending September 30, 2012, and further directed that the selection of auditors be submitted for ratification by the shareholders at the annual meeting.

We have been advised by ParenteBeard LLC that neither that firm nor any of its associates has any relationship with Malvern Federal Bancorp or its subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients. ParenteBeard LLC will have one or more representatives at the annual meeting who will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

Audit Fees

The following table sets forth the aggregate fees paid by us to ParenteBeard LLC for professional services rendered by ParenteBeard LLC in connection with the audit of Malvern Federal Bancorp's consolidated financial statements for fiscal 2011 and 2010, as well as the fees paid by us to ParenteBeard LLC for audit-related services, tax services and all other services rendered by ParenteBeard LLC to us during fiscal 2011 and 2010.

	Year Ended September 30,	
	2011	2010
Audit fees (1)	\$162,588	\$139,735
Audit-related fees (2)	--	--
Tax fees	37,333	38,404
All other fees	--	--
Total	\$199,692	\$178,139

(1) Audit fees consist of fees incurred in connection with the audit of our annual consolidated financial statements and the review of the interim consolidated financial statements included in our quarterly reports filed with the Securities and Exchange Commission, as well as work generally only the independent auditor can reasonably be expected to provide, such as statutory audits, consents and assistance with and review of documents filed with the Securities and Exchange Commission.

(2) Audit related fees consist of fees incurred in connection with the provision of due diligence services and consultations regarding financial and accounting standards.

The Audit Committee selects our independent registered public accounting firm and pre-approves all audit services to be provided by it to Malvern Federal Bancorp. The Audit Committee also reviews and pre-approves all audit-related and non-audit related services rendered by our independent registered public accounting firm in accordance with the Audit Committee's charter. In its review of these services and related fees and terms, the Audit Committee considers, among other things, the possible effect of the performance of such services on the independence of our independent registered public accounting firm. The Audit Committee pre-approves certain audit-related services and certain non-audit related tax services which are specifically described by the Audit Committee on an annual basis and separately approves other individual engagements as necessary.

Each new engagement of the Company's independent registered public accounting firm was approved in advance by the Audit Committee or its Chair, and none of those engagements made use of the de minimis exception to pre-approval contained in the Securities and Exchange Commission's rules.

The Board of Directors recommends that you vote FOR the ratification of the appointment of ParenteBeard LLC as our independent registered public accounting firm for the fiscal year ending September 30, 2012.

January 11, 2012

Dear Fellow Shareholders:

The recession continued to have a significant impact on the financial services sector during our fiscal year ended September 30, 2011. Unemployment and the local real estate market showed little improvement, if any, in fiscal 2011. Unemployment remains close to 9% and commercial and residential property values in our local markets show few signs of increasing from the lows of 2010 and 2011. As we noted last year in our letter to shareholders, Malvern Federal has not been immune to the downturn in the economy. The declining real estate values and increased credit costs continue to have an adverse impact on our business. For year ended September 30, 2011, we reported a loss of \$6.1 million, or \$1.04 per share. Much of the loss in the past fiscal year reflects our continuing efforts to resolve our problem assets.

These are difficult times for banks such as Malvern Federal that have significant exposure to the real estate market through commercial, construction and residential loans. We are committed to working our way through these challenges and believe we have the strategies and management team to do so. While much remains to be done, we believe we have made progress in a number of areas. Improving asset quality and increasing core deposits continued to be two of our primary business strategies during the past year, as evidenced by:

- Non-accruing loans were reduced to \$12.9 million at the 2011 fiscal year-end compared to \$19.9 million at the end of fiscal 2010 — an improvement of 35%.
- Total non-performing loans as a percentage of gross loans improved to 2.52% at the fiscal 2011 year-end compared to 3.60% at the end of fiscal 2010.
- The ratio of our allowance for loan losses to total non-accruing loans increased to 78.2% at September 30, 2011 compared to 41.1% at September 30, 2010.
- Our total delinquent loans improved to \$15.6 million at September 30, 2011 compared to \$24.2 million at September 30, 2010.
- Changing — and improving — the composition of our deposit portfolio to less costly sources of funds. Core deposits increased by \$14.7 million during fiscal 2011.
- Our percentage of core deposits at September 30, 2011 was 43.3% of total deposits compared to 37.3% at the end of fiscal 2010.

Your Board of Directors, management team and employees remain committed to serving the needs of our customers, improving our asset quality and increasing long-term shareholder value. Let me assure you that our primary focus continues to be resolving and reducing our problem assets and returning to profitability. We will continue to explore all reasonably available paths in our efforts to better position your company for the future.

We are proud of our heritage and look forward to our future. We believe the core principles that served us well over the last 124 years will continue to serve us well for many years to come.

Very truly yours,
