InterDigital Communications Corporation ( Company ) announced today that Samsung Electronics Co. Ltd. ( Samsung ) has notified the Company of Samsung 's election to initiate the contractual dispute resolution process to determine the applicability of the terms of the Ericsson and Sony Ericsson license agreements to the royalty obligations of Samsung under its license agreement with the Company 's subsidiary InterDigital Technology Corporation. This election establishes the timetable for senior executive meetings and any future initiation of arbitration. Samsung has informed the Company that it believes resolution of this matter is unlikely without arbitration and that it intends to seek access to documents previously sealed by the Federal Court related to the now-settled Ericsson litigation.
