Item 1.01

On October 27, 2004, the Executive Compensation Committee of the Board of Directors of Kindred Healthcare, Inc. ("Company") amended and restated the Kindred Deferred Compensation Plan (the "Plan") effective January 1, 2005. The Plan was initially effective as of January 1, 1996, but the Executive Compensation Committee of the Company's Board of Directors suspended activity under the Plan in April 1999.

Generally, the amendments to the Plan reinstate activity under the Plan by authorizing the deferral of compensation by, and the payment of Company matching contributions to, certain eligible employees who contribute materially to the continued growth, development and future business success of the Company. Highly compensated employees (as defined under Section 414(q) of the Internal Revenue Code of 1986, as amended from time to time (the "Code")) of the Company, which would include executive officers, are eligible to participate in the Plan.

The amendments also include adjustments (i) to lower the age at which a participant may take retirement distributions, (ii) to credit and compound interest on participant account balances on a monthly basis, and (iii) to require lump-sum distributions of account balances to beneficiaries of deceased participants. These adjustments only apply to deferrals and matching contributions that are made on or after January 1, 2005.

In addition, the amendments include clarifying and technical revisions that (i) facilitate administration of the Plan and (ii) address requirements under Section 409A of the Code.

A copy of the Plan, as amended and restated, is attached hereto as Exhibit 99.1.

Item 9.01.

(c) Exhibits

Exhibit 99.1 Kindred Deferred Compensation Plan, Amended and Restated Effective as of January 1, 2005.
