Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On July 15, 2005, U-Store-It Trust (the Company) drew \$20 million under its \$150 million secured revolving credit facility with Lehman Commercial Paper Inc., as administrative agent, and the other lenders thereunder. Following this draw, approximately \$121.5 million was outstanding on this facility and \$16.3 million was available for borrowing as of July 15, 2005. The Company has used the funds drawn under this facility primarily to acquire self-storage facilities. The Company has the option of adding additional properties to its borrowing base to increase the amount available to be drawn on this facility, up to a maximum of \$150 million.

The revolving credit facility was entered into on October 27, 2004 and is scheduled to mature on October 27, 2007, with the option for a one-year extended maturity date of October 27, 2008. Borrowings under the revolving credit facility bear interest at a variable rate based upon a base rate or a Eurodollar rate plus, in each case, a spread depending on the Company's leverage ratio. The revolving credit facility is secured by certain of the Company's self-storage facilities and requires that the Company maintain a minimum borrowing base of properties.

The foregoing description of the revolving credit facility is qualified in its entirety by the full terms and conditions of the Credit Agreement dated October 27, 2004, a copy of which was filed as Exhibit 10.5 to the Company's Current Report on Form 8-K, filed on November 2, 2004.
