Item 1.01 Entry into a Material Definitive Agreement.

On October 3, 2005, a wholly-owned Canadian subsidiary (the Borrower) of AmerisourceBergen Corporation (the Registrant) entered into a CAN\$135 million senior unsecured credit facility (the Canadian Credit Agreement), with the Registrant, as guarantor, The Bank of Nova Scotia, as administrative agent and lead arranger, and various commercial lenders.

The Canadian Credit Agreement consists of a revolving credit facility (the Canadian Revolving Facility) maturing in December 2009. Interest on borrowings under the Canadian Credit Agreement accrues, at the Borrower's option, at (1) LIBOR, (2) the greater of the administrative agent's U.S. prime rate and the federal funds rate, or ABR, or (3) the administrative agent's Canadian prime rate, or CPR, plus a specified rate based on the Borrower's debt ratings. Such specified rates range from 0.32% to 1.20% over LIBOR and 0% to 0.20% over ABR or CPR. In addition, the BA Stamping Fee payable in respect of Bankers' Acceptance borrowings under the Canadian Revolving Facility range from 0.32% to 1.20% over a base rate based on the Borrower's debt ratings. Availability under the Canadian Revolving Facility is reduced by the amount of outstanding letters of credit. The Borrower will pay quarterly facility fees to maintain the availability under the Canadian Revolving Facility at specified rates based on the Borrower's debt ratings ranging from 0.08% to 0.30% of the total commitment under the Canadian Revolving Facility. The Canadian Credit Agreement contains restrictions on, among other things, additional indebtedness, distributions and dividends to stockholders, investments and loans. Additional covenants require compliance with leverage and fixed charge coverage ratios. The Borrower may choose to repay its obligations or reduce its commitments under the Canadian Credit Agreement at any time. The Borrower's obligations under the Credit Agreement are guaranteed by the Registrant.

The Borrower may use the funds provided under the Canadian Credit Agreement for general corporate purposes, investments and acquisitions. The Canadian Credit Facility was used to fund the acquisition by the Borrower of Trent Drugs (Wholesale) Ltd. and will be available to fund the ongoing activities of the company in Canada.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On October 4, 2005, the Registrant, through the Borrower, acquired all of the issued and outstanding shares of Trent Drugs (Wholesale) Ltd., one of the largest national pharmaceutical distributors in Canada from the shareholders of the closely held company. The purchase price was approximately US\$83 million, including the assumption of debt of approximately US\$43 million. The acquisition was financed with borrowings by the Borrower under the Canadian Credit Agreement (as described above). In connection with the acquisition, the Borrower and Trent Drugs (Wholesale) Ltd. were amalgamated under Canadian law, with the resulting entity continuing to operate as Trent Drugs (Wholesale) Ltd. A copy of the news release issued on October 5, 2005 by the Registrant regarding the acquisition is filed as Exhibit 99.1 and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
