SPECTRUM BRANDS, INC.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON WEDNESDAY, APRIL 26, 2006

General

We are furnishing this proxy statement to shareholders of record of Spectrum Brands, Inc. ("Spectrum" or the "Company") in connection with the solicitation of proxies for use at the annual meeting of shareholders (the "Annual Meeting") to be held on Wednesday, April 26, 2006, at Spectrum's North American headquarters located at 601 Rayovac Drive in Madison, Wisconsin, at 8:00 a.m., local time, and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The Notice of Annual Meeting of Shareholders, this proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about March 24, 2006.

Voting Securities, Quorum and Vote Required

Only holders of record of common stock, par value \$.01 per share, of Spectrum (the "Common Stock") as of the close of business on March 15, 2006 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. On the Record Date, there were 50,742,646 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Shareholders are entitled to one vote for each share of Common Stock they held as of the Record Date.

A quorum of shareholders is necessary to hold a valid annual meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

To be elected as a Class III or a Class I director at the Annual Meeting (Proposal No. 1), each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting, provided a quorum is present. The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present, is required to ratify the Board of Directors' appointment of KPMG LLP as our independent registered public accounting firm for fiscal 2006 (Proposal No. 2).

Shares represented by proxies that are marked **WITHHELD** with regard to Proposal No. 1 (Election of Directors) will be excluded entirely from the vote and will have no effect. Shares represented by proxies that are marked **ABSTAIN** with regard to Proposal No. 2 (Ratification of KPMG LLP's Appointment) will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a negative vote because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

Edgar Filing: Spectrum Brands, Inc. - Form DEF 14A

If your shares are held in a brokerage account they may not be voted or may be voted contrary to your wishes. A broker non-vote occurs on a proposal when a broker who holds shares of record in the broker's name is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction is given. For purposes of the Annual Meeting, brokers holding your shares in their name will be

permitted to vote such shares with respect to all of the proposals to be voted on at the Annual Meeting without instruction from you, and, accordingly, broker non-votes will not occur with respect to any of the proposals. To ensure your shares are voted in the manner you desire, you should provide written instructions to your broker on how to vote your shares for each of the two proposals to be voted on at the Annual Meeting.

Proxies and Voting Procedures

Voting Your Proxy

You may vote in person at the Annual Meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You can always change your vote at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee (shares held in street name), you must bring a proxy from your broker, bank or other nominee authorizing you to vote your street name shares held as of the Record Date.

Voting instructions are included on your proxy card. If you properly complete, date and sign your proxy and return it to us in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed on the proxy card. **If you sign and timely return your proxy card, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted FOR each of such proposals.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. If any other matter is properly presented at the Annual Meeting upon which a vote may properly be taken, shares represented by duly executed and timely returned proxy cards will be voted on any such matter in accordance with the judgment of the named proxies. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

How to Vote by Proxy

You may vote by proxy by completing, signing, dating and returning your proxy card in the enclosed envelope. If you hold your shares through a broker or other custodian, you should provide written instructions to your broker on how to vote your shares. With respect to each of the proposals to be voted on at the Annual Meeting, your broker will be permitted to vote your shares without instruction from you. As a result, if you do not provide your broker with instructions on how to vote your shares with respect to each of the two proposals, your broker may vote your shares in a different manner than you would have voted if you had provided instructions to your broker.

Revoking Your Proxy

You may revoke your proxy before it is voted by:

Edgar Filing: Spectrum Brands, Inc. - Form DEF 14A

sending in a new proxy with a later date;

notifying the Secretary of the Company in writing before the Annual Meeting that you have revoked your proxy; or

voting in person at the Annual Meeting.

If you hold your shares through a broker or other custodian, you will need to contact them to revoke your proxy.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a legal-proxy from your broker, bank or other nominee authorizing you to vote your street name shares held as of the Record Date.

Proxy Solicitation

This solicitation of proxies is being made on behalf of our Board of Directors and we will bear the costs of the solicitation. We have engaged Georgeson Shareholder Communications Inc. to assist in soliciting proxies for a fee of approximately \$7,000 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

Delivery of Proxy Materials and Annual Report to Households

The Rules of the Securities and Exchange Commission (the SEC) permit companies and brokers, banks or other intermediaries to deliver a single copy of an annual report and proxy statement to households at which two or more shareholders reside (commonly referred to as householding). Beneficial owners sharing an address who have been previously notified by their broker, bank or other intermediary and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of our annual report to shareholders for the last fiscal year (the Annual Report) and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of our Annual Report and this proxy statement is delivered may obtain a separate copy of our Annual Report and/or this proxy statement without charge by sending a written request to Spectrum Brands, Inc., 6 Concourse Parkway, Suite 3300, Atlanta, Georgia 30328, Attention: Vice President, Investor Relations, by calling us at (770) 829-6200 or by writing to us via electronic mail at investorrelations@spectrumbrands.com. We will promptly deliver an Annual Report and/or this proxy statement upon request.

Not all brokers, banks or other intermediaries may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your broker, bank or other intermediary directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your broker, bank or other intermediary to revoke your consent.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board of Directors currently consists of nine members, as determined in accordance with our Amended and Restated By-Laws. In accordance with our Amended and Restated Articles of Incorporation, the Board of Directors is divided into three classes (designated Class I, Class II and Class III, respectively), each consisting, as nearly as possible, of one-third of the total number of directors. The current term of office of the Class III directors expires at the Annual Meeting. The Class II and Class I directors are serving terms that expire at the annual meeting of shareholders to be held in 2007 and 2008, respectively. The three classes are currently comprised of the following directors:

Class I consists of David A. Jones and Barbara S. Thomas who will serve until the annual meeting of shareholders to be held in 2008. Former director Neil P. DeFeo resigned from his position as a Class I Director effective December 31, 2005;

Class II consists of Thomas R. Shepherd, Charles A. Brizius and Scott A. Schoen who will serve until the annual meeting of shareholders to be held in 2007, and John S. Lupo, who will resign his position immediately prior to the Annual Meeting and will be standing for re-election as a Class I director at the Annual Meeting; and

Class III consists of Kent J. Hussey, William P. Carmichael and John D. Bowlin, who will serve until the Annual Meeting.

In light of Mr. DeFeo's resignation as a Class I director and in order to have each class consist, as nearly as possible, of one-third of the total number of directors, John S. Lupo has agreed to resign his position as a Class II director and as a member of the Compensation Committee and the Nominating and Corporate Governance Committee, effective immediately prior to the Annual Meeting, and stand for re-election as a Class I director this year. If elected, Mr. Lupo would serve a two year term as a Class I director expiring at the annual meeting of shareholders to be held in 2008 and be reappointed as a member of the Compensation Committee and Nominating and Corporate Governance Committee.

The named proxies will vote the shares represented by all proxies received for the nominees for these vacancies, except to the extent authority to do so is withheld. Shareholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the WITHHOLD column adjacent to the name(s) of the appropriate director(s) on the proxy card. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee is or becomes unable or unwilling to serve, all proxies received will be voted for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Each nominee has agreed to serve if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

The names of the nominees being presented for consideration by the shareholders (all of whom are incumbent directors) and our current directors, their ages, the years in which they became directors of the Company and certain other information about them are set forth on the following pages. Except for Thomas H. Lee Partners, L.P. and its affiliates, none of the corporations or other organizations referred to on the following pages with which a director or nominee for director has been employed or otherwise associated is currently a parent, subsidiary or other affiliate of the Company.

Supplemental Executive Retirement Plan

We provide a supplemental executive retirement plan for eligible employees. The Board of Directors determines which employees are eligible to participate in the plan. Currently, only our Named Executive Officers and certain other executive officers participate in the plan. Pursuant to the plan, we establish an account for each plan participant. Each October 1, we credit the account of each participant by an amount equal to 15% of the participant's base salary. In addition, each calendar quarter we credit each account by an amount equal to 2% of the participant's account value as of the first day of the plan year containing such calendar quarter. Each participant vests 20% per year in his account after becoming a participant in the plan, with immediate full vesting occurring upon death, disability or a change in our control.

Employment Agreements

We entered into amended and restated employment agreements with each of Kent J. Hussey, Kenneth V. Biller and Randall J. Steward effective as of April 1, 2005 and with David A. Jones effective as of October 1, 2005. One of our German subsidiaries entered into an amended and restated employment agreement with Remy E. Burel effective as of April 1, 2005.

The agreements with Messrs. Hussey, Biller and Steward expire on September 30, 2008 and the agreement with Mr. Jones expires on September 30, 2009. Mr. Burel's agreement has no specified term, but either party may terminate the agreement at any time upon six months notice. Each of these agreements provides that the executive officer has the right to resign and terminate his respective agreement at any time upon at least 60 days' notice (six months' notice in the case of Mr. Burel). Upon such resignation, the Company must pay any unpaid base salary through the date of termination to the resigning executive officer. Mr. Jones has the option to relinquish the Chief Executive Officer position on October 1, 2008 and remain as an employee through September 30, 2009, subject to reduction in his salary and bonus.

The agreements with Messrs. Hussey, Biller and Steward provide generally that upon our termination of the executive officer's employment without cause or for death or disability, we will pay to the terminated executive officer, or such executive officer's estate, two times the executive officer's base salary and annual bonus, to be paid out over the following 24 months. Mr. Burel is entitled to three times his base salary and annual bonus, to be paid out over the 36 months following such termination. The agreements with Messrs. Hussey and Biller also provide that if the executive officer resigns upon the occurrence of specified circumstances that would constitute a constructive termination (as defined therein), the executive officer's resignation shall be treated as a termination by us without cause. The agreement with Mr. Jones provides that upon our termination of employment due to death or disability, we will pay Mr. Jones or his estate, as applicable, (a) his base salary over the following 24 months, (b) double the pro rata portion of the annual bonus payable to Mr. Jones (unless the Board determines to pay a greater amount in its sole discretion) and (c) additional salary of \$18,500 annually for the remainder of the term. Upon our termination of Mr. Jones' employment without cause, we will pay him (a) his base salary for the remainder of the term (or 24 months following such termination, if greater), (b) his annual bonus (provided we achieve our performance goals) for the remainder of the term (or 24 months following such termination, if greater) and (c) additional salary of \$18,500 annually for the remainder of the term (or 24 months following such termination, if longer).

Under each agreement, we have the right to terminate the executive officer's employment for cause (as defined therein), in which event we shall be obligated to pay to the terminated executive officer any unpaid base

salary accrued through the date of termination. Each agreement also provides that, during the term of the agreement or the period of time served as an employee or director, and for one year thereafter, the executive officer shall not provide services of the same or similar kind that he provides to us, have a significant financial interest in any of our competitors or solicit any of our customers or employees.

Under their respective agreements, beginning April 1, 2005, Mr. Hussey became entitled to a base salary of \$525,000 per annum, Mr. Biller became entitled to a base salary of \$450,000 per annum, Mr. Burel became entitled to a base salary of Euro 375,000 and Mr. Steward became entitled to a base salary of \$425,000. Under Mr. Jones' October 1, 2005 agreement, he is entitled to a base salary of \$900,000 plus additional salary of \$18,500 for miscellaneous expenses. Our Board of Directors will review these base salaries from time to time and may increase them in its discretion. Each executive officer also is entitled to an annual bonus based upon our achieving certain annual performance goals established by the Board of Directors.

Pursuant to their agreements, Messrs. Jones, Hussey, Biller, Burel and Steward are entitled to participate in the Company's equity-based compensation plans. Messrs. Hussey, Biller, Burel and Steward received restricted stock grants under our 2004 Incentive Plan (the "2004 Plan") on April 1, 2005. On this date, Mr. Hussey received 40,000 shares of our Common Stock and Messrs. Biller, Burel and Steward each received 25,000 shares. All of the shares are subject to time-based restrictions. With respect to the shares received by Messrs. Hussey and Biller, the restrictions on 50% of the shares are scheduled to lapse on October 1, 2006 and 50% are scheduled to lapse on October 1, 2007. With respect to the shares received by Messrs. Burel and Steward, the restrictions on all shares are scheduled to lapse on October 1, 2008. In addition, restrictions also lapse on all grants in the event of a change in control, as defined in the 2004 Plan. Upon the termination of a recipient's employment with us for any reason, such recipient shall forfeit to us all shares for which restrictions have not lapsed as of the date of such termination.

Also on April 1, 2005, we made grants of restricted stock pursuant to the Superior Achievement Award Agreements to each of Messrs. Hussey, Biller, Burel and Steward. The Superior Achievement Award Agreements incorporate the terms of the 2004 Plan. Pursuant to the Superior Achievement Award Agreements, Mr. Hussey received 35,638 shares of our Common Stock, Mr. Biller received 30,547 shares, Mr. Burel received 23,274 shares and Mr. Steward received 28,850 shares. The shares of restricted stock granted pursuant to the Superior Achievement Award Agreements are subject to performance-based restrictions as well as time-based restrictions. The restrictions on some or all of the shares issued pursuant to the Superior Achievement Award Agreements are scheduled to lapse as of February 7, 2008 if certain company performance goals are achieved for the period beginning February 7, 2005 and ending December 31, 2007. The performance measures include measures related to our realization of cost savings related to certain of our acquisitions. To the extent that the required performance goals are not satisfied, so that the restrictions on the shares do not lapse as of February 7, 2008, the restrictions on any remaining shares will lapse as of February 7, 2012, provided that the recipient's employment with us or our subsidiaries has not terminated prior to that date.

Mr. Jones was awarded a restricted stock grant of shares of our Common Stock with a Fair Market Value (as such term is defined in the 2004 Plan) as of October 1, 2005 equal to \$2,400,000, subject to certain vesting requirements. Additionally, Mr. Jones was awarded, on October 1, 2005, and will be awarded on each succeeding October 1, through October 1, 2008, shares of Common Stock with a Fair Market Value equal to the greater of \$2,225,000 or 225% of his base salary then in effect, subject to certain vesting requirements. Messrs. Hussey, Biller, Steward and Burel will be awarded in fiscal 2005, and will be awarded in each succeeding fiscal year through 2007 (or, in the case of Mr. Burel, each succeeding fiscal year for as long as his agreement remains in

effect), shares of Common Stock with a Fair Market Value equal to 150%, 125%, 125% and 100%, respectively, of their base salaries then in effect, subject to certain vesting requirements. Restrictions lapse on all grants in the event of a change in control, as defined in the 2004 Plan. Upon the termination of a recipient's employment with us for any reason, such recipient shall forfeit to us all shares for which restrictions have not lapsed as of the date of such termination.

Mr. Jones was paid a \$2,200,000 retention bonus on October 1, 2005 pursuant to the terms of his employment agreement immediately prior to the October 1, 2005 amendments.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is comprised of William P. Carmichael, John S. Lupo and Thomas R. Shepherd. Mr. Carmichael was elected to the Compensation Committee in November 2005. No member of our Compensation Committee is currently or has been, at any time since our formation, one of our officers or employees. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is currently comprised of William P. Carmichael, John S. Lupo and Thomas R. Shepherd. Mr. Carmichael was elected to the Compensation Committee in November 2005. Mr. Carmichael did not participate as a Compensation Committee member during any committee meetings during fiscal 2005. The Compensation Committee determines the compensation of all of the executive officers of Spectrum. The purpose of this report is to inform shareholders of our compensation policies for our executive officers and the rationale for the compensation paid to executive officers in fiscal 2005.

Compensation Procedures and Policies

Our executive compensation philosophy and specific compensation plans tie a significant portion of our executives' compensation to our success in meeting specified profit, growth and performance goals and to appreciation in our stock price. Our compensation objectives include attracting and retaining the best possible executive talent, motivating executive officers to achieve our performance objectives, rewarding individual performance and contributions and linking executive and shareholder interest through equity based plans.

Our executive compensation consists of three key components: base salary, annual incentive compensation and stock based awards, each of which is intended to complement the others and, taken together, to satisfy our compensation objectives. The Compensation Committee's policies with respect to each of the three components, including the basis for the compensation awarded to our Chief Executive Officer, are discussed below.

Base Salary

Edgar Filing: Spectrum Brands, Inc. - Form DEF 14A

Each of our executive officers, including the Named Executive Officers, is party to an employment agreement approved by the Compensation Committee that sets the base salary for each executive officer as well as other terms and conditions of employment. The base salary of each executive officer may be adjusted during

the term of the agreement, as approved by the Board of Directors. The Compensation Committee periodically reviews the base salary of the Chief Executive Officer and also considers the recommendation of the Chief Executive Officer with regard to the base salary of all our other executive officers. The Compensation Committee reviews available national survey data regarding salaries of persons holding comparable positions at comparably sized consumer goods companies to establish base salary ranges and then approves, with any modifications it deems appropriate, the base salaries recommended by the Chief Executive Officer for each of the other executive officers.

The terms and conditions of Mr. Jones' employment were revised by the Compensation Committee and the Board of Directors during fiscal year 2005 in light of the significant increase in the size and complexity of the Company as a result of the United and Tetra Holdings acquisitions. In consideration of the new scope and complexity of Mr. Jones' position and Mr. Jones' performance, the Compensation Committee approved an amended and restated employment agreement for Mr. Jones, effective October 1, 2005. See the section of this proxy statement entitled

Employment Agreements above for further information about the terms and conditions of Mr. Jones' amended and restated employment agreement. Also, during fiscal year 2005, the Compensation Committee reviewed and discussed various matters relating to the compensation of other executives and key employees of the Company, including the Named Executive Officers in light of the United and Tetra acquisitions and approved entry into employment agreements on April 1, 2005 with certain executives, including the Named Executive Officers, which increased the salary of certain executives and key employees and awarded shares of restricted stock to certain executives and key employees. See the Section of this Proxy Statement entitled Employment Agreements above for further information about the increases in base salary to the other Named Executive Officers.

The amount of base salary paid to each Named Executive Officer in fiscal 2005 is set forth in the summary compensation table on page 17.

Annual Incentive Compensation

In fiscal 2005, our executive officers were eligible to participate in an annual incentive bonus plan which called for payments to Mr. Jones based on 100% of his annual salary, to Messrs. Hussey, Biller and Steward based on 75% of each of their annual base salaries and to our other executive officers (with the exception of United executives Mr. Heil, who remains an executive officer of Spectrum, and Mr. Robert Caulk, who served as an executive officer of Spectrum until he resigned his employment with Spectrum in February 2006) based on 50% to 60% of their annual salaries as cash bonuses in the event that we reached 100% of our target financial goals. Bonuses could have exceeded that amount (but in no event could bonuses exceed 150% of targeted amounts) if we exceeded our target financial goals. As the Company did not reach the financial goals necessary to trigger such bonus payments relative to fiscal 2005 performance, no such annual bonuses were paid to Mr. Jones or the other executive officers with the exception of Messrs. Heil and Caulk. Messrs. Heil and Caulk were paid annual bonuses based on fiscal 2005 performance as called for in each of their employment agreements with United or its subsidiaries that was in effect at the time Spectrum acquired United.

In fiscal 2006, our executive officers will be eligible to participate in an incentive bonus plan which provides for payments to Mr. Jones based on 125% of his annual salary, to Messrs. Hussey, Biller, Lumley and Steward based on 75% of each of their annual salaries and to our other executive officers based on 50% to 60% of their annual salaries as cash bonuses in the event that we reach 100% of our target financial goals. Bonuses can exceed that amount (but in no event will bonuses exceed 150% of targeted amounts) if we exceed our target

financial goals. If we reach at least 80%, but less than 100%, of our target financial goals, the executive officers may be eligible to receive between 50% and 100% of the incentive bonus payment they would otherwise have been eligible to receive had we reached 100% of our target financial goals.

Stock Based Awards

During fiscal 2005, our executive officers were also eligible to participate in the 1996 Rayovac Incentive Plan (the 1996 Plan), the 1997 Rayovac Incentive Plan (the 1997 Plan) and the 2004 Rayovac Incentive Plan (the 2004 Plan).

Under the 1996 Plan, options to acquire up to 2,318,000 shares of Common Stock, in the aggregate, could be granted to select employees and directors under a time-vesting and/or a performance vesting formula at an exercise price equal to the market price of the Common Stock on the date of grant. The time-vesting options become exercisable primarily in equal 20% increments over a five-year period. The performance vesting options become exercisable at the end of ten years with accelerated vesting over each of the first five years if we achieve certain performance goals. Accelerated vesting may also occur upon a sale of Spectrum, as defined in the 1996 Plan. As of February 15, 2006, options with respect to 387,444 shares of Common Stock were outstanding under the 1996 Plan. In 1997, the Board of Directors adopted the 1997 Plan, which replaced the 1996 Plan. No new awards will be granted under the 1996 Plan. Awards, however, may be granted to replace options granted under the 1996 Plan that terminate or expire prior to being exercised.

Under the 1997 Plan, we may grant to employees and non-employee directors stock options, stock appreciation rights, restricted stock and other stock based awards, as well as cash-based annual and long-term incentive awards. Accelerated vesting will occur in the event of a change in control, as defined in the 1997 Plan. Up to 5,000,000 shares of Common Stock may be issued under the 1997 Plan. As of February 15, 2006, 2,699,705 shares of Common Stock underlying stock option grants and unvested restricted stock awards were outstanding under the 1997 Plan. The 1997 Plan expires in August 2007.

In April 2004, the Compensation Committee determined that the 1997 Plan did not have a sufficient number of shares reserved and available for future grants of stock or stock based awards to meet the Company's anticipated needs over the next several years. As a result, the Compensation Committee recommended, and the Board of Directors and shareholders of the Company approved, the adoption of the 2004 Plan in July 2004. The 2004 Plan is substantially similar to the 1997 Plan. The 2004 Plan reserves and makes available for distribution up to 3,500,000 shares of Common Stock for stock and stock based awards similar in kind to those available under the 1997 Plan. As of February 15, 2006, 2,144,657 shares of Common Stock underlying unvested restricted stock awards were outstanding under the 2004 Plan. The 2004 Plan expires in August 2014.

The restricted stock awards granted to the Named Executive Officers in fiscal 2004 are set forth in the summary compensation table on page 17.

Policy Regarding Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally limits the tax deductibility by a company of compensation in excess of \$1,000,000 paid to its chief executive officer and the four next highest compensated executive officers. This limit does not apply, however, to performance-based compensation, as defined in Section 162(m).

The Compensation Committee has not adopted a policy that all compensation must be tax deductible under Section 162(m). In order to maintain ongoing flexibility in the company's compensation programs, the Compensation Committee reserves the authority to authorize payments or grant awards that may not be deductible if it believes that it is in the best interests of Spectrum and our shareholders. Certain awards of restricted stock granted under our 1997 Incentive Plan and 2004 Incentive Plan do not constitute performance based compensation for purposes of Section 162(m).

The foregoing report is furnished by the Compensation Committee of the Board of Directors.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of John D. Bowlin, William P. Carmichael and Barbara S. Thomas. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed at the Corporate Governance portion of our website at www.spectrumbrands.com.

The Board of Directors has adopted a written Audit Committee Charter which incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NYSE listing standards. All members of the Audit Committee are independent as defined by SEC rules and NYSE listing standards. At least one member of the Audit Committee is an audit committee financial expert within the meaning of Item 401(h)(2) of Regulation S-K.

Management is responsible for our internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America, evaluating management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG's evaluation of the Company's internal control over financial reporting and issuing their reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the committee has reviewed and discussed with management and KPMG the audited financial statements for the fiscal year ended September 30, 2005, management's assessment of the effectiveness of the company's internal control over financial reporting and KPMG's evaluation of the company's internal control over financial reporting. The committee has discussed with KPMG the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees). KPMG has provided to the committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee has discussed with KPMG that firm's independence. The committee has concluded that KPMG's provision of audit and non-audit services to Spectrum and its affiliates is compatible with KPMG's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended September 30, 2005 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be appointed as our independent registered public accounting firm for fiscal 2006.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We held, during a portion of fiscal 2005, various promissory notes described below from certain of our current executive officers, which notes matured in September, 2005.

On July 20, 2000, the Board of Directors authorized loans to Messrs. Jones, Hussey, Biller and Cancio of up to the aggregate principal amounts of \$1,950,000, \$800,000, \$400,000 and \$200,000, respectively (collectively, the Executive Notes). As of August 11, 2000, Messrs. Jones, Hussey, Biller and Cancio had each executed a promissory note. The largest aggregate amount of indebtedness outstanding at any time during fiscal 2005 for each of the executive officers was as follows: Mr. Jones, \$1,700,000; Mr. Hussey, \$750,000; Mr. Biller, \$400,000; and Mr. Cancio, \$200,000. Interest on these promissory notes was adjusted annually to the Internal Revenue Service minimum rate for 3-5 year maturities. The annual interest rate on each of these notes was 4.48% in fiscal year 2005. Each of these promissory notes was secured by a security interest in shares of our Common Stock (including vested options) owned by the respective borrower. Payments of interest on the Executive Notes were due annually and the outstanding principal amount and any unpaid interest on the Executive Notes was payable at maturity. The Executive Notes matured and were paid in full in September 2005.

The purpose of the Executive Notes was to provide the executive officers receiving the loans with access to funds as a component of their compensation program. In July 2000, a significant percentage of the stock options and our Common Stock held by such executive officers were subject to transfer restrictions imposed by a shareholders agreement among Spectrum, the executive officers and the Thomas H. Lee Company (which agreement expired on September 12, 2002). The loans provided the executive officers with access to alternative funds in light of the restrictions imposed by the shareholders agreement on the equity component of the executives' compensation.

On February 7, 2005, the Company acquired all of the equity interests of United pursuant to the Agreement and Plan of Merger (as amended, the Merger Agreement) by and among the Company, Lindbergh Corporation and United dated as of January 3, 2005 filed as an exhibit to the Current Report on Form 8-K filed by the Company on January 4, 2005. Pursuant to the terms of the Merger Agreement, Lindbergh Corporation merged with and into United with United continuing as the surviving corporation (the Merger). The purchase price for the acquisition, excluding fees and expenses, consisted of \$70 million in cash, 13.75 million shares of Spectrum Common Stock and the assumption of outstanding United indebtedness, which was \$911.5 million as of January 21, 2005. The purchase price was determined through negotiations between representatives of the Company, who were operating under supervision and direction of an acquisition committee of the Board of Directors, and representatives of United. The acquisition committee consisted of Messrs. DeFeo, Lupo, Bowlin, Carmichael and Ms. Thomas.

Certain affiliates of Thomas H. Lee Partners, L.P. were the majority shareholders of United immediately prior to the consummation of the Company's acquisition of United, and as a result of the Company's acquisition of United, are significant shareholders of the Company. United previously had a professional services agreement with certain affiliates of Thomas H. Lee Partners, L.P. pursuant to which United paid \$62,500 per month for management and other consulting services and reimbursed out-of-pocket expenses. In connection with the Merger, the professional services agreement was terminated effective as of the Merger. In addition, two of the Company's directors, Messrs. Schoen and Brizius, are members of Thomas H. Lee Advisors, LLC, which is the general partner of Thomas H. Lee Partners, L.P., which is the manager of THL Equity Advisors IV, LLC, which, in turn, is the general partner of each of the Thomas H. Lee related funds that were shareholders of United immediately prior to the Merger and now are significant shareholders of the Company.

Mr. Jones, Chairman of the Board and Chief Executive Officer of the Company, and trusts for his family members collectively owned 202,935 shares of United common stock immediately prior to the Merger, which shares were converted into an aggregate of 36,239 shares of Company Common Stock pursuant to the Merger. In addition, Mr. Jones held vested options to acquire 397,065 shares of United common stock at a weighted average exercise price of \$2.00 per share, which, pursuant to the terms of the Merger Agreement, were cashed out in an amount equal to the number of shares underlying options having an exercise price less than \$5.997 per share multiplied by the amount by which \$5.997 exceeded the relevant option exercise price. Mr. Jones was a member of the Board of Directors of United from January 20, 1999 to December 31, 2003 and provided consulting services to United under an agreement that was terminated on September 28, 2004. Mr. Shepherd, a member of the Company's Board of Directors, is an investor in Thomas H. Lee Equity Fund IV, L.P., a large shareholder of United immediately prior to the Merger and, as a result of the Merger, currently is a large shareholder of the Company.

In connection with the acquisition of United, the Company entered into certain agreements with UIC Holdings, L.L.C. (Holdings), the majority stockholder of United as of the date Spectrum entered into the definitive agreement to acquire United, Thomas Lee Partners, L.P. and certain of its affiliates and certain former stockholders of United. The agreements are described below.

On February 7, 2005, the Company entered into a registration rights agreement (the Registration Rights Agreement) with certain former stockholders of United, including certain affiliates of Thomas H. Lee Partners, L.P. and an affiliate of Banc of America Securities LLC, pursuant to which the Company agreed to prepare and file with the SEC, not later than nine months following the consummation of the acquisition of United on February 7, 2005, a registration statement to permit the public offering and resale under the Securities Act of 1933 on a continuous basis of shares of Common Stock issued in connection with its acquisition of United (the Shelf Registration Statement). Pursuant to the Registration Rights Agreement, the Company also granted to the former stockholders of United certain rights to require the Company, on not more than three occasions, to amend the Shelf Registration Statement or prepare and file a new registration statement to permit an underwritten offering of shares of the Company's stock received by them in the acquisition of United as well as certain rights to include those shares in any registration statement proposed to be filed by the Company. In addition, the Registration Rights Agreement prohibits those former stockholders party to the agreement from selling or transferring shares of Common Stock received in the acquisition of United for 12 months following the consummation of that acquisition or from selling or transferring more than 50% of those shares during the 18 month period following the consummation of that acquisition.

On February 7, 2005, the Company entered into a standstill agreement (the Standstill Agreement) with Thomas H. Lee Equity Fund IV, L.P., THL Equity Advisors IV, LLC, Thomas H. Lee Partners, L.P. and Thomas H. Lee Advisors, L.L.C. (the Restricted Parties). Pursuant to the Standstill Agreement, the Restricted Parties are prohibited until February 7, 2010 from acquiring ownership in excess of 28% of the Company's outstanding voting capital stock, on a fully-diluted basis, soliciting proxies or consents with respect to the Company's voting capital stock, soliciting or encouraging third parties to acquire or seek to acquire the Company, a significant portion of the Company's assets or more than 5% of the Company's outstanding voting capital stock or joining or participating in a pooling agreement, syndicate, voting trust or other similar arrangement with respect to the Company's voting capital stock for the purpose of acquiring, holding, voting or disposing of such voting capital stock.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****General**

Upon recommendation of the Audit Committee, our Board of Directors has appointed KPMG LLP as our independent registered public accounting firm for fiscal 2006. The shareholders are asked to ratify this action of the Board of Directors. Shareholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2006 is not required by our Amended and Restated By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If shareholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2006, our Board of Directors will consider the matter at its next meeting. KPMG LLP has audited our financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from shareholders who are present.

Independent Auditor Fees

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us for each of the last two fiscal years (in millions):

	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2005	\$ 4.8	\$ 0.5	\$ 0.1	\$
2004	\$ 1.9	\$ 0.5	\$ 0.1	\$

In the above table, in accordance with the SEC's definitions and rules, **Audit Fees** are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as statutory audits required for certain of our foreign subsidiaries. **Audit-Related Fees** are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. The majority of Audit-Related Fees in 2005 and 2004 were attributable to due diligence services related to acquisitions and advice related to the implementation of Section 404 of the Sarbanes-Oxley Act of 2002. **Tax Fees** are fees for tax compliance, tax advice and tax planning, and for both fiscal 2005 and 2004 such fees were attributable to services for tax-compliance assistance and tax advice. **All Other Fees** are fees for any services not included in the first three categories.

Pre-Approval of Independent Auditor Services and Fees

Edgar Filing: Spectrum Brands, Inc. - Form DEF 14A

The Audit Committee pre-approved the fiscal 2005 audit services engagement performed by KPMG LLP. In accordance with the Audit Committee's Pre-Approval Policy, the Audit Committee has pre-approved other specified audit, non-audit, tax and other services, provided that the fees incurred by KPMG LLP in connection with any individual non-audit engagement do not exceed \$100,000 in any 12-month period. The Audit Committee must approve on an engagement by engagement basis any individual non-audit engagement.

in excess of \$100,000 in any 12-month period or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events in excess of \$1,000,000 in any 12-month period. The Audit Committee has delegated to its Chairman the authority to pre-approve any other specific audit or specific non-audit service which was not previously pre-approved by the Audit Committee, provided that any decision of the Chairman to pre-approve other audit or non-audit services shall be presented to the Audit Committee at its next scheduled meeting.
