#### **Investment in IT System Development**

On April 27, 2007, the board of directors of Kookmin Bank approved plans for investments in information technology in the amount of 600,000,000,000 Won. This amount, equal to 3.99% of the total shareholders equity of Kookmin Bank, will be invested over a period of five years from May 2007.

The new IT project comprises a next generation system and a new IT center, which we believe will increase our productivity. The new system will include upgrades of the Account System, which is our core banking system processing deposits and withdrawals, the Management Information System, which provides a variety of important information related to our management and the Internet banking system. The new IT center, to be constructed through refurbishment of existing office space, will reinforce our existing main IT center.
