Item 1.01 Entry into a Material Definitive Agreement.

Flag Intermediate Holdings Corporation, a Delaware corporation (*Holdings*), Metals USA, Inc., a Delaware corporation (*Metals*), and certain subsidiaries of Metals entered into an amendment (the *Amendment*), dated as of June 8, 2007, to the Loan and Security Agreement, dated as of November 30, 2005, as amended (the *ABL Facility*), with Credit Suisse, as administrative agent, and Bank of America, N.A., as collateral agent.

The Amendment increases the total credit facility from \$450 million to \$525 million by increasing the Tranche A commitments under the ABL Facility from \$425 million to \$500 million, and provides for an uncommitted revolving facility pursuant to which the borrowers under the ABL Facility are entitled to establish additional Tranche A commitments in an aggregate principal amount of up to \$100 million.

In addition, the Amendment decreases the marginal rates for determining the applicable interest rate under the ABL Facility. The applicable margin for interest rates with respect to loans utilizing the Tranche A Commitments now range between -0.25% and -0.50%, if Metals utilizes the base rate under the ABL Facility, and between 1.00% and 1.75%, if Metals utilizes the LIBOR rate under the ABL Facility. The applicable margin for interest rates with respect to loans utilizing the Tranche A-1 Commitments is now 0.75%, if Metals utilizes the base rate under the ABL Facility, and 2.75%, if Metals utilizes the LIBOR rate under the ABL Facility.

The Amendment also revises the definitions of (i) Eligible Accounts and Eligible Inventory to include accounts and inventory subsequently acquired by acquisition and valued under \$25 million, even if the collateral agent has not had an opportunity to complete any necessary due diligence with respect thereto, (ii) Fixed Charge Coverage Ratio to provide that such calculation, when used for determining the applicable margin, will be based on Adjusted EBITDA over the past three months rather than the past four fiscal quarters, and (iii) Permitted Acquisition to include acquisitions that do not reduce availability under the ABL Facility to below \$60 million rather than under \$75 million.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure contained in Item 1.01 is incorporated herein by reference.
