ITEM 1.01 Entry Into A Material Definitive Agreement

On March 29, 2010 Domtar Corporation issued a press release announcing that it has entered into an agreement to sell its forest products business to EACOM Timber Corporation (EACOM) for the purchase price of CDN\$80 million plus elements of working capital estimated at CDN\$30 to \$40 million. Domtar will receive 19% of the proceeds in shares of EACOM. The net book value of the net assets being sold is CDN\$112 million, excluding the elements of working capital. Consummation of the transaction is subject to government approvals for the forest licence transfers, regulatory approvals and customary closing conditions. The transaction is expected to close at the end of the second quarter of 2010.

The operations being sold consist of Domtar's 4 sawmills in Ontario and 3 sawmills in Québec, as well as the Sullivan remanufacturing mill also in Québec. The sawmills have approximately 3.5 million cubic metres of annual harvesting rights and a production capacity of close to 900 million board feet. Also included in the transaction are Domtar's investments in Elk Lake Planing Mill Limited and Anthony-Domtar Inc.

Domtar will provide EACOM with transition services, including information technologies, human resources, office space, finance and administration for a period of 12 months following consummation of the transaction.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
