Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 20, 2011, the Executive Compensation and Human Resources Committee (the "Compensation Committee") of the Board of Trustees of Pennsylvania Real Estate Investment Trust (the "Company") approved 2011 annual cash incentive opportunity awards (the "Awards") for the Company's Chief Executive Officer, the three other members of the Company's Office of the Chair and the Chief Financial Officer (collectively, the "Named Executive Officers").

2011 Annual Incentive Plan

In connection with the Awards, the Compensation Committee approved threshold (i.e., minimum), target and outperformance (i.e., maximum) annual cash incentive opportunity levels, expressed as a percentage of base salary, that the Named Executive Officers are eligible to receive under the Awards.

The level of the Award that each of the Named Executive Officers is eligible to receive will depend, in whole or in part, upon the Company's 2011 Funds From Operations ("FFO") per share. FFO is a commonly used measure of operating performance and profitability in the real estate industry, and the Company computes FFO in accordance with standards established by the National Association of Real Estate Investment Trusts. FFO is the core corporate performance measure used to determine the level of the Awards, and will account for 80% to 100% of the total opportunity level, as determined in the discretion of the Compensation Committee, as described below.

The Compensation Committee has the authority under the Awards to adjust the threshold, target and outperformance levels established by the Compensation Committee with respect to FFO if, in its judgment, the FFO reported by the Company does not reflect Company performance for 2011 in a manner consistent with the purpose of the Awards due to unusual or non-recurring transactions or occurrences.

The Compensation Committee may, but need not, determine that a portion of the level of the Award will depend upon the Company's 2011 performance with respect to one or more supplemental business performance factors other than FFO per share. If the Compensation Committee determines to utilize such factor or factors, then the Company's performance relative to such factor or factors will account for up to 20% of the opportunity level, as determined in the discretion of the Compensation Committee. The Compensation Committee will determine which factor or factors to utilize for 2011, the weight given to each factor, and the level of the Award (from threshold to outperformance) earned based on the Company's performance relative to the supplemental factor or factors. If the Compensation Committee does not utilize one or more supplemental factors under the Awards, then the cash incentive compensation payable to the Named Executive Officers for 2011 will be determined based solely upon FFO.

The following table sets forth the incentive Award opportunities for the Named Executive Officers under the 2011 annual incentive plan, expressed as a percentage of base salary:

Title	Incentive Award Opportunity as a Percentage of Base Salary		
	Threshold	Target	Outperformance
CEO	37.5%	75%	150%
Office of the Chair	32.5%	65%	130%
CFO	30.0%	60%	120%
