Election of Director

On November 17, 2011, Flowserve Corporation (the "Company") announced that David E. Roberts Jr., Executive Vice President and Chief Operating Officer of Marathon Oil Corporation, has been elected by the Company's Board of Directors (the "Board") as a new member of the Board, effective November 17, 2011. Mr. Roberts fills the newly created directorship resulting from the increase in Board members under the Company's By-Laws disclosed in Item 5.03 below. In connection with his election to the Board, Mr. Roberts has also been appointed as a member of the Finance Committee and the Organization and Compensation Committee of the Board. He is expected to be nominated for reelection by the Company's shareholders at the 2012 annual meeting of shareholders.

The Board has made an affirmative determination that Mr. Roberts qualifies as an independent director under the New York Stock Exchange listing standards and the Company's standards for director independence. There have been no transactions directly or indirectly involving Mr. Roberts that would be required to be disclosed pursuant to Item 404(a) of Regulation S-K under the Securities Exchange Act of 1934.

Mr. Roberts will be compensated for his service on the Board in accordance with the Company's compensatory and other arrangements for non-employee directors, which are described in detail in the Company's definitive proxy statement dated April 7, 2011, under the heading "Board of Directors Compensation".

A copy of the press release issued by the Company announcing the election of Mr. Roberts is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Appointment of Principal Financial Officer

On November 21, 2011, the Company announced that Michael S. Taff has been named as the Company's Senior Vice President and Chief Financial Officer. Mr. Taff is currently serving as Senior Vice President of The Babcock & Wilcox Company pursuant to a consulting agreement. The Company will formally appoint Mr. Taff as Senior Vice President and Chief Financial Officer upon the expiration of his consulting agreement, which is expected to occur early in 2012.

Mr. Taff, 49, served as Senior Vice President and Chief Financial Officer of The Babcock & Wilcox Company, a leading international provider of energy products and services, from July 2010 to November 2011. Prior to this position, he served as Senior Vice President and Chief Financial Officer of McDermott International, Inc., a leading engineering, procurement, construction and installation company focused on complex offshore oil and gas projects, from April 2007, and as its Vice President and Chief Accounting Officer from June 2005.

Mr. Taff will succeed Richard J. Gultinan, Jr., Senior Vice President - Finance and Chief Accounting Officer of the Company (principal accounting officer), who in June 2011 announced his decision to retire from the Company in 2012. Mr. Gultinan plans to remain with the Company for a period of time following Mr. Taff's formal appointment to facilitate an orderly transition.

In his role with the Company, Mr. Taff will receive an annual base salary of \$535,000. He will be eligible for a cash award under the Company's annual incentive plan with a target award of 70% of base salary, and he will participate in the Company's long term incentive program with a target award of 215% of base salary. In addition, Mr. Taff will receive a cash sign-on bonus of \$50,000, which is subject to repayment if he does not remain employed by the Company for one year, and will be granted a one-time award of 10,000 restricted shares of Company common stock, which is subject to a three-year cliff vesting period. Mr. Taff will also receive retirement, health and welfare and other benefits and will participate in plans generally available to other executive officers of the Company. Further details concerning the Company's executive compensation program are described in the Company's definitive proxy statement dated April 7, 2011, under the heading "Executive Compensation".
