Item 8.01 Other Events.

In connection with the preparation of its financial statements for the second quarter of 2012, Kforce Inc. determined that the carrying value of its Government Solutions (GS) reporting unit was likely impaired and that it expects to record a goodwill impairment charge. This charge is currently estimated to be in the range of \$60 million to \$70 million on a pre-tax basis. The impairment charge that will be recorded in the second quarter of 2012 is an estimate and is subject to change once the second step of the impairment test is completed.

On July 23, 2012, Kforce issued a press release in which it announced this expected charge. A copy of this press release is furnished as Exhibit 99.1 to this Report and is incorporated into this Report by reference.

Also on July 23, 2012, Kforce terminated a corporate stock repurchase plan (the Plan) which, as it disclosed in a Current Report on Form 8-K that it filed with the Securities and Exchange Commission on June 29, 2012, it had entered into to repurchase outstanding common stock under a share repurchase program authorized by the Firm s Board of Directors. The Plan, which was in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, was to have been effective through August 2, 2012 and is subject to certain price, market, volume and timing constraints specified in the Plan.
