Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Registrant is incorporated under the laws of the state of Ohio.

Section 1701.13(E) of the Ohio Revised Code (the Code) sets forth conditions and limitations governing the indemnification of directors, officers, and certain other persons (Indemnified Persons). In general, the Code authorizes Registrant to indemnify Indemnified Persons from liability if the Indemnified Person acted in good faith and in a manner reasonably believed by such person to be in or not opposed to the best interests of Registrant, and, with respect to any criminal actions, if the Indemnified Person had no reasonable cause to believe his or her conduct was unlawful. In the case of an action by or on behalf of Registrant, indemnification is prohibited in certain circumstances, including (i) if the person seeking indemnification is adjudged liable for negligence or misconduct in the performance of such person's duties to Registrant, unless an appropriate court determines such person is fairly and reasonably entitled to indemnification for such expenses as the court shall deem proper, or (ii) if liability asserted against such person concerns certain unlawful dividends, distributions and other payments. Section 1701.13(E) of the Code provides that to the extent an Indemnified Person has been successful on the merits or otherwise in defense of any such action, suit or proceeding, that Indemnified Person shall be indemnified against expenses reasonably incurred in connection therewith. The indemnification authorized under Ohio law is not exclusive and is in addition to any other rights granted to officers and directors under the articles of incorporation or code of regulations of Registrant or any agreement with directors, officers and certain other persons. Registrant may purchase and maintain insurance or furnish similar protection on behalf of any Indemnified Person against any liability asserted against and incurred by an Indemnified Person in his or her capacity, or arising out of his or her status, as a director, officer or certain other person, whether or not Registrant would have the power to indemnify him or her against such liability under the Code.

Under the terms of Registrant's directors' and officers' liability and company reimbursement insurance policies, directors and officers of Registrant are insured against certain liabilities, including liabilities arising under the Securities Act.

Article V of the Amended and Restated Regulations of Registrant (the Regulations) provides that Registrant shall indemnify to the fullest extent permitted or authorized by Ohio law any person made or threatened to be made a party to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, or employee of Registrant or of any other bank, corporation, partnership, joint venture, trust, or other enterprise for which he or she was serving as a director, trustee, officer, or employee at the request of Registrant. The indemnification provided by Article V of the Regulations is not exclusive and is in addition to any other rights to which any person seeking indemnification may be entitled.

Registrant is also party to Change of Control Agreements with certain executive officers (the Executives) pursuant to which Registrant has agreed, from and after a change of control, to indemnify an Executive to the fullest extent permitted or authorized by Ohio law, if the Executive (whether before or after the change of control) is made or threatened to be made a party to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that the Executive is or was a director, officer, employee, or agent of Registrant and/or any of its subsidiaries, or is or was serving at the request of Registrant and/or any of its subsidiaries as a director, trustee, officer, employee, member, manager, or agent of a bank, corporation, limited liability company, partnership, joint venture, trust or other enterprise. Registrant has agreed to advance expenses incurred by an Executive in defending any such action, suit, proceeding, unless it is judicially determined that the Executive's action or failure to act constituted gross negligence or willful misconduct in carrying out the Executive's duties as a fiduciary of any employee benefit plan maintained by Registrant or any of its subsidiaries. The indemnification provided under the Change of Control Agreements is not exclusive and is in addition to any other rights to which any Executive seeking indemnification under such agreements may be entitled.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

An opinion of counsel as to the valid issuance of the securities being registered under this registration statement is not required because the securities will not be original issuance securities. If at any time the Board determines otherwise, an appropriate opinion of counsel will be filed.

4.2	Amended and Restated Regulations of Registrant, effective May 19, 2011 (incorporated herein by reference to Exhibit 3.2 to Registrant's Quarterly Report on Form 10-Q for the quarter ended June 30, 2011, File No. 001-11302)

Item 9. Undertakings.

(a) Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Registrant pursuant to the foregoing provisions, or otherwise, Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Registrant of expenses incurred or paid by a director, officer or controlling person of Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the city of Cleveland, state of Ohio, on this 20th day of May, 2013.
