IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

FOR THE SHAREHOLDER MEETING TO BE HELD ON NOVEMBER 1, 2013:

The proxy statement for the 2013 annual meeting of shareholders and 2013 annual report to shareholders are available at www.cytodyn.com.

CYTODYN INC.

PROXY STATEMENT

2013 ANNUAL MEETING OF SHAREHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the **Board**) of CytoDyn Inc., a Colorado corporation (**CytoDyn** or the **Company**), to be voted at the annual meeting of shareholders to be held on November 1, 2013 (the **Annual Meeting**), and any postponements or adjournments thereof. The proxy statement and accompanying form of proxy were first mailed to shareholders on approximately October 1, 2013.

VOTING, REVOCATION, AND SOLICITATION OF PROXIES

Solicitation of Proxies. The enclosed proxy is solicited by and on behalf of the Board, with the cost of solicitation borne by the Company. Solicitation may also be made by directors and officers of the Company without additional compensation for such services. In addition to mailing proxy materials, the directors, officers and employees may solicit proxies in person, by telephone or otherwise.

Voting. When a proxy in the accompanying form is returned properly signed and dated, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions specified in the spaces provided in the proxy. **If no instructions are specified, the proxies will be voted FOR Proposals 1, 2, and 3 and 1 Year with respect to Proposal 4.** If a shareholder of record attends the Annual Meeting, he or she may vote in person. If you hold shares through a broker or nominee (that is, in **street name**), please follow their directions on how to vote your shares.

A broker **non-vote** occurs when a nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the matter being considered and has not received instructions from the beneficial owner. Banks and brokers acting as nominees are not permitted to vote proxies for the election of directors or the other proposals to be acted on at the Annual Meeting, except ratification of the auditors, without express voting instructions from the beneficial owner of the shares. As such, it is particularly important that you provide voting instructions to your bank, broker or other nominee.

Revocation of Proxies. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by filing a later-dated proxy prior to a vote being taken on the election of directors at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke a proxy.

OUTSTANDING VOTING SECURITIES AND QUORUM

Shareholders of record as of the close of business on September 25, 2013, are entitled to one vote at the Annual Meeting for each share of Common Stock of the Company (**Common Stock**) then held by each shareholder. As of that

date, the Company had 37,116,884 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote constitutes a quorum at the Annual Meeting. Abstentions and broker non-votes, if any, will be considered present for purposes of determining the presence of a quorum.

PROPOSAL 1 ELECTION OF DIRECTORS

The directors will be elected at the Annual Meeting to serve until the next annual meeting of shareholders and until their successors are elected and qualify. Our Articles of Incorporation and Bylaws authorize the Board to set the number of positions on the Board within a range of one to nine. By resolution adopted on September 27, 2013, the Board set the number of positions on the Board at six. During periods between annual shareholder meetings, vacancies on the Board, including vacancies resulting from an increase in the number of positions, may be filled by the Board for a term ending with the next annual meeting of shareholders and when a successor is duly elected and qualifies.

The six nominees for election as directors at the Annual Meeting who receive the highest number of affirmative votes will be elected, provided that a quorum is present at the Annual Meeting. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from the directors as a group, or from any individual nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

The Board recommends that the shareholders vote FOR each of the nominees named below to serve as a director until the next annual meeting of shareholders and his successor is duly elected and qualifies. If for some unforeseen reason a nominee should become unavailable for election, the proxy may be voted for the election of such substitute nominee as may be designated by the Board.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board held 25 meetings in fiscal 2013. During fiscal 2013, each current director attended at least 75 percent of the total number of the meetings of the Board and the meetings held by each committee of the Board on which he served during his tenure on such committee or the Board.

Board Leadership Structure

The Board believes that the Board leadership structure, which reflects the separation of the Chairman and Chief Executive Officer positions, serves the best interests of the Company and its shareholders by giving an independent director a direct and significant role in establishing priorities and the strategic direction and oversight of the Company. The Board believes that the manner in which it oversees risk management at the Company has not affected its leadership structure.

The Board's Role in Risk Oversight

The Company's management is responsible for identifying, assessing and managing the material risks facing the Company. The Board generally oversees risk management practices and processes and, either as a whole or through the Audit Committee and other board committees, periodically discusses with management strategic and financial risks associated with the Company's operations, their potential impact on the Company, and the steps taken to manage these risks.

While the Board is ultimately responsible for risk oversight, the Board's committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. In particular, the Audit Committee focuses on financial and enterprise risk and discusses with management and the Company's independent registered public accounting firm the Company's policies and practices with respect to risk and particular areas of risk exposure. The Nominating and Governance Committee oversees recruitment of potential director nominees and succession planning for the Company's executive positions. The Compensation Committee monitors the Company's incentive compensation programs to assure that management is not encouraged to take actions involving excessive risk.

Code of Ethics

We have adopted a Code of Ethics for our executive officers (the Chief Executive Officer and Chief Financial Officer), as well as a Code of Business Conduct and an Insider Trading Policy for the Company. Copies of these governing documents, as well as the committee charters described below, are available on our website at www.cytodyn.com.

Director Independence

In determining director independence, the Company uses the definition of independence in Rule 5605(a)(2) of the listing standards of The Nasdaq Stock Market (the "NASDAQ Rules"). The Board has determined that Messrs. Carraciolo, Gould and Naydenov and Drs. Montgomery and Nobel are independent under the NASDAQ rules in that each is not, and has not been, an executive officer or employee of the Company and does not otherwise have a relationship which, in the opinion of the Board, would interfere with his exercise of independent judgment in carrying out the responsibilities of a director. In considering Mr. Naydenov's independence, the Board considered his investments in one of the Company's three-year convertible promissory notes in the principal amount of \$1,000,000 bearing interest at an annual rate of 5% and a one-year promissory note in the principal amount of \$500,000 bearing interest at an annual rate of 15%. With respect to Dr. Nobel, the Board reviewed a brief consulting arrangement between the Company and Dr. Nobel pursuant to which he was paid a total of \$20,000 for his assistance in arranging contacts with the investment community in Europe, which arrangement has ended. The Company is not a listed issuer

as that term is used in Regulation S-K Item 407 adopted by the Securities and Exchange Commission (the SEC).

Audit Committee

Our Audit Committee Charter was adopted by the Board of Directors and became effective on November 2, 2011. The primary role of the Audit Committee is to oversee the financial reporting and disclosure process. The Audit Committee is responsible for overseeing the work done by the Company's independent auditors and reviewing and discussing with management and the independent auditors the adequacy and effectiveness of the Company's financial reporting process, the annual audited financial statements, and the results of the annual audit. The Audit Committee held four meetings during fiscal 2013 to review the Company's financial statements with the auditors following the end of each fiscal quarter prior to their inclusion in reports filed with the SEC.

The Audit Committee is presently composed of Mr. Gould, Chair, and Mr. Caracciolo. Mr. Gould is a financial expert as defined in Regulation S-K Item 407(d)(5)(ii) adopted by the SEC. During fiscal 2013, Messrs. Caracciolo and Gould also met the additional independence and experience requirements of the SEC and the NASDAQ Rules applicable specifically to members of the Audit Committee. Mr. Naydenov served on the Audit Committee during fiscal 2013 until December 13, 2012, at which time it was determined that his significant investment in convertible notes issued by the Company warranted his removal as a member of the Audit Committee. Dr. Nobel was appointed a member of the Audit Committee on December 13, 2012, and served on the committee until March 28, 2013, at which time it was determined that, due to the consulting arrangement described above, he should no longer be a member of the committee. Former directors George F. Dembow and Ronald J. Tropp were members of the Audit Committee until December 12, 2012, and were not independent under the NASDAQ Rules.

Compensation Committee

Our Compensation Committee Charter was adopted by the Board on October 26, 2012. The Compensation Committee reviews and approves the Company's overall compensation philosophy and determines base salaries and other forms of compensation to be paid to executive officers, including decisions as to cash incentive compensation, grants of options and other stock-based awards. The Compensation Committee is also responsible for making recommendations to the Board with respect to new compensation plans, including incentive compensation plans and equity-based plans. The Compensation Committee held five meetings during fiscal 2013. The current members of the Compensation Committee are Messrs. Caracciolo (chair) and Gould and Dr. Nobel. Mr. Naydenov and former directors Dembow and Tropp were members of the Compensation Committee until December 12, 2012.

Nominating and Governance Committee

Our Nominating and Governance Committee Charter was adopted by the Board on October 26, 2012. The Nominating and Governance Committee identifies individuals qualified to become members of the Board, makes recommendations to the Board with regard to the size and composition of the Board and Board committees, and evaluates the Board and its members. The Nominating and Governance Committee also assists the Board in developing succession and continuity plans for principal officer positions. The current members of the Nominating and Governance Committee are Dr. Nobel (chair) and Messrs. Caracciolo, Gould and Naydenov. The Nominating and Governance Committee met twice during fiscal 2013.

The Nominating and Governance Committee does not have any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the committee will consider:

Demonstration of ethical behavior;

Positions of leadership that demonstrate the ability to exercise sound judgment in a wide variety of matters;

The candidate's ability to commit sufficient time to the position;

The candidate's understanding of the Company's business and operations; and

The need to satisfy independence requirements relating to Board composition.

The Nominating and Governance Committee relies on its annual evaluations of the Board in determining whether to recommend nomination of current directors for re-election. The Nominating and Governance Committee has not hired a third-party search firm to date, but has the authority to do so if it deems such action to be appropriate. It does not have a policy in place for considering diversity in identifying nominees for director.

The Nominating and Governance Committee will consider director candidates recommended by shareholders for nomination in the same manner as other director candidates presented to the committee. Shareholders wishing to submit a candidate for consideration should do so by sending the candidate's name, biographical information, business and educational experience and qualifications, as well as the candidate's signed written consent to be considered as a nominee and agreement to serve as a director if nominated and elected, to: Nominating and Governance Committee Chair, CytoDyn Inc., 5 Centerpointe Drive, Suite 400, Lake Oswego, Oregon 97035.

COMPENSATION OF DIRECTORS

During fiscal 2013, each director who was not an employee of the Company was entitled to receive: (i) \$20,000 in annual compensation, with 50% of such compensation consisting of cash (\$10,000) and 50% consisting of unrestricted stock grants with a value of \$2,500 based on the stock trading price at the end of each quarter; (ii) additional annual cash retainers for committee chairs and committee members ranging from \$2,500 to \$10,000; (iii) an additional cash retainer of \$15,000 for the Chairman of the Board; (iv) \$2,500 for each Board or committee meeting attended in person and \$500 for each telephonic meeting attended; and (v) an annual grant on June 1, 2013, of a non-qualified stock option covering 25,000 shares of Common Stock vesting in four equal quarterly installments. At the instructions of the Board, the Company deferred payment of cash director fees for the second half of fiscal 2013 until the Company had sufficient cash resources to make such payments. The deferred payments are expected to be paid in full during the second quarter of fiscal 2014.

Effective June 1, 2013, the annual board cash retainer was increased to \$25,000, the stock portion of the retainer and the cash meeting fees were eliminated, the annual cash retainer for the Audit Committee chair was increased from \$10,000 to \$15,000, and the annual stock option grant was increased to 50,000 shares of Common Stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, officers and beneficial owners of more than 10 percent of our Common Stock to file reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based on a review of those reports, we are aware of four individuals who, during the fiscal year ended May 31, 2013, were officers, directors or 10 percent holders and who failed to file, on a timely basis, reports required by Section 16(a), as follows:

Dr. Pourhassan, an officer and director, filed a late Form 3 reporting his initial beneficial ownership on October 1, 2012.

Dr. Trauger, a former officer and director, filed a late Form 3 reporting his initial beneficial ownership on October 11, 2012.

Edgar Filing: CYTODYN INC - Form DEF 14A

Mr. Naydenov, a director, filed one late Form 4 reporting changes in beneficial ownership on October 25, 2012.

MATTERS RELATING TO OUR

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Warren Averett, LLC (Warren Averett) was the Company's independent registered public accounting firm with respect to its audited financial statements for the fiscal year ended May 31, 2013. On January 8, 2013, the Company was advised that, effective January 1, 2013, Pender Newkirk & Company LLP (Pender Newkirk), the Company's former independent registered public accounting firm, had discontinued its audit practice and that the partners and employees of Pender Newkirk had joined the firm of Warren Averett. On January 11, 2013, the Company's Audit Committee approved the retention of Warren Averett as the Company's new independent registered public accounting firm. Representatives of Warren Averett are not expected to be present at the Annual Meeting.

Change in Independent Auditor

Pender Newkirk's report on the financial statements of the Company for its fiscal year ended May 31, 2012, did not contain an adverse opinion or a disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope, or accounting principles, other than an explanatory paragraph regarding a significant doubt about the Company's ability to continue as a going concern due to net loss, accumulated deficit, and working capital deficit.

During fiscal 2012 and the subsequent interim period in which Pender Newkirk served as the Company's independent auditor, there were no disagreements with Pender Newkirk on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Pender Newkirk, would have caused Pender Newkirk to make reference to the subject matter of such disagreements in connection with its audit report.

The Company provided Pender Newkirk with a copy of the above disclosures prior to reporting the change in auditors. Pender Newkirk advised the Company that it agreed with the Company's disclosures; its letter was annexed to the Company's Current Report on Form 8-K filed on January 14, 2013.

Prior to engaging Warren Averett as the Company's independent registered public accounting firm, the Company did not consult Warren Averett regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was either the subject of a disagreement or a reportable event, as those terms are defined in applicable SEC rules.

The Company previously provided Warren Averett with a copy of the above disclosures. Warren Averett advised the Company that it had no basis on which to submit a letter to the SEC commenting on the disclosures.

Board of Directors Pre-Approval Process, Policies and Procedures

The Audit Committee pre-approves all engagements for audit and non-audit services provided by the Company's independent registered public accounting firm. Warren Averett performed its audit procedures in accordance with our Audit Committee's policies and procedures. Warren Averett informed our Audit Committee of the scope and nature of each service provided. No services were provided by Warren Averett or Pender Newkirk during fiscal 2012 or fiscal 2013 other than audit, review, or attest services.

Fees Paid to Principal Independent Registered Public Accounting Firm

The aggregate fees billed during the fiscal years ended May 31, 2013 and 2012 for professional services rendered by Warren Averett and Pender Newkirk for the audit of the financial statements included in our annual reports on Form 10-K and for the review of the interim condensed financial statements included in our quarterly reports on Form 10-Q were approximately \$109,000 and \$160,000, respectively. No other fees were paid to our principal accounting firm for services in fiscal 2012 or fiscal 2013.

AUDIT COMMITTEE REPORT

The Audit Committee met with management and the Company's independent auditors, Warren Averett, to review the Company's accounting functions and the audit process and to review and discuss the audited financial statements for the fiscal year ended May 31, 2013. The Audit Committee discussed and reviewed with Warren Averett the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communications with Audit Committees. Warren Averett has also provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding communications with the Audit Committee concerning independence. The Audit Committee discussed with Warren Averett the firm's independence and considered whether the provision of services to the Company by Pender Newkirk is consistent with maintaining the firm's independence.

Based on its review and discussions with management and the Company's independent auditors, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended May 31, 2013, for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors:

Gregory A. Gould (Chair) and Anthony D. Caracciolo

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Warren Averett, LLC as the Company's independent registered public accounting firm to examine the financial statements of the Company for the fiscal year ending May 31, 2014. Although the selection of independent auditors is not required to be submitted to a shareholder vote by the Company's governance documents or applicable law, the Board has decided to ask the shareholders to ratify the selection. If the shareholders do not approve the selection of Warren Averett, the Audit Committee will reconsider its selection.

Provided that a quorum is present, the selection of Warren Averett as the Company's independent auditors will be ratified if the votes cast in favor of the proposal exceed the votes cast opposing it. Abstentions and broker non-votes will have no effect on the outcome of the voting on this proposal.

The Board recommends that shareholders vote FOR ratification of the selection of Warren Averett, LLC as the Company's independent registered public accounting firm for fiscal 2014.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) included a provision that requires publicly traded companies to hold an advisory, or non-binding, shareholder vote to approve or disapprove the compensation of executive officers. Consistent with that requirement, we are conducting an advisory

vote on the compensation of the Company's executive officers named in this proxy

statement. A detailed description of the compensation paid to our executive officers is included in this proxy statement under the heading "Executive Compensation" below in accordance with the SEC's rules.

The Company's philosophy is that executive compensation should align with shareholders' interests, without encouraging excessive and unnecessary risk. During fiscal 2013, the main components of executive compensation, as shown in the Summary Compensation Table on page 17 below, included (i) base salary, (ii) bonus based on the Compensation Committee's assessment of each executive officer's performance in achieving corporate and individual goals, and (iii) employee stock options. This vote is intended to consider the overall compensation of our executive officers and the policies and practices described in this proxy statement.

This vote is advisory and therefore not binding on the Company, the Compensation Committee, or the Board. The Board and the Compensation Committee value the opinions of shareholders and will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors unanimously recommends that you vote, on an advisory basis, **FOR** the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K adopted by the SEC, including the executive compensation tables and accompanying footnotes and narrative discussion, is hereby approved.

The above-referenced disclosures appear under the heading "Executive Compensation" on pages 15 through 18 of this proxy statement.

The above resolution will be deemed to be approved if the votes cast in favor of Proposal 3 exceed the votes cast against it at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of the vote.

PROPOSAL 4 ADVISORY VOTE ON THE FREQUENCY OF HOLDING

FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also included a provision requiring that shareholders be given the opportunity to vote, on an advisory, or non-binding, basis, on how frequently they would like companies to hold an advisory vote on the compensation of executive officers as provided in Proposal 3 above. In accordance with this requirement of the Dodd-Frank Act, we are holding an advisory vote on the frequency of future shareholder advisory votes on our executive compensation program.

After consideration of the frequency alternatives, the Board believes that conducting an advisory vote on executive compensation annually is appropriate for the Company and its shareholders at this time.

Shareholders are not being asked to approve or disapprove of the Board's recommendation. Instead, you are being asked to choose one of four options regarding this proposal, as reflected in the proxy form. You may vote for the Company to hold advisory votes on executive officer compensation every one, two or three years, or you may abstain from voting on the matter.

The Board of Directors recommends the option of "1 Year" for future advisory votes on executive compensation. The option that receives the highest number of advisory votes cast by shareholders will be the frequency for the advisory vote on executive compensation deemed to have been selected by shareholders. Abstentions and broker non-votes will have no effect on the outcome of the vote.

As the vote is advisory and not binding, the Board may decide that it is in the best interests of the Company and its shareholders to hold an advisory vote on executive compensation more or less frequently than the option selected by our shareholders (but not less often than once every three years). However, we value the opinions of our shareholders and will take the outcome of the advisory vote into account in deciding how often to hold an advisory vote on executive compensation.

EXECUTIVE OFFICERS OF THE COMPANY

In addition to Dr. Pourhassan, whose background appears under Proposal 1 Election of Directors, Michael D. Mulholland, age 61, is an executive officer of the Company. The Board appointed Mr. Mulholland as the Company's Chief Financial Officer, Corporate Secretary, and Treasurer on December 13, 2012. Mr. Mulholland provides CytoDyn with more than 25 years of senior level financial leadership for public companies in the business services, retail and manufacturing industries. His broad experience includes strategic planning, corporate finance, including raising debt and equity capital, acquisitions, corporate restructurings, SEC reporting, risk management, investor relations and corporate governance matters. Mr. Mulholland has also collaborated with a leading European scientific inventor and IP counsel in connection with the evaluation of the patentability of certain biological compounds for potential applications to improve human health and the preparation of the related patent filings. Most recently, from 2011-2012, he served as Chief Financial Officer of Nautilus, Inc., a NYSE-listed developer and marketer of fitness equipment. He previously was Co-Chief Financial Officer of Corporate Management Advisors, Inc., a private holding company of various businesses and investments, including a majority interest in a publicly held manufacturing company, from 2010 to 2011; Vice President of Finance of Gevity HR, Inc., a former Nasdaq-listed professional employer organization, from 2008 to 2009; Chief Financial Officer and Secretary of Barrett Business Services, Inc., a Nasdaq-listed business services firm, from 1994 to 2008; and Executive Vice President, Chief Financial Officer and Secretary of Sprouse-Reitz Stores Inc., a former publicly held retail company, from 1988 to 1994. Employment Agreement

The Company has entered into an Employment and Non-Compete Agreement effective as of August 1, 2011, with Dr. Pourhassan that provided for an annual base salary of \$225,000 in calendar 2012, but the parties mutually agreed to a reduced level of \$146,250 beginning in June 2012 until further adjustment. Effective November 1, 2012, the Compensation Committee set Dr. Pourhassan's base salary level at \$255,000; a further increase to \$265,000 was approved effective June 1, 2013. The employment agreement also provides for payment of an annual cash bonus in an amount to be determined in the discretion of the Board, but which is anticipated to be in the range of 25% to 50% of base salary. The employment agreement includes non-compete and non-solicitation provisions for a period of two years following termination of Dr. Pourhassan's employment with the Company for any reason, except that Dr. Pourhassan is permitted to become employed in Oregon by an entity engaged in the same business as the Company.

Payments upon Termination of Employment or Change in Control

On July 25, 2012, the Company entered into a Transition Agreement with Mr. Van Ness (the "Transition Agreement") that amended his April 2012 employment agreement and provided that Mr. Van Ness would continue to carry out his responsibilities as President and CEO for a period that would end no later than October 16, 2012. On September 10, 2012, Mr. Van Ness stepped down from his position as President and CEO. The Transition Agreement included a mutual general release by Mr. Van Ness and the Company of all claims against the other and provided for the continued applicability of the covenants restricting Mr. Van Ness from competing with the Company, soliciting the Company's employees, customers or suppliers, or disclosing the Company's confidential information, as set forth in his employment agreement, for a period of two years following termination of his employment.

The Transition Agreement also provided that, in lieu of any compensation otherwise payable to Mr. Van Ness under his employment agreement, during the period beginning on July 18, 2012 through October 16, 2012 (the "Transition Period"), he would receive a salary equal to \$13,890 per month and the fringe benefits, indemnification and miscellaneous business expense benefits provided for in the employment agreement. Under the Transition Agreement, Mr. Van Ness is also entitled to (i) a cash severance payment equal to \$13,890 per month for 33 months following the Transition Period, (ii) the opportunity to elect the timing of distribution of his account balance in the Company's 401(k) plan, and (iii) reimbursement for continuing health care insurance coverage under COBRA for nine months following the Transition Period.

The Transition Agreement further provided for immediate vesting of the 325,000 options that had not yet vested out of an option grant for 500,000 shares of Common Stock to Mr. Van Ness at \$1.19 per share, immediate vesting of 750,000 of the 1,500,000 options granted to Mr. Van Ness at \$2.00 per share and forfeiture of the remaining 750,000 options, and an expiration date of August 8, 2016, for all options that were not forfeited upon termination of employment.

On May 31, 2013, the Company and Dr. Trauger entered into a Separation Agreement and Release (the Separation Agreement) effective as of the close of business on June 7, 2013 (the Effective Date), providing for Dr. Trauger's resignation from his position as a member of the Board of Directors of the Company. Dr. Trauger's employment with the Company had ended on April 15, 2013. Pursuant to the Separation Agreement, the Company agreed to pay Dr. Trauger an amount equal to three times his most recent monthly base salary (\$18,750), less legally required deductions and withholdings, in six regular semi-monthly installments beginning on June 15, 2013. Also, the stock options granted to Dr. Trauger on August 9, 2011, and October 10, 2012, to the extent vested on April 15, 2013, will remain exercisable until April 15, 2014. Each party also released all claims it may have against the other arising out of Dr. Trauger's employment by the Company or termination of that employment.

Employee stock options granted after December 1, 2012, vest in full automatically when a change in control of the Company occurs; employee stock options granted before December 1, 2012, will vest in full if the Compensation Committee so decides on or before the date a change in control occurs.

RELATED PERSON TRANSACTIONS

On July 27, 2012, the Company entered into a Settlement Agreement and Mutual Release (the Settlement Agreement) with William Carmichael and Mojdeh Javadi (the Plaintiffs). Ms. Javadi is the spouse of Dr. Pourhassan, who became a director and interim President and Chief Executive Officer of the Company in September 2012. Pursuant to the Settlement Agreement, the Company issued 200,000 shares of Common Stock to each of the Plaintiffs. In addition, the Company issued warrants to purchase up to 375,000 shares of Common Stock to each of the Plaintiffs. The warrants were fully vested and exercisable upon issuance at a purchase price of \$0.25 per share, and have since been exercised in full. The Company issued the shares and the warrants to the Plaintiffs in exchange for their full and complete release of any and all claims against the Company arising out of a prior agreement with Dr. Pourhassan pursuant to which his personal assistant and one additional person were each to receive 50,000 shares of Common Stock for every \$500,000 in capital received by the Company through Dr. Pourhassan's efforts.
