Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**(a) Amendment and Restatement of Certificate of Incorporation**

On February 19, 2014, Amedica Corporation (the Company) filed a restated certificate of incorporation (the Restated Certificate) with the Secretary of State of the State of Delaware in connection with the closing of the Company's initial public offering of shares of its common stock. As described in the Company's Registration Statement on Form S-1, filed with the Securities and Exchange Commission on February 12, 2014, the Company's board of directors (the Board) and its stockholders previously approved the Restated Certificate to be in effect upon the closing of the initial public offering. The Restated Certificate amends and restates in its entirety the Company's amended and restated certificate of incorporation, as amended, to, among other things: (i) maintain the number of shares of authorized capital stock at 250,000,000 shares of common stock and 130,000,000 shares of undesignated preferred stock that may be issued from time to time by the board of directors without further stockholder authorization in one or more series upon the relative powers, preferences and rights of any such series, and the qualifications, limitations or restrictions as designated by the Board; (ii) eliminate all references to the previously existing series of preferred stock; and (iii) permit the Board to adopt, amend or repeal the Company's bylaws without obtaining stockholder approval; (iv) require the approval of holders at least 80% of the voting power of all then outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class, to adopt, amend or repeal the Company's bylaws or to remove the entire Board; (v) provide that special meetings of stockholders may only be called by Board; (vi) prohibit the stockholders from acting by written consent in lieu of a meeting of stockholders, thereby requiring all stockholder actions to be taken at a duly called annual or special meeting of stockholders; and (vii) grant the Board the authority to set the number of directors pursuant to a resolution of a majority of the Board. Amendment of certain provisions of the Restated Certificate requires holders at least 80% of the voting power of all then outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class.

A summary of certain provisions of the Restated Certificate is set forth in the section titled Description of Capital Stock in the prospectus filed by the Company on February 12, 2014, pursuant to Rule 424(b)(4) under the Securities Act of 1933, as amended (the Securities Act), which summary is hereby incorporated by reference herein.

The foregoing description is qualified in its entirety by reference to the Restated Certificate, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

Amendment and Restatement of Bylaws

Effective as of February 19, 2014, the Company amended and restated its bylaws (the Restated Bylaws) in connection with the closing of the Company's initial public offering of shares of its common stock. The Board and the Company's stockholders previously approved the Restated Bylaws to be in effect upon the closing of the Company's initial public offering. The Restated Bylaws amend and restate in their entirety the Company's bylaws to, among other things: (i) permit the board of directors to alter, amend or repeal the bylaws without obtaining stockholder approval; (ii) require the approval of at least 80% of the shares entitled to vote in the election of directors to adopt, amend or repeal the bylaws; (iii) require all stockholder actions be taken by a vote of the stockholders at an annual or special meeting and eliminate the ability of the stockholders to take any action by written consent in lieu of a meeting; (iv) set forth the requirements and procedures for calling a special stockholder meeting; (v) establish advance notice procedures for stockholder proposals relating to the nomination of candidates for election as directors or new business to be brought before any meeting of stockholders; (vi) establish a classified board of directors in which directors will be divided into three classes; (vii) provide for indemnification of the Company's directors, executive officers, other officers, employees and agents to the fullest extent permitted by the Delaware General Corporation Law; and (viii) designate the Court of Chancery of the State of Delaware to be the sole and exclusive forum for certain actions and proceedings. The Restated Bylaws may be amended upon the approval of holders at least 80% of the voting power of all then outstanding shares of capital stock entitled to vote in the election of directors, voting together as a

single class, or, subject to certain limitations set forth therein, by the Board.

A summary of certain provisions of the Restated Bylaws is set forth in the section titled "Description of Capital Stock" in the prospectus filed by the Company pursuant to Rule 424(b)(4) under the Securities Act on February 12, 2014, which summary is hereby incorporated by reference herein.

The foregoing description is qualified in its entirety by reference to the Company's Restated Bylaws, a copy of which is attached hereto as Exhibit 3.2 and is incorporated herein by reference.
