The Additional Notes were issued at 103.085% of the face value amount and the Partnership agreed to sell the Additional Notes to the Underwriters at a purchase price of 102.210% of the principal amount thereof. The material terms of the Offering are described in the prospectus supplement dated February 25, 2014, as filed by the Partnership with the Securities and Exchange Commission (the Commission). The Additional Notes are additional notes under the Indenture dated as of August 11, 2010, as amended and supplemented by the Third Supplemental Indenture dated as of October 10, 2013, with U.S. Bank National Association, as trustee, pursuant to which the Partnership issued \$300,000,000 aggregate principal amount of its 5.15% Senior Notes due 2043 on October 10, 2013 (the Original Notes). The Additional Notes, together with the Original Notes, will be treated as a single series for purposes of giving of notices, consents, waivers, amendments and taking any other action permitted under the Indenture. Subject to customary conditions to closing, the transactions contemplated by the Underwriting Agreement will be consummated on March 4, 2014.

The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Certain of the Underwriters and their respective affiliates perform various financial advisory, investment banking and commercial banking services from time to time for the Partnership and its affiliates, for which they received or will receive customary fees and expense reimbursement.
