Item 1.01. Entry into a Material Definitive Agreement

On September 18, 2014, ExGen Texas Power, LLC (the Borrower) (an indirect subsidiary of Exelon Corporation and Exelon Generation Company, LLC) successfully completed the closing of a \$695.0 million senior secured term loan and revolving credit facility established pursuant to a Credit Agreement, dated as of September 18, 2014 (the Credit Agreement), among the Borrower, ExGen Texas Power Holdings, LLC (Holdings), Wolf Hollow I Power, LLC, Colorado Bend I Power, LLC, Laporte Power, LLC, Handley Power, LLC and Mountain Creek Power, LLC, the lenders party thereto from time to time, Bank of America, N.A., as administrative agent and collateral agent, and Wilmington Trust, National Association, as depositary agent. Holdings is the Borrower's direct parent; and Wolf Hollow I Power, LLC, Colorado Bend I Power, LLC, Laporte Power, LLC, Handley Power, LLC and Mountain Creek Power, LLC (the Subsidiary Guarantors) are wholly-owned subsidiaries of the Borrower.

The Borrower's obligations under the Credit Agreement are jointly and severally, fully and unconditionally guaranteed by Holdings and the Subsidiary Guarantors (together with Holdings, the Guarantors) on a senior basis. The obligations of the Borrower and Guarantors under the Credit Agreement and the other Financing Documents (as defined in the Credit Agreement) are secured by collateral owned or held by the Borrower and Guarantors as and to the extent provided for in the Credit Agreement and the other Financing Documents.

Term loans were made pursuant to the Credit Agreement in a single borrowing of \$675.0 million on September 18, 2014. The Borrower received approximately \$507 million in net proceeds from the term loans, after deducting original discount, required reserves and estimated costs, fees and expenses incurred in connection with the execution and delivery of the Credit Agreement and the transactions contemplated thereby. The Borrower is distributing the net proceeds from the term loans to Exelon Generation Company, LLC for its general corporate purposes. The Credit Agreement also establishes a \$20 million revolving credit/letter of credit facility, which is scheduled to be available to the Borrower (subject to usual and customary credit extension conditions) until September 18, 2019.

Outstanding term loans will initially accrue interest at a rate equal to the Eurodollar Rate (as defined in the Credit Agreement) *plus* 4.75% per annum. Outstanding term loans bearing interest at the Eurodollar Rate may be converted into term loans bearing interest at the Base Rate (as defined in the Credit Agreement) *plus* 3.75% per annum on the terms provided in the Credit Agreement. Outstanding revolving loans will initially accrue interest at a rate equal to the Eurodollar Rate *plus* 4.25% per annum. Outstanding revolving loans bearing interest at the Eurodollar Rate may be converted into revolving loans bearing interest at the Base Rate *plus* 3.25% per annum on the terms provided in the Credit Agreement.

Interest on the loans is payable quarterly in arrears on the last Business Day (as defined in the Credit Agreement) of each March, June, September and December, beginning on December 31, 2014 (and, solely with respect to Eurodollar Loans, at the end of any Interest Period (as defined in the Credit Agreement)). The term loans are scheduled to mature, and the principal of the term loans will be due and payable, on September 18, 2021. The revolving loans are scheduled to mature, and the principal of the revolving loans will be due and payable, on September 18, 2019. Principal of the term loans may be prepaid, and principal of the revolving loans may be repaid and reborrowed, at such times and on such terms as are specified in the Credit Agreement.

The Credit Agreement contains provisions for acceleration of the maturity of the loans and other obligations thereunder upon the happening of certain stated events and also for prepayments on account of principal of the loans prior to the maturity thereof upon the terms and conditions specified therein. In addition, the Credit Agreement and the other Financing Documents contain customary covenants by the Borrower and Guarantors (on their own behalf and, in certain circumstances, on behalf of their subsidiaries) and default provisions for the benefit of the lenders, agents and letter of credit issuing banks.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by
