Notes Offering and Indenture

On March 17, 2015, Flowserve Corporation, a New York corporation (the *Company*), completed a public offering of 500,000,000 aggregate principal amount of 1.250% Senior Notes due 2022 (the *Notes*). The Notes are fully and unconditionally guaranteed by each of the *Company*'s domestic subsidiaries that is a guarantor under the *Company*'s primary bank credit facility (collectively, the *Guarantors*). If additional subsidiaries guarantee the *Company*'s primary bank credit facility in the future, each such subsidiary also will be required to guarantee the Notes. The guarantee of any Guarantor may be released in certain circumstances, including if such Guarantor ceases to guarantee the *Company*'s primary bank credit facility.

The Notes were issued under a Senior Indenture (the *Base Indenture*), dated as of September 11, 2012, among the *Company* and U.S. Bank National Association, as Trustee (the *Trustee*), as supplemented by the Third Supplemental Indenture, dated as of March 17, 2015, among the *Company*, the *Guarantors* and the *Trustee*, establishing the terms and providing for the issuance of the Notes (the *Third Supplemental Indenture* and, together with the *Base Indenture*, the *Indenture*).

The Third Supplemental Indenture and Form of Note, which is included therein, provide, among other things, that the Notes bear interest at a rate of 1.250% per year, payable annually in arrears on March 17 of each year, commencing on March 17, 2016, and will mature on March 17, 2022.

The *Company* estimates that the net proceeds from the offering of the Notes will be approximately 491.8 million after deducting underwriting discounts and estimated offering expenses payable by the *Company*. The *Company* intends to use the net proceeds from the offering of the notes to repay approximately \$255 million of indebtedness outstanding under the *Company*'s revolving credit facility under that certain Credit Agreement, dated August 20, 2012, with Bank of America, N.A., as swingline lender, letter of credit issuer and administrative agent, and the other lenders party thereto, as amended. The *Company* intends to use any remaining proceeds for general corporate purposes, which may include additional acquisitions.

At any time prior to December 17, 2021, the *Company* will have the right to redeem the Notes, in whole or in part from time to time, at the *Company*'s option, at a make-whole redemption price, plus accrued and unpaid interest. At any time on or after December 17, 2021, the *Company* may redeem the Notes, in whole or in part from time to time, at the *Company*'s option, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest. The *Company* is required to offer to repurchase the Notes for cash at a price of 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, upon the occurrence of a change of control triggering event.

The Indenture contains covenants that, subject to certain exceptions, limit the *Company*'s ability to:

incur indebtedness secured by principal properties;

enter into certain sale and leaseback transactions with respect to principal properties; and

enter into certain mergers, consolidations and transfers of all or substantially all of the assets of the *Company* and its subsidiaries on a consolidated basis.

The Indenture contains customary events of default. If an event of default occurs and is continuing with respect to any series of the Notes, then the Trustee may, and at the direction of the holders of at least 25% in aggregate principal amount of outstanding Notes shall, declare the principal amount plus accrued and unpaid interest, if any, on the Notes to be due and payable immediately. In addition, in the case of an event of default arising from certain events of bankruptcy, insolvency or reorganization of the Company, the principal amount plus accrued and unpaid interest, if any, on the Notes will become due and payable immediately.

The description of the Indenture set forth above is qualified by reference to the Base Indenture and the Third Supplemental Indenture, filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

Item 8.01 Other Events.

On March 10, 2015, the Company entered into an underwriting agreement (the Underwriting Agreement) with each of the Guarantors, Merrill Lynch International and J.P. Morgan Securities plc, as representatives of the several underwriters named therein (collectively, the Underwriters), relating to the issuance and sale of the Notes. The offering of the Notes has been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Company s registration statement on Form S-3ASR (Registration No. 333-183634), as supplemented by the Prospectus Supplement dated March 10, 2015 relating to the Notes, filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act on March 11, 2015.

The description of the Underwriting Agreement set forth above is qualified by reference to the Underwriting Agreement filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.
