Each Reporting Person provided only the information as to himself or itself and his or its affiliates and did not independently verify the information contained in this Statement provided by any other Reporting Person.

A. Chez Reporting Person

(a)-(c), (f) The Chez Reporting Person is an individual whose principal occupation is an investor. His business address is in Chicago, Illinois. He is a citizen of the United States of America.

(d)-(e) During the last five years, the Chez Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

B. Sabra Reporting Persons

(a), (f) The Sabra Reporting Persons are: (i) Sabra Investments, LP (the Fund), a Delaware limited partnership, with respect to the Common Stock and warrants to acquire Common Stock directly held by it, (ii) Sabra Capital Partners, LLC (the General Partner), an Illinois limited liability company, with respect to the Common Stock directly held by it and as the general partner of the Fund, and (iii) Mr. Zvi Rhine, an individual, with respect to the Common Stock and

warrants to acquire Common Stock directly held by him and as the Principal of the Fund and the General Partner. Mr. Rhine is a U.S. citizen.

(b) The business address of each of the Sabra Reporting Persons is 401 E. Ontario Street, Suite 2301 Chicago, Illinois 60611.

(c) The principal business of the Fund is serving as a private investment fund. The principal business of the General Partner is to provide investment advisory and management services to private investment funds, including the Fund. The principal occupation of Mr. Rhine is serving as an investment manager and advisor.

(d)-(e) During the last five years, none of the Sabra Reporting Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The consideration used by the Chez Reporting Person to purchase the Common Stock that require the filing of this Statement are personal funds, including amounts held by an individual retirement accounts for the benefit of Mr. Chez. The total cost for purchasing the Common Stock reported as held by the Sabra Reporting Persons in this Statement, including brokerage commissions, but not including the warrants reported as being held by the Sabra Reporting Persons, was approximately \$2,519,799, consisting of working capital of the Fund and the General Partner and personal funds of Mr. Rhine.

Item 4. Purpose of Transaction.

As noted in the Prior Sabra 13D, on May 12, 2015, the General Partner sent a letter to the Company's Chairman and Chief Executive Officer regarding the Company's performance during recent years and proposed changes to the composition of the Company's Board of Directors (the Board) and met with representatives of the Company on May 13, 2015. Based on this meeting, the Sabra Reporting Persons became increasingly concerned that the Company's Board does not plan to include meaningful stockholder representation on the Board or provide stockholders with meaningful input into any new candidates appointed to the Board. The Reporting Persons believe strongly that the Company's Board is in dire need of stockholder representation to hold the Company's management team accountable for its performance and corporate actions.

As noted in the Prior Chez 13D, Mr. Chez independently had communications with representatives of the Company regarding the long-term under-performance of the Company, the need for the Board members and officers of the Company to have significant stock ownership in the Company and changes to the composition of the Company's Board. These conversations occurred in the months of April and May 2015.

Mr. Chez and Mr. Rhine have informally discussed the Company with each other from time to time, including regarding the negative stock performance of the Company following its recent convertible financing transaction.

Following the filing of the Prior Sabra 13D, Mr. Chez and Mr. Rhine discussed their disappointment with the Company's appointment of Korn Ferry to search for new Board members (as reported by the Company in its May 18, 2015 press release). The Reporting Persons feel that such appointment was a needless expense, a way to avoid interacting with the Company's stockholders and a way to delay necessary change that needs to be made to the Company's Board.

The Reporting Persons also believe the Company continues to have significant unrealized opportunities.

On June 2, 2015, the Reporting Persons entered into the Group Agreement in order to work together to enhance stockholder value at the Company, including seeking representation on the Board at the 2015 annual meeting of stockholders of the Company or otherwise and taking any other actions they determine to undertake in connection with their respective investments in the Company, including, but not limited to, a potential solicitation of proxies or written consents in furtherance of seeking representation on the Board and removing certain existing members of the Board.

The Reporting Persons acquired the Common Stock reported in this Statement for investment purposes. The Reporting Persons purchased the Common Stock based on the Reporting Persons' belief that the Common Stock, when purchased, was undervalued and represented an attractive investment opportunity. Depending on overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Common Stock at prices that would make the purchase or sale of the Common Stock desirable, the Reporting Persons may increase or decrease their positions in the Common Stock through, among other things, the purchase or sale of Common Stock through the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

The Reporting Persons intend to review their investment in the Common Stock on a continuing basis. Depending on various factors including, without limitation, the Company's financial position, the price levels of the Common Stock, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Company as they deem appropriate including, without limitation, continuing to engage in communications with the Company's management and Board, making recommendations or proposals to the Company concerning changes to the capitalization, corporate structure, ownership structure, board structure (including board composition) or operations of the Company, purchasing additional Common Stock, selling some or all of their Common Stock, engaging in short selling of or any hedging or similar transactions with respect to the Common Stock, or changing their intention with respect to any or all of the matters referenced herein.

Except as noted in this Item 4, none of the Reporting Persons currently has any present plan or proposal that would result in any of the actions described in paragraphs (a) through (j) of Item 4 of Schedule 13D, or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons reserve the right in the future to formulate any such plans or proposals, and to take any actions with respect to their investments in the Company, including any or all of the actions described in paragraphs (a) through (j) of Item 4 of Schedule 13D.

This Statement is not a solicitation of any action by stockholders of the Company. If a proxy statement is completed and filed, stockholders are advised to read the proxy statement when it becomes available because it will contain important information, and stockholders should rely on such proxy statement and not on this Statement. The proxy statement, if filed, will be available for free at the SEC's website at <http://www.sec.gov>.
