Item 1.01. Entry into a Material Definitive Agreement.

On October 14, 2015, Blucora, Inc. (Blucora) and its indirect wholly owned acquisition subsidiary, Project Baseball Sub, Inc. (Acquisition Sub), entered into a Stock Purchase Agreement (the Purchase Agreement) with HDV Holdings, LLC (the Seller) and HDV Holdings, Inc., pursuant to which Acquisition Sub will acquire the outstanding capital stock of HDV Holdings, Inc., which is the holding company for the group of companies that comprise the HD Vest Financial Services® business (HD Vest). Acquisition Sub's purchase of the capital stock of HDV Holdings, Inc. is referred to herein as the Acquisition.

In connection with the Acquisition, certain members of management (the rollover employees) will roll over a portion of the proceeds they would have otherwise received at the closing into shares of Acquisition Sub (referred to as the rollover). Immediately thereafter, the current chief executive officer of HD Vest will sell a portion of his newly acquired shares of Acquisition Sub to Blucora (the CEO Sale) in exchange for a promissory note, pursuant to which Blucora agrees to pay the value of such Acquisition Sub shares at the closing over a three-year period (50% in year one, 40% in year two and 10% in year three) at an interest rate of 5% per annum. After giving effect to the rollover and the CEO Sale described above, it is expected that after the closing, Blucora will be the indirect owner of approximately ninety-five percent (95%) of HDV Holdings, Inc., with the remaining five percent (5%) held collectively by the rollover employees.

The total consideration payable to the Seller in connection with the Acquisition is \$580.0 million in cash, subject to certain adjustments, including working capital at closing, an adjustment for cash retained by HD Vest, an adjustment of up to \$20.0 million if HD Vest achieves certain Adjusted EBITDA targets, and an adjustment for the value of the shares the rollover employees exchanged for shares of Acquisition Sub. The purchase price is expected to be funded by a combination of cash on hand and committed credit facilities, as described below.

In connection with the Purchase Agreement, Blucora entered into a debt financing commitment letter with the Bank of Montreal and BMO Capital Markets Corp. on October 14, 2015 (the Debt Commitment Letter), pursuant to which Bank of Montreal and BMO Capital Markets Corp. have committed to arrange and provide a \$400.0 million first lien term loan facility and a \$25.0 revolving credit facility on the terms and subject to the conditions set forth in the Debt Commitment Letter. Blucora's obligations under the Purchase Agreement are not conditioned on receipt of financing.

The consummation of the Acquisition is subject to the satisfaction or waiver of certain closing conditions, including, without limitation, (i) the approval of the Acquisition by the Financial Industry Regulatory Authority; (ii) the termination or expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the retention of a certain number of representatives of HD Vest and a certain level of assets under administration or management; (iv) the retention of HD Vest's Chief Executive Officer, or if he has suffered a death or disability, the retention of certain other members of management; (v) no material adverse effect shall have occurred; and (vi) other customary closing conditions. Blucora expects the Acquisition to close in late 2015 or early 2016.

Either party may terminate the Purchase Agreement upon an uncured breach of the Purchase Agreement, in certain circumstances, or if the Acquisition has not been consummated by March 7, 2016. In addition, the Seller may terminate the Purchase Agreement if all closing conditions have been satisfied or waived and Blucora fails to close within three business days. In the case of such termination, Blucora would be required to pay the Seller a termination fee of \$40.0 million (if the Seller terminates the Purchase Agreement in 2015) or \$50.0 million (if the Seller terminates the Purchase Agreement in 2016).

The foregoing description is a summary, does not purport to be a complete description of the Purchase Agreement, and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference. The Purchase Agreement has been included to provide information regarding its terms. It is not intended to provide any other factual information about the parties thereto. In particular, there are representations and warranties contained in the Purchase Agreement which were made by the parties to each other as

of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Purchase Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to stockholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, security holders should not rely on the representations and warranties as statements of factual information.
