Under the Put Option Agreement, the Company irrevocably and subject to various conditions, undertook to procure that Harmonic Europe, a company (*société par actions simplifiée*) organized under the laws of France, having a share capital of 40,000 and its registered office at 50, rue Camille Desmoulins, 92130 Issy-les-Moulineaux (France), and registered with the French Registry of Commerce and Companies under number 410 618 748 RCS Nanterre (Harmonic Europe), which is indirectly wholly-owned by the Company, or any other affiliates of the Company (any such affiliates or Harmonic Europe, the Purchaser) acquires, in accordance with, and subject to, the terms and conditions of the SPA, indirectly 100% of the share capital and voting rights of TVN (on a non-diluted basis) from the Sellers. The Company has a limited right to terminate the Put Option Agreement if it is unable to obtain sufficient financing for the proposed transaction.

The initial purchase price for the securities to be acquired pursuant to the SPA shall be equal to \$75,000,000, subject to customary working capital and other closing adjustments as set forth in the SPA, payable at closing of the transaction. In addition, there may be additional post-closing payments in amounts respectively capped to (i) the difference between 76,000,000 (as converted from euros into U.S. dollars) and \$75,000,000, with respect to an adjustment based on TVN 's 2015 revenue, and (ii) \$5,000,000, with respect to an adjustment based on TVN 's 2015 backlog that ships during the first half of 2016, all of which at such times and under the circumstances set forth in the SPA.

The Sellers have agreed to indemnify the Purchaser, subject to certain exceptions and limitations set forth in the SPA, with respect to breaches of representations, warranties and covenants, subject to certain deductions and exceptions and agreed indemnity caps. The parties' obligations to complete the transaction will be subject to TVN 's reacquisition of its patent portfolio from France Brevets (a third-party patent licensing firm), the receipt of certain historical audited financial statements of TVN prepared in accordance with U.S. generally accepted accounting principles, the receipt of certain regulatory approvals required under French law, and certain other customary closing conditions, and the closing would be expected to occur by the end of March 2016.

The above description of the Put Option Agreement and the SPA does not purport to be complete, and is qualified in its entirety by reference to the full text of each of the Put Option Agreement and the SPA, copies of which will be filed as an exhibit to the Company 's Annual Report on Form 10-K for the fiscal year ending December 31, 2015. The Put Option Agreement will be filed with the U.S. Securities and Exchange Commission (the SEC) to provide investors with information regarding its terms and is not intended to provide any financial or other factual information about the Company, Harmonic Europe or TVN. In particular, the representations, warranties and covenants contained in the Put Option Agreement and the SPA (1) were made only for the purposes of those agreements and as of specific dates indicated therein, (2) were solely for the benefit of the parties to those agreements, (3) may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating

Moreover, information covering the subject matter of the representations, warranties and covenants may change after the date of the Put Option Agreement, which subsequent information may not be fully reflected in public disclosures by the Company. Accordingly, investors should not read the Put Option Agreement in isolation and instead only in conjunction with the other information about the Company, TVN and their respective subsidiaries that the Company includes in reports, statements and other filings that it makes with the SEC.
