Item 3.02 Unregistered Sales of Equity Securities.

On March 17, 2016, National CineMedia, Inc. (NCM, Inc.), as sole manager of National CineMedia, LLC (NCM LLC), provided written notice setting forth the determination of common membership units due to/from the members of NCM LLC as shown in the table below, in accordance with the Common Unit Adjustment Agreement dated as of February 13, 2007, by and among NCM, Inc., NCM LLC, Regal CineMedia Holdings, LLC (Regal), American Multi-Cinema, Inc. (AMC), Cinemark Media, Inc. (Cinemark), Regal Cinemas, Inc. (RCI) and Cinemark USA, Inc. Regal, AMC and Cinemark are referred to collectively as the Founding Members. The Founding Member Group means, with respect to each Founding Member, the Founding Member, its ESA Party, and their Affiliates. Pursuant to NCM, Inc.'s Amended and Restated Certificate of Incorporation and NCM LLC's Third Amended and Restated Limited Liability Company Operating Agreement, as amended, members of NCM LLC, other than NCM, Inc., may choose to have common membership units redeemed, and NCM, Inc. may elect to issue cash or shares of its common stock on a one-for-one basis. Therefore, the NCM LLC units issued to the Founding Members may be redeemable for an equal number of shares of NCM, Inc.'s common stock.

Neither NCM, Inc. nor NCM LLC received any cash consideration in exchange for the issuance of the units. In addition to the issuance of the units, cash will be paid in lieu of partial units in the amounts of \$13.88 and \$12.63 to Cinemark USA, Inc. and RCI, respectively.

The units will be issued in reliance upon the exemption from the registration requirements of the Securities Act provided for by Section 4(2) thereof for transactions not involving a public offering. Appropriate legends will be affixed to the securities issued in this transaction. The Founding Members had adequate access, through business or other relationships, to information about NCM, Inc.

Discussion of Common Unit Adjustment Calculation

Methodology

The Common Unit Adjustment Agreement provides a mechanism for adjusting membership units held by the Founding Members, based on increases or decreases in attendance associated with new theatre construction or acquisitions and dispositions or closures by each Founding Member as discussed below. The adjustment of membership units pursuant to this agreement are conducted annually, except that an earlier adjustment will occur for a Founding Member if its acquisition or disposition of theatres, in a single transaction or cumulatively since the most recent adjustment, will cause a change of two percent or more in the total annual attendance.

Increases in attendance associated with theatre additions are included in the unit adjustment if arising from acquisition of a theatre or opening of a newly constructed theatre, except that lease renewals and extensions are not included and acquired theatres, subject to an agreement with an alternative cinema advertising provider, will not be included until certain run out payments are made to NCM LLC by the Founding Member acquiring the theatre pursuant to its ESA or until such third party cinema advertising agreement expires.

Decreases in attendance associated with theatre dispositions are included in the unit adjustment if arising from the closure or sale of a theatre, unless the purchaser or sublessee enters into an agreement with NCM LLC similar to the ESA, the theatre is closed at or after the end of its lease term in effect on February 13, 2007 (the Common Unit Adjustment Agreement date), the theatre is closed at the end of an initial term of a lease entered into after February 13, 2007, or a non-digitized theatre is closed within the last three years of the term of a lease in effect on February 13, 2007 (the closing date of NCM, Inc.'s initial public offering).

The increases in attendance for acquired theatres that were open for the full twelve months prior to the acquisition date are calculated based on the attendance for the twelve months prior to the acquisition date and decreases in attendance for theatres that were disposed are based on the

attendance for the twelve months prior to the disposition date. However, if an acquired or new build theatre was not operating during the entire twelve months prior to the acquisition date (in the case of an acquired theatre), the change in annual attendance is calculated based on 75% of the projected, year 1 annual attendance for such theatre, as determined by the Founding Members board of directors (or other investment committee designated by the board) in approving development or acquisition. Additionally, in the calculations for adjustment upon acquisition, new openings, closures or disposition, only 50% of the attendance is included for theatres that were not digitized.

In the case of acquired or new build theatres in which the 75% of projected, year 1 annual attendance was used in prior Common Unit Adjustments, an additional adjustment or true-up was made to the net increases and decreases in attendance. This adjustment was calculated as the variance between the attendees applied in the prior Common Unit Adjustment and the actual, year 1 attendance for such theatres.

Discussion of changes in screens and attendance:

The aggregate net attendance adjustment used in calculating the Common Unit Adjustment was an increase of **5,101,727** attendees as described below.

The total attendance increase was **5,203,354** attendees, of which

3,920,250 related to newly opened or acquired theatres that were not open for 12 months at time of acquisition.

3,920,250 from digital screens or 5,227,000 weighted at 75%

1,283,104 attendees related to acquired theatres that were open for the full 12 months prior to the acquisition date

1,283,104 from digital screens weighted at 100%

A total of 184 screens were added resulting in an average attendance per added screen of approximately 28,279.

The total attendance decrease due to dispositions was **1,738,664** attendees, of which all attendees were from digital screens. A total of 76 screens were disposed of resulting in an average attendance per disposed screen of approximately 22,877.

The total attendance increase due to an adjustment between the projected, year 1 attendance of 15 new build and acquired theatres or 168 screens included in the prior Common Unit Adjustment and the actual, year 1 attendance for these theatres was **1,637,037** attendees.

Excluded from the calculation was a 2,127,565 decrease in attendance related to theatre closures associated with expired leases in effect at February 13, 2007, of which all attendees were from digital screens. A total of 101 screens were excluded, of which all were due to end of lease screen closures resulting in an average attendance per excluded screen of approximately 21,065.
