PROXY STATEMENT

Annual Meeting of Shareholders to be Held

May 3, 2016

VOTING AND REVOCATION OF PROXY

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Famous Dave s of America, Inc. to be used at the annual meeting of shareholders of the Company (the Annual Meeting) to be held on Tuesday, May 3, 2016, at 3:00 p.m., at the Company s office at 12701 Whitewater Drive, Minnetonka, Minnesota. Throughout this Proxy Statement, the terms the Company, Famous Dave s, we, our, us, and similar terms refer to Famous Dave s of America, Inc.

The Annual Meeting is being held for the purpose of considering and taking appropriate action with respect to the following:

1. The election of seven directors;
2. The ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for fiscal 2016;
3. Advisory approval of the Company s executive compensation (say-on-pay); and
4. The transaction of any other business as may properly come before the Annual Meeting or any adjournments thereof.

The approximate date on which this Proxy Statement and the accompanying proxy were first sent or provided to shareholders was March 23, 2016.

PROXIES AND VOTING

Registered shareholders may vote in one of three ways: By completing and returning the enclosed proxy card via regular mail or by voting via the Internet or telephone. Specific instructions for using these methods are set forth on the enclosed proxy card. The Internet and telephone procedures are designed to authenticate the shareholder s identity and to allow shareholders to vote their shares and confirm that their instructions have been properly recorded.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The Board of Directors has set the close of business on March 8, 2016 as the Record Date for the Annual Meeting. Only holders of the Company's common stock as of the Record Date, or their duly appointed proxies, are entitled to notice of and will be entitled to vote at the Annual Meeting or any adjournments thereof. On the Record Date, there were 6,957,628 shares of the Company's common stock outstanding. Each such share entitles the holder thereof to one vote upon each matter to be presented at the Annual Meeting. A quorum, consisting of a majority of the outstanding shares of the Company's common stock entitled to vote at the Annual Meeting, must be present in person or represented by proxy before action may be taken at the Annual Meeting.

Each proxy returned to the Company will be voted in accordance with the instructions indicated thereon. If no direction is given by a shareholder, the shares will be voted as recommended by the Company's Board of Directors. If any nominee for the Board of Directors should withdraw or otherwise become unavailable for reasons not presently known, the proxies that would have otherwise been voted for such nominee will be voted for such substitute nominee as may be selected by the Board of Directors. If a shareholder abstains from voting on any matter, the abstention will be counted for purposes of determining whether a quorum is present at the Annual Meeting for the transaction of business as well as shares entitled to vote on that matter. On matters other than the election of directors, an action of the shareholders generally requires the affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. Accordingly, an abstention on any matter other than the election of

directors will have the same effect as a vote against that matter. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Broker non-votes on a matter are counted as present for purposes of establishing a quorum for the Annual Meeting, but are not considered entitled to vote on that particular matter. Consequently, non-votes generally do not have the same effect as a negative vote on the matter.

A shareholder giving a proxy may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of the Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. Presence at the Annual Meeting of a shareholder who has signed a proxy does not, alone, revoke that proxy; revocation must be announced by the shareholder at the time of the Annual Meeting. Unless so revoked, the shares represented by each proxy will be voted at the Annual Meeting and at any adjournments thereof.

NOTICE TO BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS:

New York Stock Exchange Rule 452 prohibits NYSE member organizations from giving a proxy to vote with respect to an election of directors (Proposal No. 1) without receiving voting instructions from a beneficial owner. Because NYSE Rule 452 applies to all brokers that are members of the NYSE, this prohibition applies to the Annual Meeting even though the Company is not listed on the New York Stock Exchange. Therefore, brokers will not be entitled to vote shares at the Annual Meeting with respect to Proposal No. 1 without instructions by the beneficial owner of the shares. **AS A RESULT, BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS ARE ADVISED THAT, IF THEY DO NOT TIMELY PROVIDE INSTRUCTIONS TO THEIR BROKER, THEIR SHARES WILL NOT BE VOTED IN CONNECTION WITH THESE PROPOSALS.**

PROPOSAL No. 1 Election of Directors

We currently have seven directors serving on our Board of Directors. Each of these directors has been nominated for re-election at the Annual Meeting. If elected, each nominee has consented to serve as a director of the Company and to hold office until the next annual shareholders meeting, and until his or her successor is elected and shall have qualified, or until his or her earlier death, resignation, removal or disqualification.

The following paragraphs provide information as of the date of this Proxy Statement about each nominee. The information presented includes information that each nominee has given us about his or her age, all positions he or she holds within the Company, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led our Board to the conclusion that he or she should serve as a director, our director nominees have experience in developing and overseeing businesses and implementing near term and long range strategic plans. We also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. Collectively, they have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our Company and our Board. Although we don't believe that share ownership alone qualifies any person to serve as a director of our Company, we believe that the beneficial ownership of our Board nominees (collectively 39.0% as of the Record Date) aligns their interests with those of our shareholders and will drive our Board's focus on maximizing shareholder value.

PROPOSAL No. 2 Ratification of the Appointment of Independent Registered Public Accounting Firm

The Board of Directors and management of the Company are committed to the quality, integrity and transparency of the Company's financial reports. In accordance with the duties set forth in its written charter, the Audit Committee of the Company's Board of Directors has appointed Grant Thornton LLP as the Company's independent registered public accounting firm for the 2016 fiscal year. A representative of Grant Thornton LLP is expected to attend this year's Annual Meeting and be available to respond to appropriate questions from shareholders, and will have the opportunity to make a statement if he or she desires to do so.

Fees Billed to Company by Its Independent Registered Public Accounting Firm

The following table presents fees for professional audit services and 401(k) audit services, tax services and other services rendered by Grant Thornton LLP during fiscal years 2015 and 2014:

	2015	2014
Audit Fees (1)	\$ 303,342	\$ 313,716
Audit-Related Fees (2)	\$ 16,353	\$ 13,520
Tax Fees (3)		
All Other Fees (4)		
Total Fees	\$ 319,695	\$ 327,236

(1) Audit Fees consist of fees for professional services rendered for the audit of the Company's consolidated annual financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided in connection with statutory and regulatory filings or engagements.

(2) Audit-Related Fees consist principally of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements but not reported under the caption *Audit Fees* above, including the 401(k) audit.

(3) Tax Fees consist of fees for tax compliance, tax advice, and tax planning.

(4) All Other Fees typically consist of fees for permitted non-audit products and services provided.

The Audit Committee of the Board of Directors has reviewed the services provided by Grant Thornton LLP during fiscal year 2015 and the fees billed for such services. After consideration, the Audit Committee has determined that the receipt of these fees by Grant Thornton LLP is compatible with the provision of independent audit services. The Audit Committee discussed these services and fees with Grant Thornton LLP and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Pre-Approval Policy

The Company's Audit Committee charter (a copy of which is available at the Company's website at www.famousdaves.com) provides that all audit and non-audit accounting services that are permitted to be performed by the Company's independent registered public accounting firm under applicable rules and regulations must be pre-approved by the Audit Committee or by designated members of the Audit Committee, other than with respect to de minimus exceptions permitted under the Sarbanes-Oxley Act of 2002. During fiscal 2015, all services performed by Grant Thornton LLP were pre-approved in accordance with the Audit Committee charter.

Prior to or as soon as practicable following the beginning of each fiscal year, a description of the audit, audit-related, tax, and other services expected to be performed by the independent registered public accounting firm in the following fiscal year is presented to the Audit Committee for approval. Following such approval, any requests for audit, audit-related, tax, and other services not presented and pre-approved must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the chairman of the Audit Committee. The chairman must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval. In addition, the Audit Committee has granted pre-approval for the Chief Executive Officer and the Chief Financial Officer to spend up to \$5,000

annually in additional permitted audit fees with Grant Thornton LLP, which authority and amount will be reviewed and approved annually.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for fiscal 2016. If the shareholders do not ratify the appointment of Grant Thornton LLP, the Audit Committee may reconsider its selection, but is not required to do so. Notwithstanding the proposed ratification of the appointment of Grant Thornton LLP by the shareholders, the Audit Committee, in its discretion, may direct the appointment of new independent auditors at any time during the year without notice to, or the consent of, the shareholders, if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

*The Board recommends that you vote **FOR** the ratification of Grant Thornton LLP*

as the independent registered public accounting firm of the Company for fiscal 2016.

PROPOSAL No. 3 Advisory Vote on Executive Compensation

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, our shareholders are entitled to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the rules of the Securities and Exchange Commission. This say-on-pay vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy and policies described in this Proxy Statement.

At the Company's 2013 annual shareholders' meeting, the shareholders were asked to cast an advisory vote on how frequently we should seek an advisory say-on-pay vote. In particular, we asked whether the say-on-pay vote should occur every three years, every two years, or every one year. As stated in the proxy statement for our 2013 annual shareholders' meeting, our Board recommended that shareholders vote for an annual say-on-pay vote to best enable the Board and the Compensation Committee to understand and incorporate the views of our shareholders in structuring our executive compensation programs. At the 2013 annual shareholders' meeting, the option of an annual say-on-pay vote received the highest number of votes cast by shareholders. Consistent with this desire for an annual say-on-pay vote, we are asking shareholders to indicate their support at the Annual Meeting for the compensation of our named executive officers as described in this Proxy Statement by casting an advisory vote **FOR** the following resolution:

RESOLVED, that the shareholders approve the compensation of the named executive officers of Famous Dave's of America, Inc., as disclosed in the section entitled **Executive Compensation** in the Proxy Statement for the Famous Dave's of America, Inc. 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The compensation of our named executive officers is disclosed in the section entitled **Executive Compensation** below.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve, on an advisory basis, the compensation of our named executive officers as described herein. Because the vote is advisory, it will not be binding on the Company, the Board or the Compensation Committee. Nevertheless, the views expressed by our shareholders, whether through this vote or otherwise, are important to us and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

***The Board recommends that you vote FOR the proposal to approve the compensation of our
named executive officers, as described in this Proxy Statement.***

Other Matters

The Board of Directors is not aware of any matter to be presented for action at the Annual Meeting other than the three proposals described above. Although the Board of Directors knows of no other matters to be presented at the Annual Meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxy holders.

Employment Agreements and Employment Arrangements

Employment Agreements with Adam J. Wright

On June 18, 2015, Adam J. Wright, a member of the Company's Board of Directors, was appointed to serve as interim Chief Executive Officer while the Board conducted a search for a permanent Chief Executive Officer. Upon his appointment, Mr. Wright received a base salary of \$25,000 per month in accordance with the Company's standard payroll practices.

On December 28, 2015, the Company announced the appointment of Mr. Wright as Chief Executive Officer, removing his prior interim title, and the Company entered into a two year written employment agreement with Mr. Wright to be effective as of January 1, 2016. Under the employment agreement, Mr. Wright is entitled to receive an annual base salary of \$300,000 and is eligible for annual bonus compensation in the discretion of the Board based upon his achievement of milestones to be determined by the Board prior to the commencement of each fiscal year. The targeted amount of each annual bonus will be determined by the Board, but is expected to be 50% of Mr. Wright's base salary. Mr. Wright may participate in the Company's benefit plans that are currently and hereafter.

maintained by the Company and for which he is eligible, including, without limitation, group medical, 401(k), life insurance and other benefit plans.

Mr. Wright has agreed not to compete with the Company during the term of his employment and for a period thereafter the length of which will depend on the circumstances on which his employment is terminated. If Mr. Wright's employment is terminated by the Company other than for Cause or by Mr. Wright for Good Reason (each as defined in the employment agreement), Mr. Wright has agreed not to compete with the Company in certain respects (as outlined in the employment agreement) during the period in which he is entitled to receive or receives severance payments (as outlined below). If Wright's employment is terminated by the Company for Cause or by Mr. Wright other than for Good Reason, Mr. Wright has agreed not to compete with the Company for twelve months following the date of such termination. Mr. Wright has also agreed not to solicit employees of the Company during the employment term and for 18 months thereafter.

Under the employment agreement, if Mr. Wright's employment is terminated by the Company for any reason other than Cause (including any termination by the Company following a Change in Control (as defined in the employment agreement)), death or disability, or if Mr. Wright resigns for Good Reason, so long as he has signed and has not revoked a release agreement, he will be entitled to receive severance comprised of continuing payments of his base salary for the lesser of (a) a six month period following the termination date and (b) the greater of (i) four months and (ii) the remainder of the two year employment term. At its option and in its sole discretion, the Company shall, so long as it continues to make payments of base salary to Mr. Wright, have the right to extend the length of the severance period for an additional period of time so long as the entire severance period does not exceed twelve months.

Pursuant to the employment agreement, on January 1, 2016, the Company granted Mr. Wright a ten-year, 50,000 share non-qualified stock option under the Company's 2015 Equity Incentive Plan (the 2015 Plan) that will vest in approximately equal monthly installments over two years. The stock option has an exercise price equal to the fair market value of the Company's common stock on the grant date. In the event of a Change of Control (as defined in the 2015 Plan) during the employment term in which the acquiring company or successor company opts not to assume Mr. Wright's employment agreement, the Stock Option will accelerate and become fully vested and exercisable immediately prior to such Change of Control. In the event of a Corporate Transaction (as defined in the 2015 Plan), at the option of the Board, Mr. Wright must exercise the stock option or such failure to exercise will result in termination of the stock option (for this purpose, a Corporate Transaction will not be deemed to have occurred solely due to the Company reducing the size of its asset base through restaurant refranchising). Also in the event of a Corporate Transaction, in exchange for the termination of the stock option, the Board may make a cash payment to Mr. Wright in an amount equal to the product obtained by multiplying (i) the amount (if any) by which the transaction proceeds per share exceed the exercise price per share covered by the stock option by (ii) the number of shares of common stock covered by the stock option. If Mr. Wright terminates his employment without Good Reason and fails to give the Company 90 days' prior notice, the stock option will automatically terminate with respect to 50% of the underlying shares. The stock option will terminate in its entirety if not exercised within six (6) months of Mr. Wright's termination from the Company for any reason.

Employment Agreements with Richard Pawlowski

Upon the commencement of his employment with the Company on June 2, 2014, Richard Pawlowski, the Company's Chief Financial Officer, had an employment arrangement with the Company governed by an employment offer letter dated May 19, 2014. Under the employment offer letter, Mr. Pawlowski was entitled to receive an annualized base salary of \$221,000 in accordance with the Company's standard payroll practices, and was eligible for annual performance based cash incentive awards at a target amount equal to 50% of his base salary. Upon the commencement of his employment with the Company, Mr. Pawlowski received a five-year, 78,000 share stock option award under the Company's Amended and Restated 2005 Stock Incentive Plan. The award vests in annual installments over three years commencing on the one year anniversary of the grant date. Mr. Pawlowski was entitled to participate in the Company's health and welfare benefit plans and retirement plans, and was also entitled to reimbursement of up to \$25,000 of qualifying relocation expenses.

On August 17, 2015, the Company entered into a severance agreement (the Severance Agreement) with Mr. Pawlowski pursuant to which Mr. Pawlowski was entitled to receive severance pay upon termination of his employment by the Company without cause (and other than by reason of retirement, death or disability), or upon termination of employment by Mr. Pawlowski for good reason (as such terms are defined in the Severance Agreement). If termination of employment occurred prior to the two-year anniversary of the date of the Severance Agreement, the severance amount would be equal to twelve months of annualized base salary and paid over twelve months in accordance with the Company's regular payroll practices. If termination occurred on or after such two year anniversary, the severance amount will be equal to six months of annualized base salary and paid over six months in accordance with the Company's regular payroll practices. Severance payments were conditioned upon Mr. Pawlowski signing and not revoking a

general release that is satisfactory to the Company. Under the Severance Agreement, Mr. Pawlowski agreed not to compete with the Company, or solicit employees of the Company, for two years after the termination of his employment with the Company.

Effective January 1, 2016, the Company entered into a one year written employment agreement with Mr. Pawlowski that superseded his prior employment offer letter and the Severance Agreement. Pursuant to new agreement, Mr. Pawlowski is entitled to receive a monthly salary of \$20,000 and is eligible for bonus compensation of up to \$120,000 (the Bonus Payments) based upon his achievement of specified Milestones (as defined in the employment agreement). Mr. Pawlowski may participate in the Company s benefit plans that are currently and hereafter maintained by the Company and for which he is eligible, including, without limitation, group medical, 401(k), life insurance and other benefit plans. Upon entering into the new employment agreement, the Company granted Mr. Pawlowski a 6,000 share non-qualified stock option under the Company s 2015 Equity Incentive Plan (the 2015 Plan) that vests in three equal installments dependent upon the achievement of certain Milestones. The stock option has an exercise price equal to the fair market value of the Company s common stock on the grant date and will, to the extent vested, expire on April 1, 2017. In the event of a Corporate Transaction (as defined in the 2015 Plan), at the option of the Board, Mr. Pawlowski must exercise the stock option or such failure to exercise will result in termination of the stock option. Also in the event of a Corporate Transaction, in exchange for the termination of the stock option, the Board may make a cash payment to Mr. Pawlowski in an amount equal to the product obtained by multiplying (i) the amount (if any) by which the transaction proceeds per share exceed the exercise price per share covered by the stock option by (ii) the number of shares of common stock covered by the stock option. The employment agreement has a customary non-solicitation and confidentiality provisions and mutual non-disparagement and release provisions. Under the employment agreement, if Mr. Pawlowski s employment is terminated by the Company for any reason other than Cause (as defined in the employment agreement), death or disability, so long as he has signed and has not revoked a release agreement, he will be entitled to receive severance comprised of any Bonus Payments to the extent not already paid and the vesting of the stock options.

Employment Agreements with Abelardo Ruiz

On August 5, 2015, the Company announced the hiring and appointment of Abelardo Ruiz as the Company s Chief Operating Officer, effective as of August 31, 2015. Mr. Ruiz s employment with the Company is governed by an employment agreement entered into on August 3, 2015, but to be effective as of August 31, 2015, that has a four year term. Under the employment agreement, Mr. Ruiz is entitled to receive an annual base salary of \$250,000 and is eligible for annual bonus compensation in the discretion of the Board in amounts expected to be in the range of 20%-30% of his base salary. During the first twelve months of his employment, however, Mr. Ruiz will be entitled to receive a minimum guaranteed bonus equal to not less than 20% of his base salary, which will be prorated if his employment is terminated prior to the one year anniversary of his start date. Mr. Ruiz s 2016 annual bonus will be prorated to reflect the portion of 2016 worked following the one year guaranteed bonus period.

Pursuant to the employment agreement, at the commencement of his employment term, the Company granted Mr. Ruiz a five-year, 71,324 share non-qualified stock option under the 2015 Plan that vests in equal monthly installments over the employment term. The stock option will have an exercise price equal to the fair market value of the Company s common stock on the grant date.

Mr. Ruiz may participate in the Company s benefit plans that are currently and hereafter maintained by the Company and for which he is eligible, including, without limitation, group medical, 401(k), life insurance and other benefit plans. Mr. Ruiz is entitled to be reimbursed for reasonable travel and other expenses prior his relocating to a permanent residence within commuting distance of the Company s headquarters. He is also eligible to receive a temporary residence living allowance of \$3,000 per month that will terminate after one year or upon his earlier relocation. The Company will reimburse Mr. Ruiz for relocation expenses of up to \$10,000. The Company has also agreed to lease or reimburse Mr. Ruiz for the lease of a car with aggregate annual costs not to exceed \$10,000, and will provide Mr. Ruiz with a computer and cell phone (or reimburse Mr. Ruiz for the costs thereof).

Mr. Ruiz has agreed not to compete with the Company during the term of his employment and for a period thereafter the length of which will depend on the circumstances on which his employment is terminated. If Mr. Ruiz s employment is terminated by the Company other than for Cause or by Mr. Ruiz for Good Reason (each as defined in the employment agreement), Mr. Ruiz has agreed not to compete with the Company in certain respects (as outlined in the employment agreement) during the period in which he is entitled to or receives severance payments (as outlined below). If Ruiz s employment is terminated by the Company for Cause or by Mr. Ruiz other than Good Reason, Mr. Ruiz has agreed not to compete with the Company for twelve months following the date of such termination. Mr. Ruiz has also agreed not to solicit employees of the Company during the employment term and for 18 months thereafter.

Under the employment agreement, if Mr. Ruiz s employment is terminated by the Company for any reason other than Cause (including any termination by the Company following a Change in Control (as defined in the employment agreement), death or disability, or if Mr. Ruiz resigns for Good Reason, so long as he has signed and has not revokes a release agreement, he will be

entitled to receive severance comprised of continuing payments of his base salary (i) for a twelve month period following the termination date, if termination occurs prior to the two year anniversary of the commencement of the employment term, or (ii) for a six month period following the termination date or, if less, the remainder of the four year employment term, if termination occurs on or after the two year anniversary of the commencement of the employment term. At its option and in its sole discretion, the Company shall, so long as it continues to make payments of base salary to Mr. Ruiz, have the right to extend the length of the severance period for an additional period of time so long as the entire severance period does not exceed twelve months.

Former Employment Arrangement with Edward H. Rensi

Edward H. Rensi, a member of the Company's Board of Directors since January 2014, was appointed to serve as Chief Executive Officer of the Company on February 10, 2014. Mr. Rensi's employment with the Company was governed by an employment offer letter dated February 10, 2014. Under the employment offer letter, Mr. Rensi received an annualized base salary of \$300,000 in accordance with the Company's standard payroll practices, and was eligible for performance based cash bonuses in the discretion of the Board and the compensation committee. Mr. Rensi was also entitled to reimbursement of travel and housing expenses in the amount of up to \$2,000 per month. As contemplated by the employment offer letter, on February 10, 2014 the Company granted to Mr. Rensi a five-year, 25,000 share stock option award under the Company's Amended and Restated 2005 Stock Incentive Plan with an exercise price equal to \$19.95 per share. The award was immediately vested with respect to 12,500 shares and vested with respect to the remaining 12,500 on February 10, 2015. On January 15, 2015, the Company granted to Mr. Rensi a five-year, 75,000 share stock option award with exercise prices as follows: 25,000 shares at \$28.75; 25,000 shares at \$30.00; and 25,000 shares at \$35.00. This award was scheduled to vest in three equal installments of 25,000 shares each on January 15, 2016, 2017 and 2018 so long as Mr. Rensi remained a director or employee of, or a consultant to, the Company.

Description of Additional Compensation Plans and Practices

Deferred Stock Unit Plan

We maintain an Executive Elective Deferred Stock Unit Plan (the "Deferred Stock Unit Plan"), in which executives can elect to defer all or part of their annual incentive compensation or commissions, or their receipt of any compensation in the form of stock grants under the Company's equity incentive plans or otherwise, for a specified period of time. During 2014 and 2015, no executives elected to defer amounts under the Deferred Stock Unit Plan. To the extent elections are made, the amount of compensation that is deferred is converted into a number of stock units, as determined by the share price of our common stock on the effective date of the election. These units are converted back into a cash amount at the expiration of the deferral period based on the share price of our common stock on the expiration date and paid to the executive in cash in accordance with the payout terms of the plan. Accordingly, we recognize compensation expense throughout the deferral period to the extent that the share price of our common stock increases, and reduce compensation expense throughout the deferral period to the extent that the share price of our common stock decreases.

Deferred Compensation Plan

We maintain a Non-Qualified Deferred Compensation Plan (the "Deferred Compensation Plan") in which employees who are at the director level and above are eligible to participate. Participants must complete a deferral election each year and submit it to the Company, prior to the beginning of the fiscal year for which the compensation pertains, indicating the level of compensation (salary, bonus and commissions) they wish to have deferred for the coming year. This deferral election is irrevocable except to the extent permitted by the Deferred Compensation Plan's administrator, and the applicable regulations promulgated by the Internal Revenue Service. For fiscal 2014 and 2015, the Company matched 25.0% of the first 4.0% contributed by participants and paid declared interest rates of 6.0% on balances contributed during fiscal 2014 and 2015. For fiscal 2016, the Company will again match 25% of the first 4.0% contributed by participants and will pay a declared interest rate of 6.0% on contributions. The Board of Directors or the Compensation Committee administers the Deferred Compensation Plan and can change the Company match, interest rate or any other aspects of the plan at any time.

Deferral periods are defined as the earlier of termination of employment or not less than three calendar years following the end of the applicable Deferred Compensation Plan Year. Extensions of the deferral period for a minimum of five years are allowed, provided the election is made at least one year before the first payment affected by the change. Payments can be in a lump sum or in equal payments over a two-, five- or ten-year period, plus interest from the commencement date.

The Deferred Compensation Plan assets are kept in an unsecured account that has no trust fund. In the event of bankruptcy, any future payments would have no greater rights than that of an unsecured general creditor of the Company and they confer no legal rights for interest or claim on any assets of the Company. Benefits provided by the Deferred Compensation Plan are not insured by the

Pension Benefit Guaranty Corporation (PBGC) under Title IV of the Employee Retirement Income Security Act of 1974 (ERISA), because the pension insurance provisions of ERISA do not apply to the Deferred Compensation Plan.

For the plan year ended December 31, 2015, named executive officers contributed \$1,154 to the Deferred Compensation Plan and the Company provided matching funds and interest of \$5.

Stock Ownership Expectations

In accordance with the desire to better align the long-term objectives of our executives and the Board with our shareholders, our Board has adopted minimum stock ownership guidelines that set forth the levels of ownership expected of Board members and top executives of the Company. Board members are expected to own shares of our common stock equal in value to at least three times their annual Board of Directors compensation. Our Chief Executive Officer is expected to own shares of our common stock and vested options equal in value to at least four times his annual salary, while our Chief Financial Officer is expected to own shares of our common stock and vested options equal in value to at least two times his annual salary. Other Vice Presidents are expected to own shares of our common stock and vested options equal in value to at least their respective annual salaries. For purposes of determining compliance with the minimum stock ownership guidelines, share ownership is defined to include stock owned directly by the director or executive and vested stock options. The Board acknowledges that the value of directors' and executives' share ownership will fluctuate based on the market price of our stock and, therefore, deficiencies in share ownership levels may exist from time to time. The Board also acknowledges that newly elected directors and newly hired executives may require a transition period to build share ownership in compliance with the guidelines. Shares owned directly by directors and executives in compliance with the minimum ownership guidelines represent investments in our common stock. Therefore, gains or losses resulting from appreciation or depreciation of these shares are not taken into account when calculating compensation amounts reported in this Proxy Statement.

Other Benefits

We provide additional benefit plans to employees, including the named executive officers, such as medical, dental, life insurance and disability coverage, flex benefit accounts, 401(k) plan, an employee assistance program and an employee stock purchase plan. We also provide vacation and other paid holidays to employees, including the named executive officers, which are comparable to those provided at other companies of comparable size.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to each of its five most highly paid executive officers. There is an exception to the \$1,000,000 limitation for performance-based compensation meeting certain requirements. Incentive compensation, including equity incentive awards, has not generally been structured to meet all of such requirements and, as such, may not be fully deductible.

INFORMATION REGARDING THE BOARD OF DIRECTORS

AND CORPORATE GOVERNANCE

Board of Directors

The size of our Board of Directors is set at eight. We currently have seven members serving as directors, with one vacancy. The following directors, constituting a majority of the Board, are independent directors as such term is defined in Rule 5605(a)(2) of the NASDAQ Stock Market's Marketplace Rules: Joseph M. Jacobs, Jonathan P. Lennon, Richard A. Shapiro, Patrick D. Walsh, and Bryan L. Wolff. The Board of Directors held 15 formal meetings during fiscal 2015 and took action by written consent in lieu of a meeting on 17 occasions.

Currently, the Company has appointed an independent director, Joseph M. Jacobs, as non-executive Chairman of the Company's Board of Directors, a position he has held since joining the Board in July 2015. The Board separates the Board chair function from that of the Chief Executive Officer, who serves as the Company's principal executive officer, based on a belief that separating these functions, and empowering an independent director to chair the Board meetings, will result in increased Board oversight of management activities.

Board of Directors Role in Risk Oversight

The Audit Committee of the Board of Directors has been delegated the responsibility for risk oversight. In overseeing the Company's risk management, the Audit Committee adheres to a detailed committee responsibilities calendar that addresses various risk-related matters. These matters include but are not limited to:

meeting with management and the Company's independent registered public accountant in separate executive sessions;

interacting with management and the internal audit function;

considering and reviewing with the Company's independent registered public accountant the Company's assessment and any related attestation (including related reports) on internal control over financial reporting, the adequacy of such controls and recommendations for improvements;

inquiring of the Company's finance and accounting function managers and the Company's independent registered public accountant about significant risks or exposures, and any significant accounts that require management judgment;

reviewing the Company's policies for risk assessment and risk management, and assessing steps taken or to be taken to control such risk;

assessing the oversight and management of the information risks, including those related to Company Information Technology projects; and

overseeing the Company's investment policies.

Committees of the Board of Directors

The Company has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. During fiscal 2015, each member of the Board of Directors attended at least 75% of the Board meetings and meetings of committees to which they belong during the period in which such member served as a director. Although the Company has no formal policy regarding directors' attendance at the Company's annual shareholders meetings, the Company encourages such attendance by members of the Board of Directors. All six of the Company directors serving on the Board of Directors at the time of the Company's most recent annual shareholders' meeting, held May 5, 2015, were in attendance at that meeting.

Below is a summary of the Company's board committee structure and current committee membership information.

Audit Committee of the Board of Directors

The Company has established a three member Audit Committee within the Board of Directors that currently consists of Chairman Bryan L. Wolff, Jonathan P. Lennon and Patrick D. Walsh. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The charter reflects the Audit Committee's increased responsibilities as a result of the Sarbanes-Oxley Act of 2002, as well as the NASDAQ Stock Market corporate governance standards. As set forth in the charter, the primary responsibilities of the Audit Committee include: (i) serving as an independent and objective party to monitor the Company's financial reporting process and internal control system; (ii) reviewing and appraising the audit performed by the Company's independent registered public accounting firm; and (iii) providing an open avenue of communication among the independent registered public accounting firm, financial and senior management and the Board of Directors. The charter also requires that the Audit Committee review and pre-approve the performance of all audit and non-audit accounting services to be performed by the Company's independent registered public accounting firm, as well as tax work performed by the Company's tax firm, other than certain de minimis exceptions permitted by Section 202 of the Sarbanes-Oxley Act of 2002.

The Board of Directors has determined that at least one member of the Audit Committee, Bryan L. Wolff, qualifies as an audit committee financial expert as that term is defined in Item 407(d)(5) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended. In addition, each member of the Audit Committee is an independent director, as such term is defined in Rule 5605(a)(2) of the NASDAQ Stock Market's Marketplace Rules, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board of Directors has also determined that each of the Audit Committee members is able to read and understand fundamental financial statements and that at least one member of the Audit Committee has past employment experience in finance or accounting. The Audit Committee held four formal meetings during fiscal 2015.

Report of the Audit Committee

The Company's management has primary responsibility for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accounting firm, Grant Thornton LLP, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board. The primary function of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting, internal controls, and audit functions.

The Audit Committee has reviewed the Company's audited consolidated financial statements for the last fiscal year and discussed them with management.

The Audit Committee has discussed with the Company's independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, as amended, Communications with Audit Committees (AICPA, Professional Standards, Vol. 1. AU section 380) as Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding such firm's communications with the Audit Committee concerning independence, and has discussed with the independent accountants their independence.

The Audit Committee, based on the review and discussions described above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 3, 2016 for filing with the Securities and Exchange Commission.

JONATHAN P. LENNON

PATRICK D. WALSH

Compensation Committee of the Board of Directors

The Company has established a Compensation Committee within the Board of Directors that currently consists of chairman Patrick D. Walsh, Jonathan P. Lennon and Bryan L. Wolff. The Compensation Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The Compensation Committee reviews the Company's remuneration policies and practices, makes recommendations to the full Board in connection with all compensation matters affecting the Company and administers the Company's incentive compensation plans. The Compensation Committee of the Board of Directors has direct oversight and responsibility for the Company's executive compensation policies and programs. The Compensation Committee has the authority to obtain advice and assistance from internal or external legal, accounting or other advisors, and has the authority to retain, terminate and approve the fees payable to any external compensation consultant to assist in the evaluation of director, and senior executive compensation. The Compensation Committee assesses the independence of any compensation consultant that it elects to engage.

Compensation Philosophy

Our executive compensation philosophy has been based on adopting compensation programs driven by short- and long-term financial performance metrics designed to ensure management is incented to increase shareholder value over time. The Company's executive compensation policies and programs are designed to provide:

a means for the Company to attract, motivate, reward and retain qualified executives in a competitive environment;

competitive levels of compensation that integrate with the Company's annual objectives and long-term goals;

incentives that promote sustained short- and long-term financial growth and return in order to increase intrinsic value per share;

a reward system for extraordinary performance that recognizes individual initiative and achievements; and

a means to optimize performance without encouraging unreasonable risks or incentivizing behavior that would be reasonably likely to result in a material adverse effect on the Company.

The Compensation Committee believes that the total compensation program for executives should consist of the following elements, each determined by individual and corporate performance:

Base salary compensation; and

Incentive compensation, both in the form of annual cash bonus and long-term stock-based incentive awards.

In addition to the compensation program elements listed above, we have established a Deferred Stock Unit Plan and a Non-Qualified Deferred Compensation Plan in which our executives are entitled to participate. The Compensation Committee believes that the availability of these plans, each of which are discussed below, adds to the attractiveness of the Company's overall compensation program and positively impacts the Company's ability to hire and retain qualified executives.

Compensation Procedures

Our Compensation Committee approves, on an annual basis, the competitiveness of our overall executive compensation programs, including the appropriate mix between cash and non-cash compensation as well as annual and long-term incentives. As set forth in its

written charter, our Compensation Committee has access to resources it deems appropriate to accomplish its responsibilities, including the sole authority to retain (with funding provided by the Company) legal counsel and experts in the field of executive compensation after taking into consideration the independence related factors required under applicable Nasdaq listing standards. The Compensation Committee has the sole authority to retain and to terminate such advisors, and to approve the fees and other retention terms. During fiscal 2015, the Compensation Committee primarily relied upon internal Company resources to generate information on which to benchmark the Company's compensation practices.

Generally, our Chief Executive Officer has provided input to our Compensation Committee regarding executive compensation and participated in the ultimate determination of compensation for the Company's other executives. However, our Chief Executive Officer does not have direct involvement in the determination of his own compensation, the determination and structure of which is the sole responsibility of the Compensation Committee.

The Compensation Committee held three meetings during fiscal 2015 and took action by written consent in lieu of a meeting on five occasions.

Corporate Governance and Nominating Committee of the Board of Directors

The Company has established a Corporate Governance and Nominating Committee within the Board of Directors that consists of Chairman Bryan L. Wolff and Jonathan P. Lennon. Messrs. Wolff and Lennon satisfy the independence requirements of the NASDAQ Stock Marketplace Rules. The Corporate Governance and Nominating Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The primary role of the Corporate Governance and Nominating Committee is to consider and make recommendations to the full Board of Directors concerning the appropriate size, function and needs of the Board, including establishing criteria for Board membership and considering, recruiting and recommending candidates (including those recommended by shareholders) to fill new Board positions. The Corporate Governance and Nominating Committee also considers and advises the full Board on matters of corporate governance and monitors and recommends the functions of, and membership on, the various committees of the Board.

The Corporate Governance and Nominating Committee (or a subcommittee thereof) recruits and considers director candidates and presents all qualified candidates to the full Board for consideration. Qualified candidates will be considered without regard to race, color, religion, sex, ancestry, national origin, disability, marital or veteran status, or any other legally protected status.

In identifying and evaluating potential candidates to be nominees for directors, the Corporate Governance and Nominating Committee has the flexibility to consider such factors as it deems appropriate under relevant circumstances. These factors may include education, general business and industry experience, ability to act on behalf of shareholders and build long term shareholder value, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. The Corporate Governance and Nominating Committee believes that a Board comprised of directors with diverse skills and experiences relevant to the Company's industry will result in efficient and competent oversight of the Company's various core competencies, which include restaurant operations, franchise operations, real estate, marketing and financial and accounting. As such, the Corporate Governance and Nominating Committee considers the interplay of a director candidate's experience with that of other members of the Board of Directors.

If the Corporate Governance and Nominating Committee approves a candidate for further review following an initial screening, the Corporate Governance and Nominating Committee will establish an interview process for the candidate. Generally, the candidate will meet with at least a majority of the members of the Corporate Governance and Nominating Committee, along with the Company's Chief Executive Officer. Contemporaneously with the interview process, the Corporate Governance and Nominating Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Corporate Governance and Nominating Committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The Corporate Governance and Nominating Committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to the Company and concern for its success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in the Company's good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

The Corporate Governance and Nominating Committee will consider recommendations by shareholders of candidates for election to the Board of Directors. Any shareholder who wishes that the Corporate Governance and Nominating Committee consider a candidate must follow the procedures set forth in our Bylaws. Under our Bylaws, if a shareholder plans to nominate a person as a director at a meeting, the shareholder is required to place a proposed director's name in nomination by written request delivered to or

All shareholder communications sent in care of the Company's Secretary will be forwarded promptly to the applicable director(s).

Policies and Procedures for the Consideration and Determination of Director Compensation

Each year, the Corporate Governance and Nominating Committee reviews the Board's compensation in relation to other companies nationwide and recommends any changes in Board compensation to the full Board of Directors for approval. As needed, the Compensation Committee will also review and make recommendations to the Board. The Compensation Committee also approves any grants of equity incentives to directors under the Company's equity incentive plans.

Director Compensation

Non-employee Board members earned a cash retainer for their service on the Board during fiscal 2015. For approximately the first seven months of 2015, the annual retainer was set at \$60,000 (or pro rata portion thereof for directors who did not serve for the entire year). In addition, the chairman of our Audit Committee earned an additional 10% of such amount in recognition of the additional work associated with that position. On July 15, 2015, the annual retainer paid to non-employee directors was reduced to \$30,000 (or pro rata portion thereof for directors who did not serve for the entire year). In addition, the chairman of our Audit Committee may earn an additional annual compensation of up to \$45,000, as determined by the Compensation Committee, which may be paid in the form of cash or equity incentives, or both.
