PROPOSAL 1. ELECTION OF DIRECTORS

Background

In accordance with the Fund's Charter, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. At the Meeting, Stockholders will be asked to elect one Class I Director, and three Class III Directors, each to hold office until the 2018 and 2019 Annual Meeting of Stockholders, respectively, or thereafter until their respective successors are elected and qualified. Stockholders will not be asked to elect any Class II Directors, as the terms of office of the Class II Directors expire at the Annual Meeting of Stockholders in 2017 or thereafter until their respective successors are duly elected and qualified. These staggered terms have the effect of limiting the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors and could have the effect of depriving Stockholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund.

Ms. Nisha Kumar is the nominee for election as a Class I Director. The qualifications of Ms. Nisha Kumar are described in more detail below. Mr. J. Marc Hardy, Mr. Hugh Young, and Ms. Nancy Yao Maasbach are the nominees for election as Class III Directors. Their qualifications are described in more detail below. Ms. Kumar, Mr. Hardy, Mr. Young and Ms. Maasbach have been members of the Fund's Board of Directors since 2016, 2002, 2012 and 2016, respectively.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of the nominees listed below. The nominees have consented to their being named in this proxy statement and have indicated that they will serve if elected. If a nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named as proxies in their discretion.

⁽¹⁾ Aberdeen Family of Investment Companies means those registered investment companies that share Aberdeen Asset Management Asia Limited, the Fund's investment manager, or an affiliate as the investment adviser and that hold themselves out to investors as related companies for purposes of investment and investor services.

As of April 29, 2016, the holdings of no Director or executive officer, nor the Directors and executive officers of the Fund as a group, represented more than 1% of the outstanding shares of the Fund's common stock. At April 29, 2016, no Director or nominee for election as Director who is not an interested person of the Fund as defined in the 1940 Act, nor any immediate family member of such persons, owned beneficially or of record any shares of Aberdeen Asset Management Asia Limited ("AAMAL"), the Fund's investment manager, or any person or entity (other than the Fund) directly or indirectly controlling, controlled by, or under common control with AAMAL.

Responsibilities of the Board of Directors

The Board of Directors is responsible under applicable state law for overseeing generally the operation of the Fund. The Directors oversee the Fund's operations by, among other things, meeting at regularly scheduled meetings and as otherwise needed with the Fund's management and evaluating the performance of the Fund's service providers including AAMAL, the Fund's custodian, and the transfer agent. As part of this process, the Directors consult with the Fund's independent registered public accounting firm, and the directors who are not considered to be interested persons of the Fund, as defined in the 1940 Act ("Independent Directors") consult with their own separate independent counsel.

The Directors regularly review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received, while also ensuring that the Fund continues to have access to high quality services in the future. Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, AAMAL and its affiliates and other funds and clients managed by AAMAL with the objective that the Fund will be managed in a manner that is in the best interest of the Fund's Stockholders.

The Board of Directors has four regularly scheduled meetings each year and additional meetings are scheduled as needed. Furthermore, the Board of Directors has a standing Audit Committee and a Nominating Committee, which meet periodically during the year and the responsibilities of which are described below, each composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards ("Independent Directors").

The Board of Directors is currently comprised of nine Directors, seven of whom are independent as defined in the NYSE listing standards. Mr. Salacuse serves as Chairman of the Board and is an Independent Director. The Independent Directors have separate legal counsel and regularly meet apart from management. In fulfilling their general oversight responsibility, the Directors regularly receive reports from the Fund's investment manager, the Fund's Chief Compliance Officer ("CCO"), counsel to the Fund and counsel to the Independent Directors. The Board's role in risk oversight of the Fund reflects its responsibility under applicable state law to oversee generally, rather than to manage, the operations of the Fund. In line with this general oversight responsibility, the Board receives reports and makes regular inquiries at its quarterly meetings and as needed regarding the nature and extent of significant Fund risks (including investment, compliance and valuation risks) that could potentially have a materially adverse impact on the business.

operations, investment performance or reputation of the Fund. However, the Board relies upon the Fund's management (including its portfolio managers and CCO, who reports directly to the Board) and AAMAL to assist it in identifying and understanding the nature and extent of such risks and determining that such risks are being effectively managed by the implementation of appropriate policies, procedures and controls.

In addition to receiving reports and other information from Fund management and AAMAL regarding the Fund's investment program and activities, the Board, as part of its risk oversight efforts, meets at its quarterly meetings and as needed with the Fund's CCO to discuss, among other things, any issues regarding the policies, procedures and controls of the Fund. The Board may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time by the Board. Because the Chairman of the Board and the Chair of each of the Board's Audit and Nominating Committees is an Independent Director, the manner in which the Board administers its risk oversight efforts is not expected to have any significant impact on the Board's leadership structure. Based on a review of the Board and its functions, the Board has determined that the leadership structure of the Board of Directors, including its role in risk oversight, is appropriate given the characteristics and circumstances of the Fund.

The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, despite the periodic reports the Board receives, it may not be made aware of all of the relevant information of a particular risk. Most of the Fund's investment management and business affairs are carried out by or through the Fund's management and AAMAL and other service providers, each of which has an independent interest in risk management but whose policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations.

Audit Committee

The Fund's Audit Committee is composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently, Mr. Salacuse is the Chairman and Messrs. Gelb, Hardy, Henry, and Rubio and Meses. Kumar and Maasbach are members of the Audit Committee. Meses. Kumar and Maasbach were appointed to the Audit Committee effective January 1, 2016. The Audit Committee convened four times during the fiscal year ended December 31, 2015. The principal functions of the Audit Committee are to appoint and retain the Fund's independent registered public accounting firm, to review with the independent registered public accounting firm the scope, performance and anticipated cost of their audit and to receive and consider a report from the independent registered public accounting firm concerning their conduct of the audit, including the form of the opinion proposed to be rendered and any comments or recommendations the independent registered public accounting firm might want to make in that connection. The Board has determined that Mr. Hardy and Ms. Kumar are each an audit committee financial expert, as defined in Section 401(h) of Regulation S-K. The Fund adopted an Audit Committee Charter in February 2000, which was most recently amended in May 2015. The Audit Committee Charter states that no member of the Audit Committee may serve on the audit committees of more than three public companies, including the Fund, unless the Board of Directors determines that such simultaneous service would not impair the ability of such member to serve on the Audit Committee effectively. For purposes of this determination, service on multiple audit committees within the same fund complex, such as service on the Audit Committee of the Fund and the audit committee of The Asia Tigers Fund, Inc., is counted as service on a single audit committee. The Board of Directors has determined that the service by Messrs. Hardy and Gelb on the audit committees of more than two

other public companies does not impair each of their ability to serve effectively on the Fund's Audit Committee. The Fund's amended and restated Audit Committee Charter is attached hereto as Appendix A.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Pursuant to the Fund's Audit Committee Pre-Approval Policy, the Audit Committee pre-approved all audit and non-audit services provided by PricewaterhouseCoopers LLP (PwC), the Fund's independent registered public accounting firm, to the Fund in 2015. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between Audit Committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting. A representative of PwC will be available at the Meeting to answer appropriate questions and will have an opportunity to make a statement if he or she chooses to do so.

Nominating Committee

The Nominating Committee is composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act and who are independent as defined in the NYSE listing standards. Currently, Mr. Salacuse is the Chairman and Messrs. Gelb, Hardy, Henry, and Rubio and Ms. Kumar and Maasbach are members of the Nominating Committee. Ms. Kumar and Maasbach were appointed to the Nominating Committee effective January 1, 2016. This Committee met three times during the fiscal year ended December 31, 2015. The principal function of the Nominating Committee is to select and nominate persons for election as Directors of the Fund. The Fund's Nominating Committee Charter is attached hereto as Appendix B.

The Nominating Committee identifies potential nominees through its network of contacts. While the Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote, the Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard).

In identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant, which include: whether or not the person is an interested person as defined in the 1940 Act

and whether the person is otherwise qualified under applicable laws and regulations to serve on the Board of Directors of the Fund; whether or not the person has any relationship that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates; whether or not the person serves on boards of, or is otherwise affiliated with, competing organizations or funds; and the character and integrity of the person and the contribution which the person can make to the Board. The Nominating Committee does not have a formal diversity policy but may also consider diversity of professional experience, education and skills when evaluating potential nominees. The Nominating Committee will accept nominations for the office of Director made by Fund Stockholders. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. There are no differences in the manner in which the Nominating Committee evaluates nominees based on whether such nominees are recommended by a Stockholder.

The Fund does not pay a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Nominating Committee did not receive a recommended nominee from a Stockholder who beneficially owned, or a group of Stockholders who beneficially owned, more than 5% of the Fund's shares for at least one year as of the date the recommendation was made.

Governance

On September 23, 2015, the Fund announced that its Board of Directors approved changes to its corporate governance practices. Specifically, the Board approved an amendment to the Fund's By-Laws, effective September 30, 2015, to provide for the election of Directors by a majority of the votes cast at a meeting of Stockholders at which a quorum is present, except in contested elections, where a Director shall be elected by a plurality vote. The Fund's By-laws previously provided that Directors be elected by a plurality vote in all Director elections.

At the same time, the Board also adopted certain corporate governance policies for the Fund, effective September 30, 2015. The corporate governance policies include (i) a resignation policy, which generally provides that a Director who does not receive a majority of votes cast for his or her election at a meeting of Stockholders shall be deemed to have tendered his or her resignation, subject to the Board's acceptance or rejection of such resignation, which Board determination will be disclosed publicly to Fund Stockholders; and (ii) a policy requiring that after an Independent Director has served on the Board for three consecutive three-year terms following the later of the appointment of the Fund's then-current investment manager and the initial election of the Director by the Fund's Stockholders, the Director will be put forth for consideration by Stockholders annually. The failure to obtain a majority of votes cast will trigger the resignation policy described above. Although the charter of the Fund provides that the Board be classified into three classes with the Directors in each class having a term of three years, under the new corporate governance policies, Directors are agreeing to submit to annual elections once they have completed the three consecutive three-year terms noted above.

Board Meetings

During the fiscal year ended December 31, 2015, the Board of Directors held four regular meetings and five special meetings. Each Director attended at least 75% of the meetings of the Board or the committee(s) of the Board on which he served.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act, and Section 30(h) of the 1940 Act in combination require the Fund's Directors and Officers, persons who own more than ten percent of the Fund's common stock, and AAMAL and its directors and officers, to file reports of ownership and changes in ownership of the Fund's securities with the SEC and the NYSE. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file.

Based solely on a review of those forms furnished to the Fund, except as disclosed in the following sentence, the Fund believes that the Fund's Directors and Officers, and AAMAL and its directors and officers, complied with applicable filing requirements during the fiscal year ended December 31, 2015 in a timely manner. Victor Rodriguez, Puay-ju Kang, Ian Macdonald, Lim Sock-Hwei, and Andrew Narracott, each a director of AAMAL, filed a Form 3 Initial Statement of Beneficial Ownership of Securities subsequent to the 10-day period specified in the Form.

Report of the Audit Committee

The Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements for the fiscal year ended December 31, 2015 with management; and (ii) discussed with PwC, the Fund's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles and certain other matters.

The Audit Committee also reports that it previously received (i) written confirmation from PwC that it is independent and (ii) written disclosures regarding such independence as required by the Public Company Accounting Oversight Board Rule 3526 and discussed with PwC the independent registered public accounting firm's independence. In addition, the Audit Committee has reviewed the aggregate fees billed by PwC for professional services rendered to the Fund and for non-audit services provided to: AAMAL, the Fund's investment manager as of December 19, 2011, and any entity controlling, controlled by or under common control with AAMAL that provided services to the Fund. As part of this review, the Audit Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent registered public accounting firm, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Audit Committee presents this report to the Board of Directors and recommends that the Fund's audited financial statements be included in the Fund's annual report to stockholders for the fiscal year ended December 31, 2015 and filed with the Securities and Exchange Commission.

Required Vote

As announced on September 23, 2015, Directors are now elected by a majority of all the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. A majority of the votes cast means that the number of shares voted FOR a Director must exceed the number of votes cast AGAINST that Director. For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast either FOR or AGAINST that Director's election, and do not affect the majority vote required for Directors.

Please note that unless otherwise instructed, the proxies will vote FOR each nominee for Director.

The Directors, including the Independent Directors, recommend that Stockholders vote FOR each nominee for Director.

Independent Registered Public Accounting Firm

The Fund's Audit Committee has adopted written policies relating to the pre-approval of the audit and non-audit services performed by the Fund's independent registered public accounting firm. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it requires specific pre-approval by the Audit Committee. Under the policies, on an annual basis, the Fund's Audit Committee reviews and pre-approves the services to be provided by the independent registered public accounting firm. In addition, the Audit Committee pre-approves any permitted non-audit services to be provided by the independent registered public accounting firm to AAMAL or any entity controlling, controlled by, or under common control with AAMAL if such services relate directly to the operations and financial reporting of the Fund. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting.

Audit Fees. The aggregate fees paid to PwC in connection with the annual audit of the Fund's financial statements and for services normally provided by PwC in connection with the statutory and regulatory filings of the Fund for the fiscal years ended December 31, 2014 and December 31, 2015 were \$102,500 and \$104,500, respectively, including out-of-pocket expenses.

Audit-Related Fees. The aggregate fees paid to PwC in connection with assurance and related services reasonably related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for the fiscal years ended December 31, 2014 and December 31, 2015 were \$0 and \$0, respectively.

Tax Fees. The aggregate fees paid for domestic and international tax-related services, including tax compliance, tax advice and tax planning, rendered by PwC to the Fund for the fiscal years ended December 31, 2014 and December 31, 2015 were \$57,065 and \$45,745, respectively. All Other Fees. The aggregate fees billed for all other non-audit services rendered by PwC to the Fund for the fiscal years ended December 31, 2014 and December 31, 2015 were \$180,000 and \$75,000, respectively. These fees are attributable to consulting services incurred in connection with the transition of branch operations from Mauritius in order to conduct operations directly from the United States. This transition was effected as of the end of day on March 31, 2015.

The aggregate non-audit fees billed by PwC for services rendered to the Fund, AAMAL, the Fund's investment manager, and any entity controlling, controlled by or under common control with the Fund or AAMAL that provided ongoing services to the Fund for the fiscal years ended December 31, 2014 and December 31, 2015 were \$2,300,584 and \$2,731,778, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of PwC.

None of the services described above, provided in the fiscal year ended December 31, 2015, were approved pursuant to the *de minimis* exception provided in Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Other Business

The Fund's Board of Directors does not know of any other matter that may come before the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the proxy to vote the proxies in accordance with their judgment on that matter.

Stockholder Proposals

All proposals by Stockholders of the Fund that are intended to be presented at the Fund's next Annual Meeting of Stockholders, to be held in 2017, must be received by the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than January 6, 2017. Any Stockholder who desires to

bring a proposal for consideration at the Fund's year 2017 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement must deliver written notice thereof to the Secretary or Assistant Secretary of the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) during the period from February 22, 2017 to March 24, 2017. However, if the Fund's 2017 Annual Meeting of Stockholders is held earlier than May 23, 2017 or later than August 21, 2017, such written notice must be delivered to the Secretary or Assistant Secretary of the Fund no earlier than 120 days before the date of the 2017 Annual Meeting of Stockholders and no later than the later of 90 days before the date of the 2017 Annual Meeting of Stockholders or 10 days following the public announcement of the date of the 2017 Annual Meeting of Stockholders.

Any Stockholder proposal intended to be included in the Fund's proxy statement, including any accompanying supporting statement, may not exceed 500 words. A Stockholder desiring to submit such a proposal must be a record or beneficial owner of shares with a market value of \$2,000 or 1% of shares entitled to vote on a proposal at the 2017 Annual Meeting of Stockholders and must have held such shares for at least one year. Further, the Stockholder must continue to hold such shares through the date on which the 2017 Annual Meeting of Stockholders is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements regarding proposals of Stockholders, and a Stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the 1934 Act and Section 4(b) of the By-Laws of the Fund. The timely submission of a proposal does not guarantee its inclusion in a Fund's proxy materials.

Stockholder Communications with the Board of Directors

The Fund has adopted procedures by which Fund Stockholders may send communications to the Board of Directors. Stockholders may mail written communications to the Board to the attention of the Board of Directors of The India Fund, Inc., c/o the Fund's Chief Legal Officer, 1735 Market Street, 32nd Floor, Philadelphia, PA 19103. Stockholder communications must (i) be in writing and be signed by the Stockholder and (ii) identify the number of shares held by the Stockholder. The Chief Legal Officer of the Fund is responsible for reviewing properly submitted Stockholder communications. The Chief Legal Officer shall either (i) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled board meeting or (ii) if the Chief Legal Officer determines that the communication requires more immediate attention, forward the communication to the Directors promptly after receipt. The Chief Legal Officer may, in good faith, determine that a Stockholder communication should not be provided to the Board because it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Fund or is otherwise ministerial in nature. These procedures shall not apply to (i) any communication from an officer or Director of the Fund, (ii) any communication from an employee or agent of the Fund, unless such communication is made solely in such employee's or agent's capacity as a Stockholder of the Fund, or (iii) any Stockholder proposal submitted pursuant to Rule 14a-8 under the 1934 Act or any communication made in connection with such a proposal.

The Fund does not have a formal policy regarding attendance by Directors at Annual Meetings of Stockholders.

Expenses of Proxy Solicitation

The costs of preparing, printing, assembling and mailing material in connection with this solicitation of proxies will be borne by the Fund, even if the proposals are not successful, as will all of the other costs in connection with the Meeting. **Proxies may also be solicited personally by Directors and officers of the Fund, by employees of the Fund's transfer agent, and by regular employees of AAMAL, its respective affiliates or other representatives of the Fund, and may be accomplished by telephone in addition to the use of mails.** Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses so incurred.

In addition, Georgeson Inc. (Georgeson), a proxy solicitation firm, has been retained to assist in the solicitation of the proxy vote. It is anticipated that Georgeson will be paid an amount estimated at \$3,000 plus reasonable out-of-pocket expenses. Therefore, expenses of the Meeting will include costs of (i) preparing, assembling and mailing material in connection with the solicitation, (ii) soliciting proxies by officers or employees, personally or by telephone or telegraph, (iii) reimbursing brokerage houses, banks and other fiduciaries and (iv) compensating the proxy solicitor.

Georgeson may call Stockholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Stockholders' identities, to allow Stockholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. A Stockholder voting by telephone would be asked for his or her social security number or other identifying information and would be given an opportunity to authorize proxies to vote his or her shares in accordance with his or her instructions. To ensure that the Stockholder's instructions have been recorded correctly, he or she will receive a confirmation of such instructions in the mail. The confirmation is a replica of the proxy card, but with marks indicating how the Stockholder voted, along with a special toll-free number which will be available in the event the Stockholder wishes to change or revoke the vote. Although a Stockholder's vote may be taken by telephone, each Stockholder will receive a copy of this proxy statement and may vote by mailing the enclosed proxy card. If you have any questions or need assistance in voting, please contact Georgeson at its toll-free number, 1-866-297-1264.

Please vote promptly by signing and dating the enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the instructions on the enclosed proxy card for voting by telephone or over the Internet.

December 18, 2003, as amended on

November 8, 2005, October 27, 2009, July 27, 2010, May 7, 2013, and May 12, 2015

This charter sets forth the purpose, authority and responsibilities of the Audit Committee of the Board of Directors (the "Board") of each of the investment companies set forth above (each, a "Fund").

Purposes

The Audit Committee of the Board (the "Committee") has, as its primary purpose, oversight responsibility with respect to: (a) the adequacy of the Fund's accounting and financial reporting processes, policies and practices; (b) the integrity of the Fund's financial statements and the independent audit thereof; (c) the adequacy of the Fund's overall system of internal controls and, as appropriate, the internal controls of certain service providers; (d) the Fund's compliance with certain legal and regulatory requirements; (e) determining the qualification and independence of the Fund's independent auditors; and (f) the Fund's internal audit function, if any.

The function of the Committee is oversight; it is the responsibility of the Fund's investment adviser (the "Adviser") to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit.

Authority

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund and approve the fees payable to such advisors and any other terms of their retention. The Committee has the authority and responsibility to retain and terminate the Fund's independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund's independent auditors and receive the auditors' specific representations as to their independence.

Composition and Term of Committee Members

The Committee shall be comprised of at least three Directors who are "Independent," which term shall mean each Director (i) who is not an interested person, as defined in the Investment Company Act of 1940, as amended, of the Fund; and (ii) who has not accepted directly or indirectly any consulting, advisory, or other compensatory fee from the Fund (other than fees for serving as a Director or member of the Committee or any other committee of the Board). The members of the Committee shall designate one member to serve as Chairman of the Committee.

No member of the Committee may serve on the audit committees of more than three public companies, unless the Board determines that such simultaneous service would not impair the ability of such member effectively to serve on the Committee. For the purposes of this determination, service on the Committee of the Funds shall be counted as service on a single audit committee and service on multiple audit committees within the same fund complex shall be counted as service on a single audit committee. The Fund shall disclose in its annual proxy statement any such determination.

Each member of the Committee shall be Independent, as defined in the New York Stock Exchange (the NYSE) Listed Company Manual § 303A, and shall have no material relationship with the Fund (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Fund).

Each member of the Committee shall serve until a successor is appointed.

The Board shall determine whether: the Committee has at least one member who is an audit committee financial expert (ACFE), as such term is defined in the rules adopted under Section 407 of the Sarbanes-Oxley Act of 2002. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board. In addition, with respect to those Funds listed on the NYSE, each member of the Committee must be financially literate and at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board of Directors interprets such qualifications in its business judgment under the NYSE listing requirements.

Meetings

The Committee shall meet on a regular basis, no less frequently than semi-annually, and is empowered to hold special meetings as circumstances require. Periodically, the Committee shall meet to discuss with management the Fund's annual audited financial statements and semi-annual financial statements. Periodically, the Committee should meet separately with management, the Fund's administrator and independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of the Adviser or the Fund's legal counsel (or counsel to the Independent Board members) or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Minutes of each meeting will be taken and circulated to all members of the Committee in a timely manner.

Any action of the Committee requires the vote of a majority of the Committee members present, whether in person or otherwise, at the meeting at which such action is considered. At any meeting of the Committee, one member of the Committee shall constitute a quorum for the purpose of taking any action.

Duties and Powers and of the Committee

The duties and powers of the Committee include, but are not limited to, the following:

bear direct responsibility for the appointment, compensation, retention and oversight of the work of the Fund's independent auditors for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund, and the independent auditors must report directly to the Committee;

prepare an audit committee report to be included in the Fund's annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K;

set the compensation of the independent auditors, such amount to be paid by the Fund;

evaluate the qualifications, performance and independence of the Fund's independent auditors, including whether the auditors provide any consulting services to the Adviser or its affiliated companies, and receive the auditors' specific representations as to their independence;

to the extent required by applicable law, pre-approve: (i) all audit and permissible non-audit services¹ that the Fund's independent auditors provide to the Fund, and (ii) all non-audit services that the Fund's independent auditors provide to the Adviser and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund;

¹ The Committee shall not approve non-audit services that the Committee believes may impair the independence of the independent auditors. As of the date of the approval of this Audit Committee Charter, permissible non-audit services include any professional services (including tax services), that are not prohibited services as described below, provided to the Fund by the independent auditors, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Prohibited non-audit services include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, providing fairness opinions or preparing contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions; (vii) human resources; (viii) broker or dealer, investment adviser or investment banking services; (ix) legal services; (x) expert services unrelated to the audit; and (xi) any other service the Public Company Accounting Oversight Board (PCAOB) determines, by regulation, is prohibited.

Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser and any service providers controlling, controlled by or under common control with the Adviser that provide ongoing services to the Fund (Covered Service Providers) constitutes not more than 5% of the total amount of revenues paid to the independent auditors during the fiscal year in which the permissible non-audit services are provided to (a) the Fund, (b) the Adviser and (c) any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund during the fiscal year in which the services are provided that would have to be approved by the Committee; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee (or its delegate(s)) prior to the completion of the audit.

provided that the Committee may implement policies and procedures by which such services are approved other than by the full Committee prior to their ratification by the Committee.²

meet with the Fund's independent auditors, including private meetings, as necessary to (i) review the arrangements for and scope of the annual audit, including the audit procedures to be utilized in the review of the Fund's financial statements, and any special audits; (ii) discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditors, or other results of the audit(s); (iii) consider the auditors' comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto; (iv) discuss any audit problems or difficulties the auditors experienced in the course of the audit work, including any restrictions on the scope of the auditors' activities or on access to the requested information and management's response; and (v) review the form of opinion the auditors propose to render to the Directors and the members of the Fund;

review reports prepared by the Fund's independent auditors detailing the fees paid to the Fund's independent auditors for: (i) audit services (includes all services necessary to perform an audit, services provided in connection with statutory and regulatory filings or engagements and other services generally provided by independent auditors, such as comfort letters, statutory audits, attest services, consents and assistance with, and review of, documents filed with the Securities and Exchange Commission (SEC)); (ii) audit-related services (covers assurance and due diligence services, including, employee benefit plan audits, due diligence related to mergers and acquisitions, consultations and audits in connection with acquisitions, internal control reviews and consultations concerning financial accounting and reporting standards); (iii) tax services (services performed by a professional staff in the accounting firm's tax division, except those services related to the audit, including tax compliance, tax planning and tax advice) and (iv) other services (includes financial information systems implementation and design).

ensure that the Fund's independent auditors prepare and deliver annually to the Committee a written statement (the Auditors Statement) describing: (i) the auditors' internal quality control procedures; (ii) any material issues raised by the most recent internal quality control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (iii) all relationships between the independent auditors and the Fund, including each non-audit service provided to the Fund and the matters set forth in applicable PCAOB rules;

² Pursuant to the Fund's Audit Committee Pre-Approval Policies, as amended on May 12, 2015, individual tax or audit-related services that fall within certain enumerated categories and are not presented to the Committee as part of the annual pre-approval process may be pre-approved, if deemed consistent with the independent auditor's independence, by the Chairman (or any other Committee member who is a disinterested director under the Investment Company Act of 1940, as amended, to whom this responsibility has been delegated) so long as the estimated fee for the services does not exceed \$75,000. Any such pre-approval shall be reported to the full Committee at its next regularly scheduled meeting.

receive and review a written report (or update, with respect to a semi-annual filing), as of a date 90 days or less prior to the filing of the Fund's annual (or semi-annual) report with the SEC, to the Committee from the Fund's independent auditors regarding any: (i) critical accounting policies to be used; (ii) alternative accounting treatments that have been discussed with the Fund's management along with a description of the ramifications of the use of such alternative treatments and the treatment preferred by the independent auditors; (iii) material written communications between the auditor and management of the Fund; and (iv) all non-audit services provided to any entity in the Fund's investment company complex that were not pre-approved by the Committee;

at least annually, inquire of the independent auditors whether the Fund's financial statements have been selected by the PCAOB for inspection. To the extent the Fund has been selected, the Committee should discuss with the independent auditors any areas of the Fund's financial statements, internal controls and the audits thereof that are under review and whether any concerns have been raised regarding the Fund's financial statements, internal controls and the audits thereof. The Committee shall be apprised on a real time basis of any material developments in connection with this inspection. Finally, following the issuance by the PCAOB of any inspection reports relating to the independent registered public accountants, such firm shall discuss with the Committee any findings included in the report (whether the public or private portions of the report) to the extent relevant to the Fund;

review matters relating to the Fund's internal controls and annual and semi-annual financial reporting process, including results of the annual audit. Review internal accounting controls relating to the activities of the Fund's custodian and administrator and the Adviser through the periodic review of reports, discussions with appropriate officers and consideration of reviews provided by internal audit staff;

meet with the Fund's internal auditors (or other personnel responsible for the internal audit function), if any, following an internal audit of the Fund to discuss significant risks and exposures, if any, to the Fund's risk management processes and system of internal controls, and the steps taken to monitor and minimize such risks;

review of any issues brought to the Committee's attention by independent auditors or the Fund's management, including those relating to any deficiencies in the design or operation of internal controls which could adversely affect the Fund's ability to record, process, summarize and report financial data, any material weaknesses in internal controls and any fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls;

review and evaluate the qualifications, performance and independence of the lead partner of the Fund's independent auditors and confirm that the independent auditors have ensured the appropriate rotation of the lead partner pursuant to applicable regulations;

require the Fund's independent auditors to report any instance of an audit partner of those auditors earning or receiving compensation based on that partner procuring engagements with the Fund to provide any services other than audit, review or attest services;

resolve any disagreements between the Fund's management and independent auditors concerning the Fund's financial reporting;

to the extent there are Directors who are not members of the Committee, report its activities to the full Board on a regular basis and make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate;

discuss with management and the independent auditors, prior to the printing and distribution of the Fund's annual report, the Fund's audited financial statements, including any narrative discussion concerning the Fund's financial condition and investment performance and, if appropriate, recommend the publication of the Fund's annual audited financial statements in the Fund's annual report;

discuss with management, prior to the printing and distribution of the Fund's semi-annual report, the Fund's unaudited financial statements, including any narrative discussion concerning the Fund's financial condition and investment performance;

discuss the Fund's earnings press releases, financial information and earnings guidance provided to analysts and ratings agencies, if any;

review policies with respect to risk assessment and risk management;

review hiring policies for employees or former employees of the Fund's independent auditors;

establish and maintain the procedures set forth in Exhibit A regarding: (i) the receipt, retention and treatment of complaints received by the Funds or the Adviser regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund, the Adviser, any sub-adviser, administrator, principal underwriter or provider of accounting-related services of concerns regarding questionable accounting or auditing matters; and

review such other matters as may be appropriately delegated to the Committee by the Board.

Annual Performance and Charter Evaluation

The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee and its members, including reviewing the compliance of the Committee with this charter. The Committee shall also perform a review and evaluation of the adequacy of this Charter at least annually and recommend any proposed changes to the Charter to the Board for approval. The Committee shall conduct such evaluations and reviews in such manner as it deems appropriate in its judgment.

WHISTLEBLOWER PROCEDURES

A. Responsibilities of Audit Committee of the Fund (the "Audit Committee") With Respect to Specified Complaints

1. The Audit Committee shall receive, retain, investigate and act on complaints and concerns of Covered Persons³ ("Reports ") regarding:
 - (a) accounting, internal accounting controls or auditing matters (an "Accounting Allegation"), including, without limitation:
 - I. fraud or deliberate error in the preparation, review or audit of financial statements of the Fund;
 - II. fraud or deliberate error in the recording and maintaining of the Fund's financial records;
 - III. deficiencies in, or non-compliance with, the Fund's internal controls over financial reporting;
 - IV. misrepresentation or false statements regarding a matter contained in the Fund's financial records, financial statements, audit reports or any filings made with the Securities and Exchange Commission (including periodic or current reports);
 - V. deviation from full and fair reporting of the Fund's financial condition and results;
 - VI. substantial variation in the Fund's financial reporting methodology from prior practice or from generally accepted accounting principles;
 - VII. issues affecting the independence of the Fund's independent registered public accounting firm; and
 - VIII. falsification, concealment or inappropriate destruction of Fund or financial records;
 - (b) compliance with legal and regulatory requirements ("Legal Allegation"); and

³ For purposes of these Procedures, "Covered Person" means any "Fund Covered Person" or "Vendor Covered Person"; "Fund Covered Persons" means officers of the Fund as well as those employees of the Fund's investment adviser and sub-adviser that provide services on behalf of those entities to the Fund; and "Vendor Covered Persons" means those employees of the Fund's custodian, administrator, transfer agent, auction agent and other third-party agents that, pursuant to agreements with the Fund, provide services to or on behalf of the Fund.

- (c) retaliation against Covered Persons who make Accounting Allegations or Legal Allegations (Retaliatory Act).

2. In the discretion of the Audit Committee, responsibilities of the Audit Committee created by these procedures may be delegated to the Chairman of the Audit Committee.

B. Procedures for Receiving Reports

1. Any Report that is made directly to management, whether openly, confidentially or anonymously, shall be promptly reported to the Audit Committee.
2. Each Report forwarded to the Audit Committee by management and each Report that is made directly to the Audit Committee, whether openly, confidentially or anonymously, shall be reviewed by the Audit Committee, who may, in their discretion, consult with any member of management who is not the subject of the allegation and who may have appropriate expertise to assist the Audit Committee. The Audit Committee shall determine whether the Audit Committee or management should investigate the Report, taking into account the considerations set forth in Section C below.
 - a) If the Audit Committee determines that management should investigate the Report, the Audit Committee shall notify the Fund's Chief Legal Officer in writing of that conclusion. Management shall thereafter promptly investigate the Report and shall report the results of its investigation, in writing, to the Audit Committee. Management shall be free in its discretion to engage outside auditors, counsel or other experts to assist in the investigation and in the analysis of results.
 - b) If the Audit Committee determines that it should investigate the Report, the Audit Committee shall promptly determine what professional assistance, if any, it needs in order to conduct the investigation. The Audit Committee shall be free in its discretion to engage outside auditors, counsel or other experts to assist in the investigation and in the analysis of results.

C. Considerations Relative To Whether the Audit Committee or Management Should Investigate a Report

In determining whether management or the Audit Committee should investigate a Report, the Audit Committee shall consider, among any other factors that are appropriate under the circumstances, the following:

1. Who is the alleged wrongdoer? If an executive officer, senior financial officer or other high management official is alleged to have engaged in wrongdoing, that factor alone may militate in favor of the Audit Committee conducting the investigation.
2. How serious is the alleged wrongdoing? The more serious the alleged wrongdoing, the more appropriate that the Audit Committee should undertake the investigation. If the alleged

wrongdoing would constitute a crime involving the integrity of the financial statements of the Fund, that factor alone may militate in favor of the Audit Committee conducting the investigation.

3. How credible is the allegation of wrongdoing? The more credible the allegation, the more appropriate that the Audit Committee should undertake the investigation. In assessing credibility, the Audit Committee should consider all facts surrounding the allegation, including but not limited to whether similar allegations have been made in the press or by analysts.

D. Protection of Whistleblowers

Consistent with the policies of the Fund, the Audit Committee shall not retaliate, and shall not tolerate any retaliation by management or any other person or group, directly or indirectly, against anyone who, in good faith, makes an Accounting Allegation or Legal Allegation, reports a Retaliatory Act or provides assistance to the Audit Committee, management or any other person or group, including any governmental, regulatory or law enforcement body, investigating a Report. The Audit Committee shall not, unless compelled by judicial or other legal process, reveal the identity of any person who makes an Accounting Allegation or Legal Allegation or reports a Retaliatory Act and who asks that his or her identity as the person who made such Report remain confidential and shall not make any effort, or tolerate any effort made by any other person or group, to ascertain the identity of any person who makes a Report anonymously.

E. Records

The Audit Committee shall retain for a period of seven years all records relating to any Accounting Allegation or Legal Allegation or report of a Retaliatory Act and to the investigation of any such Report, unless notified by the chief legal officer of an extended retention period.

F. Procedures for Making Complaints

In addition to any other avenue available to a Covered Person, any Covered Person may report to the Audit Committee openly, confidentially or anonymously any Accounting Allegation or Legal Allegation or report of a Retaliatory Act. Accounting Allegations, Legal Allegations and reports of a Retaliatory Act can be made orally or in writing to the Chairman of the Audit Committee. Such Reports can also be made directly to management openly, confidentially or anonymously by contacting the Fund's Chief Legal Officer in writing or in person.
