Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.

On September 29, 2016, Commercial Metals Company (the *Company*) announced that the Company and John Elmore, Senior Vice President of the Company and President of CMC International, mutually agreed that Mr. Elmore would separate from his position as an officer of the Company and have his employment with the Company terminate, effective September 29, 2016 (the *Separation Date*).

In connection with his departure, the Company and Mr. Elmore entered into a Separation Agreement (the *Agreement*) on September 29, 2016. Except as provided in the Agreement, the Agreement supersedes (a) the Terms and Conditions of Employment, dated May 29, 2012, between Mr. Elmore and the Company, and (b) the Commercial Metals Company Executive Employment Continuity Agreement, dated as of July 2, 2012, between Mr. Elmore and the Company. Under the Agreement, Mr. Elmore has agreed to comply with certain (i) non-competition and (ii) non-solicitation obligations from the Separation Date through the periods ending March 29, 2018 and September 29, 2018, respectively. In addition, Mr. Elmore has agreed to certain ongoing cooperation obligations contained in the Agreement.

In consideration for Mr. Elmore's release and waiver of claims and agreement to comply with the non-competition and non-solicitation obligations referenced in the Agreement, the Company agreed, among other things, to provide Mr. Elmore: (i) a lump sum payment in the gross amount of \$1,160,000, which is equivalent to two years annual base salary; (ii) Mr. Elmore's fiscal year 2016 annual performance bonus based on the formulaic calculation in the Company's 2016 Annual Performance Bonus Program, as approved by the Company's Compensation Committee; and (iii) vesting of all previously unvested employer contributions to Mr. Elmore's account in the Commercial Metals Companies 2005 Benefits Restoration Plan, as amended and restated. Also in consideration for Mr. Elmore's release and waiver of claims and agreement to comply with the obligations referenced in the Agreement, the Company agreed to (A) accelerate the vesting of 60,793 outstanding time-vested restricted stock units and (B) issue a number of shares of Company common stock equal to the number of performance stock units (*PSUs*) granted on October 22, 2013 and the prorated portion of PSUs granted on each of October 27, 2014 and October 26, 2015, in each case in the event the Company achieves all of the applicable performance vesting criteria and subject to the other terms and conditions set forth in the Agreement. As additional consideration, the Company will pay up to a maximum of \$67,500 for certain outplacement career consulting services for Mr. Elmore for up to twelve (12) months.

The foregoing summary of the Agreement does not purport to be complete and is qualified in its entirety by the full text of the Agreement itself, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
