FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated herein by reference may contain "forward-looking statements" within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including, but not limited to, (1) projections of revenues, income or loss, earnings or loss per share of common stock, capital structure and other financial items; (2) plans and objectives of the management or Boards of Directors of Central Federal Corporation or CFBank; (3) statements regarding future events, actions or economic performance; and (4) statements of assumptions underlying such statements. Words such as "estimate," "strategy," "may," "believe," "anticipate," "expect," "predict," "will," "intend," "plan," "targeted," and "terms," or similar expressions, are intended to identify forward-looking statements, but are not the exclusive means of identifying such statements. Various risks and uncertainties may cause actual results to differ materially from those indicated by our forward-looking statements. Such risks and uncertainties are described in the "Risk Factors" section in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, and in our subsequent periodic reports filed with the SEC, which are incorporated by reference in this prospectus, and include, among other factors:

changes in economic and political conditions that could adversely affect our earnings through declines in deposits, loan demand, the ability of our customers to repay loans and the value of the collateral securing our loans;

changes in interest rates that may reduce net interest margin and impact funding sources;

the possibility that we will need to make increased provisions for loan and lease losses;

our ability to maintain sufficient liquidity to continue to fund our operations;

our ability to reduce our high level of nonperforming assets and the associated operating expenses;

changes in market rates and prices, including real estate values, which may adversely impact the value of financial products including securities, loans and deposits;

Table of Contents

the possibility of other-than-temporary impairment of securities held in our securities portfolio;

results of examinations of the Company by the regulators, including the possibility that the regulators may, among other things, require CF Bank to increase its allowance for loan and lease losses or write-down assets;

our ability to continue to meet regulatory requirements and guidelines to which we are subject;

our ability to generate profits in the future;

our ability to raise additional capital if and when necessary in the future;

changes in tax laws, rules and regulations;

increases in deposit insurance rates or premiums;

further legislative and regulatory changes which may increase compliance costs and burdens;

unexpected losses of key management;

various monetary and fiscal policies and regulations, including those determined by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation and the Office of the Comptroller of the Currency;

further increases in competition from other local and regional commercial banks, savings banks, credit unions and other non-bank financial institutions;

our ability to grow our core businesses;

our ability to effectively manage our growth;

any failure, interruption or breach in security of our communications and information systems;

technological factors which may affect our operations, pricing, products and services;

unanticipated litigation, claims or assessments; and

our management's ability to manage these and other risks.

The factors identified in this section are not intended to represent a complete list of all the factors that could adversely affect our business, operating results, financial condition or cash flows. Other factors not presently known to us or that we currently deem immaterial to us may also have an adverse effect on our business, operating results, financial condition or cash flows, and the factors we have identified could affect us to a greater extent than we currently anticipate. Many of the important factors that will determine our future financial performance and financial condition are beyond our ability to control or predict. You are cautioned not to put undue reliance on any forward-looking statements, which speak only as of the date they are made. Except as required by applicable law or the rules and regulations of the SEC, we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. However, any further disclosures made on related subjects in our subsequent filings and reports with the SEC should be consulted. This discussion is provided as permitted by the Private Securities Litigation Reform Act of 1995, and all of our forward-looking statements are expressly qualified in their entirety by the cautionary statements contained or referenced in this section.

ABOUT THE COMPANY

CFC was organized as a Delaware corporation in September 1998 as the holding company for CFBank, in connection with CFBank's conversion from a mutual to stock form of organization. CFBank was originally organized in 1892 and was formerly known as Central Federal Savings and Loan Association of Wellsville and more recently as Central Federal Bank. On December 1, 2016, CFBank converted from a federal savings

association to a national bank. Effective as of December 1, 2016 and in conjunction with the conversion of CFBank to a national bank, CFC became a registered bank holding company and elected financial holding company status. As a financial holding company, CFC is subject to regulation by the Board of Governors of the Federal Reserve System (the FRB). At December 31, 2016, our consolidated assets totaled \$436.1 million and our stockholders' equity totaled \$39.3 million.

CFBank is a community-oriented national bank offering a variety of financial services to meet the needs of the communities we serve. Our business model emphasizes personalized service, customer access to decision makers, quick execution, and the convenience of online internet banking, mobile banking, remote deposit and corporate treasury management. In addition, CFBank provides residential lending and full service retail banking services and products. We attract retail and business deposits from the general public and use the deposits, together with borrowings and other funds, primarily to originate commercial and commercial real estate loans, single-family and multi-family residential mortgage loans and home equity lines of credit. The majority of our customers are small businesses, small business owners and consumers.

Revenues are derived principally from the generation of interest and fees on loans originated and, to a lesser extent, interest and dividends on securities. Our primary sources of funds are retail and business deposit accounts and certificates of deposit, brokered certificates of deposit and, to a lesser extent, principal and interest payments on loans and securities, Federal Home Loan Bank advances, other borrowings and proceeds from the sale of loans.

Our principal market area for loans and deposits includes the following Ohio counties: Franklin County through our office in Worthington, Ohio; Summit County through our office in Fairlawn, Ohio; Columbiana County through our offices in Calcutta and Wellsville, Ohio; and Cuyahoga County, through our agency office in Woodmere, Ohio. We originate commercial and residential real estate loans and business loans primarily throughout Ohio.

Our principal executive offices are located at 7000 North High Street, Worthington, Ohio 43085. The telephone number of our corporate headquarters is (614) 334-7979 and our website address is cfbankonline.com. Information on our website is not incorporated by reference in or otherwise a part of this prospectus or any applicable prospectus supplement.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before you decide to invest in our securities, you should carefully consider and evaluate all of the information included and incorporated by reference in this prospectus, including the risk factors incorporated herein by reference from our most recent Annual Report on Form 10-K, as updated by our subsequent Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings with the SEC. It is possible that our business, financial condition, liquidity or results of operations could be materially adversely affected by any of these risks. In addition, see *Forward-Looking Statements* above for a description of certain risks and uncertainties associated with our business. The market or trading price of our securities could decline due to any of these risks and uncertainties, and you may lose all or a part of your investment.

USE OF PROCEEDS

The selling stockholders will receive all of the proceeds from the sale or other disposition of the shares of common stock covered by this prospectus. For information about the selling stockholders, see *Selling Stockholders* below. We will not receive any of the proceeds from the sale or other disposition of the shares of common stock covered by this prospectus. However, we will receive net proceeds upon the cash exercise of Warrants for which underlying shares of common stock are being registered hereunder. Assuming exercise of all of the Warrants for cash in full, we would receive an aggregate of \$2,131,431. We will use any cash we receive upon the exercise of the Warrants for general corporate purposes.

Pursuant to the terms of the Registration Rights Agreements described under the heading *Selling Stockholders* below, we have agreed to pay all expenses, including all registration, filing and listing fees and all legal and accounting fees and disbursements, in effecting the registration of the shares of common stock covered by this prospectus. The selling stockholders will bear all applicable commissions and discounts, if any, attributable to the sale or other disposition of the shares.

SELLING STOCKHOLDERS

The securities covered by this prospectus consist of up to 1,152,125 shares of common stock of the Company issuable to the selling stockholders upon the exercise of Warrants. We are registering the shares of common stock issuable upon exercise of the Warrants in order to permit the selling stockholders, or their respective pledgees, donees, transferees or other successors-in-interest, to offer the shares for resale from time to time. Such persons may resell from time to time all, a portion, or none of such shares. We do not know when or in what amounts the selling stockholders may offer shares for sale. See *Plan of Distribution* on page 8.

Throughout this prospectus, when we refer to the *selling stockholders*, we are referring to the persons listed in the table below, together with their respective pledgees, donees, assignees, transferees or other successors-in-interest. When we refer to *registered shares*, we are referring to the shares of common stock, \$0.01 par value per share, of the Company issuable upon the exercise of Warrants which are being registered by the registration statement of which this prospectus is part.

Summary of Warrants

The selling stockholders acquired the Warrants from us in May and July 2014 as part of a private placement by the Company of its 6.25% Non-Cumulative Perpetual Preferred Stock, \$0.01 par value per share (*Series B Preferred Stock*), for an offering price of \$25.00 per share (the *Private Placement*). Pursuant to the Private Placement, the Company sold an aggregate of 480,000 shares of Series B Preferred Stock on May 12, 2014 and July 15, 2014. For

each share of Series B Preferred Stock sold in the Private Placement, the Company also

Table of Contents

issued, at no additional charge, a Warrant to purchase shares of common stock of the Company. Warrants to purchase an aggregate of 1,152,125 shares of common stock were issued by the Company in the Private Placement.

The offer and sale of the Series B Preferred Stock and Warrants were not registered under the Securities Act, or under the securities laws of any state in reliance upon exemptions from registration thereunder, including the exemptions provided under Section 4(a)(2) of the Securities Act and Rule 506(b) promulgated thereunder. As a result, the shares of common stock issuable upon the exercise of the Warrants would constitute restricted securities under the Securities Act and applicable state securities laws absent the registration of such shares. Accordingly, we are registering the shares of common stock issuable upon exercise of the Warrants in order to permit the selling stockholders, or their respective pledgees, donees, assignees, transferees or other successors-in-interest, to offer the shares for resale from time to time. Such registration is being effected in accordance with the terms of the Registration Rights Agreements entered into by the Company with the purchasers of Series B Preferred Stock and Warrants in the Private Placement.

Selling Stockholders Ownership Table

Beneficial ownership is determined in accordance with the rules of the SEC and includes shares of our common stock over which the selling stockholder has voting and/or investment power. Unless otherwise indicated in the footnotes to the table below, to our knowledge, the selling stockholders named in the table below have sole voting and investment power with respect to the shares of common stock beneficially owned by them. The number listed in the table below as the number of shares of common stock beneficially owned prior to the offering by each selling stockholder includes (1) the number of registered shares issuable upon the exercise of Warrants held by the named person, (2) the number shares of common stock, if any, as to which the named person has the right to acquire beneficial ownership upon the conversion of shares of the Company's Series B Preferred Stock and (3) the number of shares of common stock, if any, as to which the named person has the right to acquire beneficial ownership upon the exercise of options which are currently exercisable or will first become exercisable within 60 days after March 22, 2017.

The table below sets forth the following information as to each selling stockholder as of March 22, 2017:

- (a) The number of shares of our common stock that the selling stockholder beneficially owned prior to offering for resale any of the registered shares;
- (b) The number of registered shares; and
- (c) The number and percent of shares of our common stock to be held by each selling stockholder after the offering of the registered shares, assuming all of such registered shares are sold by the selling stockholder and that such person does not acquire any other shares of our common stock prior to the assumed sale of all of the registered shares.

The following table and the information contained in the footnotes to the table are based upon information supplied by the selling stockholders. Although we have assumed for purposes of the table below that the selling stockholders will sell all of the registered shares, each selling stockholder may sell all, a portion, or none of such shares. Therefore, no assurance can be given as to the actual number of the registered shares that will be resold by any of the selling stockholders. To our knowledge, there are no current agreements, arrangements or understandings with respect to the resale of any of the registered shares.

The selling stockholders include certain directors and/or officers of the Company, as indicated in the footnotes to the table below. The Company's wholly-owned subsidiary, CFBank, has had in the past three years, and expects to have in the future, banking transactions in the ordinary course of business with certain selling stockholders and associates of such persons. All such banking transactions were on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with other

Table of Contents

persons and did not involve more than normal risk of collectability or present other unfavorable features. All such loans presently outstanding to directors and executive officers of the Company, including their immediate families and entities in which they are executive officers, are performing loans.

PLAN OF DISTRIBUTION

The selling stockholders may, from time to time, sell any or all of their shares of common stock on The NASDAQ Capital Market and any other stock exchange, market or trading facility on which the shares are traded, or in private transactions. These sales may be at prevailing market prices or privately negotiated prices. The selling stockholders may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transactions;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales;

broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act, or any other exemption from registration, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares of common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by a selling stockholder. The selling stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares if liabilities are imposed on that person under the Securities Act.

The selling stockholders may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b) or other applicable provision of the Securities Act supplementing or amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the donees, transferees or other successors in interest will be the selling beneficial owners for purposes of this prospectus and may sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b) or other applicable provision of the Securities Act supplementing or amending the list of selling stockholders to include the donee, transferee or other successors in interest as selling stockholders under this prospectus.

The selling stockholders and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be underwriters within the meaning of the Securities Act in connection with such

Table of Contents

sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares of common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

Pursuant to the terms of the Registration Rights Agreements, we have agreed to (i) pay all expenses, including all registration, filing and listing fees and all legal and accounting fees and disbursements, in registering the shares of common stock and (ii) indemnify the selling stockholders party to the Registration Rights Agreements against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

No selling stockholder has advised us that they have entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares of common stock, or that there is any underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by any selling stockholders. If we are notified by any selling stockholders that any material arrangement has been entered into with a broker-dealer for the sale of shares of common stock, if required, we will file a supplement to this prospectus. If the selling stockholders use this prospectus for any sale of the shares of common stock, they will be subject to the prospectus delivery requirements of the Securities Act.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

The indemnity may include expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that

prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
