The Company considers portions of this Current Report on Form 8-K to contain forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. When the Company uses words such as may, will, intend, should, believe, expect, anticipate, project, estimate or similar expressions that do not relate solely matters, it is making forward-looking statements. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that may cause the actual results to differ materially from the Company's expectations discussed in the forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions it can give no assurance that expected results will be achieved, and actual results may differ materially from expectations. Specifically, the Company's statements regarding: (i) the anticipated implementation and the ability to create value through the Company's growth, acquisition and disposition strategy; (ii) the future generation of value to the Company from the acquisition of service orientated retail properties in secondary and tertiary, and the ability of the Company to acquire service oriented retail properties, including the current pipeline of assets; (iii) the development and return on undeveloped properties; (iv) the expected revenue from the Sea Turtle Marketplace redevelopment; and (v) second quarter 2017 AFFO guidance are forward-looking statements. For these reasons, among others, investors are cautioned not to place undue reliance upon any forward-looking statements in this press release.
