Item 1.01. Entry into a Material Definitive Agreement.

On September 8, 2017, CytoDyn Inc. (the **Company**) entered into Subscription Agreements (the **Subscription Agreements**) and Securities Purchase Agreements (the **Securities Purchase Agreements** and, collectively with the Subscription Agreements, the **Offering Agreements**) with certain investors (the **Investors**) for the sale by the Company of 3,336,331 shares (the **Common Shares**) of the Company's common stock, par value \$0.001 per share (the **Common Stock**), at a purchase price of \$0.75 per share in a registered direct offering. The Investors in this offering also received warrants to purchase 1,668,163 shares of Common Stock (the **Warrants**). The aggregate gross proceeds for the sale of the Common Shares and Warrants will be approximately \$2.5 million. Subject to certain ownership limitations, the Warrants will be exercisable commencing on the issuance date at an exercise price equal to \$1.00 per share of Common Stock, subject to adjustments as provided under the terms of the Warrants. The Warrants are exercisable for five years from the date of issuance. The closing of the sales of these securities under the Offering Agreements is expected to occur on or about September 8, 2017.

Paulson Investment Company, LLC (the **Placement Agent**), was engaged as a placement agent in connection with the offering. Investors introduced to the Company by the Placement Agent executed a form of Subscription Agreement to effect the sale of Common Shares and Warrants in the Offering; all other Investors executed a form of Securities Purchase Agreement.

The net proceeds to the Company from the transactions, after deducting the Placement Agent's fees and expenses (not including the Placement Agent Warrants, as defined below), the Company's estimated offering expenses, and excluding the proceeds, if any, from the exercise of the Warrants, are expected to be approximately \$2.24 million. The Company intends to use the net proceeds from the transactions to fund clinical trials for its lead product candidate and for general corporate purposes.

The securities sold in the offering were offered and sold by the Company pursuant to an effective shelf registration statement on Form S-3, which was initially filed with the Securities and Exchange Commission (the **SEC**) on August 26, 2016 and subsequently declared effective on September 9, 2016 (File No. 333-213349) (the **Registration Statement**), and the base prospectus dated as of September 9, 2016 contained therein. The Company will file a prospectus supplement with the SEC in connection with the sale of the securities.

The representations, warranties and covenants contained in the Offering Agreements were made solely for the benefit of the parties to the Offering Agreements. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Offering Agreements and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. Accordingly, the forms of the Offering Agreements are included with this filing only to provide investors with information regarding the terms of transaction, and not to provide investors with any other factual information regarding the Company. Stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Offering Agreements, which subsequent information may or may not be fully reflected in public disclosures.

Pursuant to the Placement Agent Agreement, dated as of August 8, 2017 (the **Placement Agent Agreement**) with the Placement Agent, the Company has agreed to pay the Placement Agent a cash fee equal to 9% of the gross proceeds received by the Company from qualified investors as well as a non-accountable expense fee of \$25,000. Pursuant to the Placement Agent Agreement, the Company also agreed to grant to the Placement Agent or its designees warrants to purchase up to 8% of the aggregate number of shares sold to qualified investors at an exercise price equal to 110% of the price of the Common Stock sold in the offering or \$0.825 per share (the **Placement Agent Warrants**). The Placement Agent is not entitled to compensation relating to Investors not first introduced by it to the Company. The
