Item 1.01 Entry into a Material Definitive Agreement.

As previously reported, on September 15, 2016, Histogenics Corporation (Histogenics or the Company) entered into a securities purchase agreement with certain institutional and accredited investors pursuant to which the Company issued 2,653,553 shares of the Company s common stock, par value \$0.01 per share (Common Stock), 24,158.8688 shares of the Company s Series A Convertible Preferred Stock and warrants to purchase up to 13,333,334 shares of the Company s Common Stock (such warrants, along with warrants to purchase up to 133,333 shares of the Company s Common Stock issued to the placement agent for the transaction, the 2016 Warrants). The exercise price of the 2016 Warrants was \$2.25 per share.

Also as previously reported, on October 5, 2018, Histogenics entered into an underwriting agreement with Canaccord Genuity LLC, as representative of the several underwriters, related to the public offering of 26,155,000 shares of the Company s Common Stock and warrants (the 2018 Warrants) to purchase up to 19,616,250 shares of the Company s Common Stock. The exercise price of the 2018 Warrants was \$0.70 per share, subject to the Company s right pursuant to Section 2(e) of the 2018 Warrants to reduce the exercise price to any amount and for any period of time deemed appropriate by Board of Directors (the Board) of the Company (the Voluntary Adjustment Right).

On February 8, 2019, Histogenics and certain holders of the 2016 Warrants (the Participating 2016 Holders) entered into a Warrant Amendment and Exercise Agreement (the 2016 Exercise Agreement) pursuant to which Histogenics agreed to reduce the exercise price of the 2016 Warrants held by such Participating 2016 Holders from \$2.25 to \$0.01 per share (the 2016 Reduced Exercise Price) in consideration for the exercise of the 2016 Warrants held by such Participating 2016 Holders in full at the 2016 Reduced Exercise Price for cash and provided a general release of claims of such Participating 2016 Holders against the Company with respect to the 2016 Warrants. The Company also agreed to modify the reference to three (3) Trading Days in the first sentence of Section 2(d)(i) of the 2016 Warrants held by the Participating 2016 Holders to say two (2) Trading Days. The Participating 2016 Holders own, in the aggregate, 2016 Warrants to purchase a total of 12,957,953 shares of the Company s Common Stock. The Company expects to receive aggregate gross proceeds of approximately \$129,579.53 from the exercise of the 2016 Warrants by the Participating 2016 Holders pursuant to the 2016 Exercise Agreement. After the full exercise of the 2016 Warrants held by the Participating 2016 Holders, 2016 Warrants to purchase approximately 508,714 shares of the Company s Common Stock will remain outstanding.

On February 8, 2019, pursuant to the Voluntary Adjustment Right, Histogenics determined to reduce the exercise price of the 2018 Warrants from \$0.70 to \$0.01 per share (the 2018 Reduced Exercise Price) through the close of business on February 8, 2019. Additionally, on February 8, 2019, Histogenics and all of the holders of the 2018 Warrants (the Participating 2018 Holders and, together with the Participating 2016 Holders, the Holders) entered into a Warrant Exercise Agreement (the 2018 Exercise Agreement) pursuant to which in consideration for the 2018 Reduced Exercise Price, the Participating 2018 Holders agreed to exercise the 2018 Warrants held by such Participating 2018 Holders in full at the 2018 Reduced Exercise Price for cash and provided a general release of claims of such Participating 2018 Holders against the Company with respect to the 2018 Warrants. The Participating 2018 Holders own, in the aggregate, 2018 Warrants to purchase a total of 19,616,250 shares of the Company s Common Stock. The Company expects to receive aggregate gross proceeds of approximately \$196,162.50 from the exercise of the 2018 Warrants by the Participating 2018 Holders pursuant to the 2018 Exercise Agreement. After the full exercise of the 2018 Warrants held by the Participating 2018 Holders, no 2018 Warrants remain outstanding.

If the exercise of the 2016 Warrants or 2018 Warrants, as applicable, would cause a Holder to exceed the 4.99% or 9.99% beneficial ownership limitations as set forth in the 2016 Warrants and 2018 Warrants (Beneficial Ownership Limitation), then the Company will only issue such number of shares to such Holder as instructed by such Holder and as would not cause such Holder to exceed the maximum number of shares permitted under the Beneficial Ownership Limitation, with the balance of shares to be held in abeyance until the balance may be issued in compliance with such limitations.

Also as previously reported on December 21, 2018, the Board initiated a process to evaluate strategic alternatives to maximize value for all stakeholders. As part of the ongoing process, the Board is evaluating the full range of potential strategic alternatives, which includes, but is not limited to, acquisitions, business combinations, joint ventures, public and private capital raises, recapitalization, and sale transaction options, including a sale of assets or intellectual property. The 2016 Exercise Agreements and 2018 Exercise Agreements eliminate a significant economic liability embedded in the 2016 Warrants and 2018 Warrants Black-Scholes provisions applicable in the event of a Fundamental Transaction (as defined in the 2016 Warrants and 2018 Warrants). The 2016 Exercise Agreements and 2018 Exercise Agreements are intended to achieve a cleaner capital structure for Histogenics that, among other things, enables the Company to evaluate a broader range of potential strategic alternatives and to continue to move forward with its ongoing strategic alternatives process.

The description of terms and conditions of the 2016 Exercise Agreements and 2018 Exercise Agreements set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the form of such agreements, which are attached hereto as Exhibit 10.1 and Exhibit 10.2, respectively, and incorporated herein by reference.

Item 3.03 Material Modifications to Rights of Security Holders.
