Item 8.01 Other Events

The Company is furnishing a letter made available to its shareholders on October 29, 2008 (the "Letter to Shareholders"). The text of the Letter to Shareholders is attached as Exhibit 99.2 to this Current Report on Form 8-K and shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section. This disclosure of the Letter to Shareholders on this Current Report on Form 8-K will not be deemed an admission as to the materiality of any information in the Report that is required to be disclosed by Regulation FD.

The Company does not have, and expressly disclaims, any obligation to release publicly any updates or any changes in the Letter to Shareholders or its expectations or any change in events, conditions, or circumstances on which any forward-looking statement is based.

The Letter to Shareholders is available on the Company's website at www.ruger.com. The Company reserves the right to discontinue that availability at any time.

On October 29, 2008, Sturm, Ruger & Company, Inc. issued a press release in which it announced that it has recently received a small number of reports from the field indicating that LCP pistols can discharge when dropped onto a hard surface with a round in the chamber. All LCP pistols bearing the prefix "370" (that is, serial number 370-xxxxx) may be affected. The retrofit involves installation of an upgraded hammer mechanism at no charge to the customer. A copy of the press release is set forth in the attached Exhibit 99.3.
